Introduction

In accordance with Stipulation (J.1.a.) of the *Amended Programmatic Agreement Among the United States Army, The State Historic Preservation Officer of Kentucky and the State Historic Preservation Officer of Tennessee regarding the Operation, Maintenance, and Development of The Fort Campbell Army Installation at Fort Campbell, Kentucky* (Amended December 2016), an annual report of all Army projects and activities carried out on the Kentucky portion of Fort Campbell, and reviewed by the Fort Campbell Cultural Resource Management Program (CRMP) must be submitted to the Advisory Council on Historic Preservation (ACHP), Installation Management Command-Atlantic Region (IMCOM-AR), and the Kentucky State Heritage Council offices (KY SHPO). The following report includes a list of projects and activities that have been reviewed for possible effects to historic properties, a determination of those effects, a summary of mitigation and/or treatment measures, and a summary of consultation activities performed by the CRMP in Christian and Trigg Counties, Kentucky.

Planning

Integrated Cultural Resource Management Plan

Fort Campbell CRMP has finalized the Integrated Cultural Resource Management Plan (ICRMP) after input from the KY SHPO in May 2013. The management plan is valid for five (5) years and will be completely updated in 2018. Until that time, the ICRMP will be reviewed yearly. The yearly review of the ICRMP was completed in July 2016. The annual review to the ICRMP included updates to NRHP statuses of identified archaeological sites and a list of project completed by Fort Campbell. The review also included updated contact information for pertinent Fort Campbell personnel, tribal contacts, and preservation office contacts. The annual update is uploaded on the Fort Campbell Cultural Resources website at:

<http://www.campbell.army.mil/Installation/Pages/Cultural-Resources.aspx>

Programmatic Agreements

Fort Campbell has two programmatic agreements for operations that were amended in December 2016 to extend the agreement until December 31, 2017. *Programmatic Agreement Among the United States Army, The State Historic Preservation Officer of Kentucky and the State Historic Preservation Officer of Tennessee regarding the Operation, Maintenance, and Development of The Fort Campbell Army Installation at Fort Campbell, Kentucky* (Effective January, 2009) covers undertakings across the installation. *Programmatic Agreement Between Fort Campbell and the Tennessee State Historic Preservation Office Regarding Development, Construction and Operations at Clarksville Base Historic District* (Effective January, 2009) is for development undertakings within the Clarksville Base Historic District. A separate annual report is submitted for undertakings at Clarksville Base Historic District. These programmatic agreements for operations, maintenance and development are now valid through December 2017. The

agreement outlines proper procedure and regulation for managing all undertakings within Christian and Trigg Counties, Kentucky. The CRMP is currently developing a new programmatic agreement for base operations. Fort Campbell has already begun coordinating with the KY SHPO, Tennessee State Historic Preservation Office, and ACHP to provide comments and suggestions regarding the development of a new Programmatic Agreement.

Inventory

Overview

Inventory of resources is a requirement under Section 110 of the National Historic Preservation Act. Under stipulations B.4 and B.6 of the *Operations Programmatic Agreement* (OPS PA), the CRMP must conduct a comprehensive inventory of archaeological sites and historic buildings. The CRMP maintains an extensive GIS database to keep track of archaeological sites, historic sites, historic buildings and cemeteries across the installation. This database organizes site information in a format that can be queried for various tasks, such as project review and assessment.

Historic Buildings

Historic Buildings are characterized by being at least 50 years old, or older, from the current year. Therefore, as buildings approach the historic year range, they will need to be evaluated for NRHP eligibility to fulfill requirements of Section 110 of the National Historic Preservation Act.

Historic buildings at Fort Campbell include facilities classified as World War II temporary buildings, residences originally constructed as part of the Capehart and Wherry Housing programs (Unaccompanied Personnel Housing) and structures that were used as Cold War weapons and ammunition storage. All of these buildings are more than 50 years old and are considered through nation-wide Program Comments that allows the demolition and alteration of these remaining building types at Fort Campbell.

Architectural Evaluations

Several architectural evaluations are currently in progress. Architectural evaluations are being completed by Thomason and Associates. Fort Campbell will submit ongoing reports to the KY SHPO upon completion.

Two (2) architectural evaluation reports were completed during calendar year 2016.

