RECYCLABLES

POSSIBLE AREAS OF CONCERN

Recyclable items, other than paper and paper products, cannot be placed in blue recycling containers (i.e., CD's, aluminum cans, plastics, food-contaminated paper, glass, etc.).

CHARACTERIZATION

Many items can be recycled on Ft. Campbell, including aluminum cans, NON-Government electronics (i.e., cell phones, cordless phones, household computer equipment. – printers, faxes, monitors, CPU, scanners, Nintendo's, X-Boxes and other electronic game equipment.). The Installation Recycling Policy encourages all organizations to recycle all acceptable materials.

HANDLING PROCEDURES

Step 1 Segregate and take recyclable items to the Convenience Center to include off post recyclables **ONLY**. **NO OFF-POST TRASH ACCEPTED**

NOTE: Cell phone and related batteries should be managed as hazardous waste. They should be placed in unit communications storage locker or returned to the store where replacement batteries are purchased for proper disposal.

NOTE: Only government cell batteries can be turned into the PPOC for proper disposal.