Title	Result	Date
<i>Architectural Survey and Evaluation of Five Off Post Bridges and Facilities, and Archaeological Survey of Building OM001 and Facility RRB49, Christian and Trigg Counties, Kentucky (Van Steen et al 2016)</i>	Sent August 1, 2016	No Response from SHPO (See Attached MFR)
<i>Historic Architectural Evaluations of Multiple Structures Fort Campbell, Kentucky (Thomason and Associates 2016)</i>	Concurrence on structure eligibility	October 28, 2016

Archaeological Investigation

Overview

According to the OPS PA, areas that have been heavily disturbed and/or unsafe for survey are excluded from further archaeological survey. These areas include the Cantonment Area and Impact Areas. Some areas that have been previously inventoried for archaeological resources are being resurveyed due to various oversights and other documentation discrepancies of previous work. As funding allows, more Phase I archaeological surveys and Phase II evaluations will continue at Fort Campbell.

Legacy Investigations

During calendar year 2016, five (5) separate reports were revised and sent to the KY SHPO for level of effort for the survey and concurrence with Fort Campbell's eligibility determinations. A list of legacy reports that were revised and forwarded to the KY SHPO are listed below.

Table 1. Legacy Reports sent between January 2016-December 2016

Title	Result	Date
<i>Management Report and Revision of an Intensive Cultural Resources Survey of 5,108 Acres within Selected Portions of Training Areas 4, 11, 13, 17, and 19, Fort Campbell Military Reservation, Montgomery County, Tennessee, and Christian County, Kentucky (Kovalchik 2015)</i>	Level of effort and concurrence on site eligibility	April 8, 2016
<i>Management Report and Revision of PCI's Delivery Order 6, Fort Campbell Military Reservation, Kentucky-Tennessee (Kovalchik 2015)</i>	Level of effort and concurrence on site eligibility	April 8, 2016

<i>Management Report and Revision of PCI's Delivery Order 6, Fort Campbell Military Reservation, Kentucky-Tennessee (Kovalchik 2015)</i>	Level of effort and concurrence on site eligibility	April 8, 2016
<i>An Intensive Cultural Resources Survey of 4,068 Acres within Selected Portions of the Fort Campbell Military Reservation, Montgomery and Stewart Counties, Tennessee, and Christian and Trigg Counties, Kentucky (Albertson, et al 1999)</i>	Sent June 29, 2016	No Response from SHPO (See Attached MFR)
<i>Management Report and Revision of Fort Campbell 9: A Report Documenting PCI's Ninth Intensive Cultural Resources Survey, Covering 3,715 Acres at Fort Campbell, KY-TN (Burt 2016)</i>	Sent November 1, 2016	No Response from SHPO (See Attached MFR)

Contracted Phase I Surveys and Phase II Site Evaluations

A Phase I archaeological survey is currently under contract with Fort Campbell. Phase I surveys are being completed in both Tennessee and Kentucky by New South Associates and Environmental Resources Group (ERG). Surveys are being performed for initial site and artifact detection for both Historic and Prehistoric archaeological sites. After receiving the draft report for these surveys, the CRMP will be forwarding to the appropriate SHPO for comments.

During the calendar year of 2016, three (3) survey and evaluation reports were sent to the KY SHPO for level of effort for the survey and concurrence with Fort Campbell's eligibility determinations. A list of all completed Phase I and Phase II reports are listed below.

Table 2. Phase I and Phase II Reports sent between January 2016-December 2016

Title	Result	Date
<i>Phase I Archaeological Survey of 303 Acres and Phase II Evaluations of Two Sites, Christian and Trigg Counties Kentucky (Gregory et al 2016)</i>	Level of effort and concurrence on site eligibility	May 2, 2016
<i>Phase I Archaeological Inventory of Four Training Areas at Fort Campbell, Christian County, Kentucky and Montgomery and Stewart Counties, Tennessee (Voigt et al 2016)</i>	Level of effort and concurrence on site eligibility	September 21, 2016

In-House Archaeological Survey and Evaluation

Fort Campbell Cultural Resources contract personnel also perform small scale Phase I archaeological survey and Phase II site evaluations. Phase I archaeological surveys are limited to five (5) acres in size, and occur on an as needed basis. These Phase II evaluations will be used to deliver eligibility recommendations to the SHPO on sites that have been recommended as *Potentially Eligible* by previous surveys. Survey information and site eligibility determinations will be forwarded to the KY SHPO upon completion.

During the calendar year 2016, one (1) Phase II evaluation report was completed and forwarded to the KY SHPO for comment and site eligibility determinations. In letters dated July 8, 2016

and December 9, 2016, the KY SHPO concurred with level of effort for the fieldwork and concurrence on eligibility determinations on the report (listed below).

Table 3. In-House Reports sent between January 2016-December 2016

Title	Result	Date
<i>National Register of Historic Places Phase II Evaluation of Three Sites on the Fort Campbell Military Installation, Christian and Trigg Counties, Kentucky (Stoimenoff-McMasters 2016)</i>	Concurrence with site eligibility, additional information requested regarding 16CH661 (See Section 106 Consultation Section)	July 8, 2016

Project Review

National Environmental Policy Act (NEPA) Review

Fort Campbell primarily uses internal NEPA review as a clearing house for all projects within the installation. A critical part of the NEPA process is reviewing projects for potential effects to historic properties.

Record of Environmental Consideration (RECs)

The Record of Environmental Consideration (REC) is an Army process for internal review of proposed projects in accordance with NEPA. The REC requires multiple disciplines to review projects to determine and comment on potential impacts.

The CRMP reviewed 143 REC documents in Kentucky, between January 2016 and December 2016. Most frequently, the proposed undertaking is reviewed internally, in accordance with the OPS PA. RECs usually have no effect to historic properties or can be modified, through coordination with the CRMP, by the proponent to avoid effects to historic properties. The CRMP completes a “*Cultural Resources Comment Sheet*” for all RECs. Comment sheets describe, in detail, how an effect determination was made. All comment sheets are digitally signed by the Cultural Resources Program Manager. All comment sheets are maintained at Fort Campbell and are available for review upon request.

According to Stipulation 2.a. of the OPS PA, the FTC-CRO staff may inspect small areas not adequately surveyed for archaeological materials to determine the level of disturbance and the likelihood of any significant archaeological sites are remaining. One (1) REC was reviewed under Stipulation 2.a. Fieldwork completed by the FTC-CRO is located in Attachment

A list of RECs reviewed and finalized by the CRMP is attached. RECs are labeled in fiscal years; therefore, fiscal years 2016-2017 will be listed. All of the REC documents listed in this section were determined to have *No Effect to Historic Properties*. RECs that required further Section 106 Consultation are highlighted within the list.

Table 4. RECS reviewed between January 2016-December 2016

REC #16	TITLE
23	Hopkinsville Water Environment Authority Modification
28	FY 16 Open Field Management
31	Repair Bldg 43
34	Install culvert in access road at entrance to gated compound - Bldg 7205
35	Install Antenna Tower (TACAN)
37	Construct 20'x20' concrete slab - BLDG 7237
40	FY1516 AR 5-10 Stationing Package Ft Campbell, KY
41	FY16 Relocatables Demo
42	FY17 Relocatables Demo
43	FY18 Relocatables Demos
44	-AR 5-10 Stationing Package Est Insider Threat Mission
46	Install Alternate Electric Feed Infrastructure At 160th Compound
47	Construct Youth Sports Complex - MOD
48	Mulch, Grub, Clear, Reseed Glide Slopes on North Side of CAAF
50	Mulch, Grub, Clear, and reseed earthen dams in the training areas
51	Mulch, Grub, Clear, and reseed area SW of CAAF for TACAN
52	Remove trees on SW side of CAAF
57	Replace chiller in building 7249
59	Replace Radar Site Building OM001
60	Remove condemned BLDG attached to Hanger 7156
64	Replace Flooring in Bldg 7269
65	Replace chiller at building 7038
66	Replace chiller at building 7069
67	Replace chiller at building 7073
68	Replace chiller at building 7082
69	Replace chiller at building 7185
70	Bulk Fueling Site Repairs
71	Oasis Fueling Site Repairs
73	Repairs to Fire alarms and sprinkler systems - Post wide
74	52nd Street Repair Market Garden to Wickham
76	MOD of HVAC System, Building 3958, Conference Room
77	Tennessee & 42nd Improvements
81	Perform Energy and Water upgrades on 160th SOAR Bldgs
82	Replace Air Handling Unit Guenette Woodcraft Shop
84	Reset of Building 2700 - 101HHB

85	Construct 160 SOAR Gunnery Static Training Pad at CAAF
86	Roofs of buildings 7262, 7263, 7268, 7277
87	AR 5-10 Stationing Package for FY17 Network Enterprise Center (NEC)
88	AR 5-10, SMB 16-068, FY16 USA MEDCOM WTU
90	Weed Control KY Spring 2016
93	Underground Storage Tank Removals
101	Repair 22 Roofs
103	Repair Water Infiltration Bldg. 7246
105	Convert Manchu Wok-Anthony's Pizza to Boston Market-Q'Doba - Bldg 2840
107	FY17 Timber Stand Improvement with chain saws no herbicide
109	FY17-3 Stationing Action - Realignment
110	Replace existing Boilers and Piping, install Radiant Heaters
112	Contract to Demolish Masonry and Concrete Buildings
114	Remove trees in along post boundary CAAF
117	Design and Build Re-Purpose Bldg 3717
119	Jones Hangar Renovation
122	FY16 Relocatables COCOON Smart Shelter near Bldg 7138
124	Enlarge Swing Doors Bldg 7269
127	Construct 160th SOAR Aviation Wash Rack
129	Raptor Use to Control Nuisance Birds
130	Remove and replace carpeting Bldgs 2703 and 7146
132	Tool Room Expansion Building 7264
133	Relocate Guard Shack at Perimeter Road, Building 7227
134	Repurpose Briley Hall - Bldg 7246
136	Renovate restrooms in building 6916
139	Infantry Platoon Battle Course
143	AMP, Phase 2 (61 Bldg MILCON FY08-14)
145	Repairs at RG29 MOUT Site
148	Construct Playground
149	Bldg. 3411 Water Intrusion Repairs
151	SMB 160-120, AR 5-10 Insider Threat
152	ITAM FY16 and FY17 Herbicide Management-Aerial Application
153	Bayonet Course Stormwater Repair
154	Construct approx. 0.5 mi segment of Soldier & Family Fitness Trail
155	Mechanical removal of woody materials

156	Replace deck on Bridge 06676 to support MRAPs
157	Family Life Center - Renovation of Bldg 3106
160	Bldg. 7164 HVAC & Restroom Repairs
161	Bldg. 71004 & 71005 Air Shower Support
162	Construct Pre-Ranger Planning Bays Camp Hinsch
163	Boundary Survey Markers for ACUB conservation easement project adjacent to TAs 16 & 26
165	FY 16 Prescribed Fire Management
168	BLDG 71005 Restroom Expansion
170	160th SOAR Family Organizational Day
171	Storm Damage Road Repair Work
172	FCHS & Mahaffey MMS Bleacher Replacement
173	Replace Roof Trop Gas Pack Unit, Building 7121
174	Bldg 7137 - Replace Fuel Lab HVAC
175	Potable Water Well IVO Range 51
176	Power line right of way tree removal Phase 1
177	Maneuver Trail Maintenance Reconfiguration - Firing Point 43J
183	Maneuver Trail Maintenance Reconfiguration - Firing Point 42B
184	Maneuver Trail Maintenance Reconfiguration - Firing Point 42F
185	Maneuver Trail Maintenance Reconfiguration - Firing Point 42H
186	Maneuver Trail Maintenance Reconfiguration - Firing Point 43B
187	Install Marking and signs at low water crossing sites
188	Marquee signage replace (6) existing and design 17 new
190	Hawthorne Services Lease Renewal - (COCO) aviation fuel storage and issue site
191	Bldg 7150 Install New Gate
192	RG 29 Low Water Crossing Repair
193	Remove timber debris under designated bridges and chipgrind residue
194	Repair fence at Range 51 - Buckner Trail Storm Damage
195	Construct Security Fence and Turnstile at CAAF Air Traffic Control tower
197	Repair storm damage on Nightstalker Way - Bridge BR056
198	BLDGS 7244, 7255, 7286, 7287 & 7288 Water Erosion Repairs
199	Repair Storm Damage on TOC Contract
200	Maintain, Repair, Gravel, Hard Ball Roads and Culverts on FTC
201	Reconfiguration of Bldg 6923
202	Asphalt repairs for DoDEA schools
203	Mowing of open fields-post grinding
204	Trim Overhead Limbs on Railroad KY

210	Demolition of Paint Booth
211	Barkley School Demolition
214	Wassom School Demolition
218	Artillery Rd Storm Damage Repair
219	AR 5-10, SMB 16-106 TRADOC
220	Construct concrete drive at BLDG 6563
225	WiFi Access Points - Bldg 6254
234	Building 07164 - Water Intrusion
238	Pass Back AGSE Storage (RUBB Structure)
239	Bastogne Clubs
251	FY 17 FRP DEMO Unaccompanied Personnel Housing (UPH) Bldg's
253	AMP, Phase 3 (141 Bldg, down to 10 KSF)
REC # 17-	Title
4	Maintenance of Detention Basins
5	Replace deck on Bridge 06674 to support MRAPs
8	FY17 Timber Sales
10	Construct Physical Security Door - Bldg 3222
23	Replace chiller at Bldg 6801
24	SOF Bldg. 6225 Renovation
28	BLDG 3066 & 6261 Seal Exterior Walls
29	Maintain Right - of - Way Maintenance on Ft. Campbell Military Installation
30	Inclement Weather Maintenance
31	Mowing Improved Grounds
35	Replace Loading Docks at Bldgs. 7130 and 7132
36	Hammerhead Barracks to Admin Conversion - BLDG 6733
39	Patton Road Culvert Replacement
40	Improvements to Building 6202
42	BLDG 3221 Remove Pond Plant Material & Plant Grass
45	Tree Trimming and Storm Debris Removal
47	BLDG 3701, 6083, 6084, 6202, 6757, 6856 & 7036 Waterproof Exterior Block
48	Demolish Overhead Protection Bldg 6418
49	BLDG 3701, 6083, 6084, 6202, 6757, 6856 & 7036 Waterproof Exterior Block
50	Demolish Access Control Facility Bldg 6249
51	BLDG 6997 Reset
52	BLDG 6548 Install Six (6) 220 Outlets

Individual Section 106 Consultation

Under Stipulation C.2 of the OPS PA, when undertakings are not exclusively reviewed by Fort Campbell personnel, individual Section 106 consultation, per 36 CFR 800, with the KY SHPO must be performed before an undertaking can proceed. When a Section 106 Consultation is completed, it is forwarded to the SHPO for concurrence with the Army effect determination.

The CRMP completed eight (8) formal Section 106 consultations with Kentucky. Eight (8) formal Section 106 consultations for Kentucky were determined to have *No Adverse Effect to Historic Properties* or *No Effect to Historic Properties*. A list of individual Section 106 Consultations completed is located in Table 5 and Table 6.

Table 5. Section 106 Consultations sent between January 2016-December 2016 (REC Related)

REC #	Title	Result	Date of Concurrence
REC 15-186	Construct ROCA at RNG 42	No Adverse Effect	March 21, 2016
REC 16-090	Weed Control KY Spring 2016	No Effect to Historic Properties	June 29, 2016
REC 16-133	Relocate Guard Shack at Perimeter Road, Building 7227	Sent June 21, 2016	No Response from SHPO (See attached MFR)
REC 16-149	Bldg. 3411 Water Intrusion Repairs	Sent June 21, 2016	No Response from SHPO (See attached MFR)
REC 16-155	Mechanical Removal of Woody Materials	No Effect to Historic Properties	August 30, 2016
REC16-157	Family Life Center-Renovation of Bldg 3106	Sent June 29, 2016	No Response from SHPO (See attached MFR)

Table 6. Section 106 Consultations sent between January 2016-December 2016 (REC Related)

Title	Result	Date of Concurrence
Gas Line Environmental Assessment Consultation	Sent November 30, 2016	No Response from SHPO (See Attached MFR)
15CH661 No Adverse Effect Follow Up Report	Concurrence with Site Eligibility	December 9, 2016

Tennessee One Call

The Tennessee One Call is an automated system to serve as a notification for any underground digging that will occur on the installation, in both Tennessee and Kentucky. This automated system notifies callers of any underground utilities buried within the project area. The CRMP receives automated Tennessee One Calls tickets, via email, referencing geographical locations for review for potential impacts to cultural properties. Most Tennessee One Calls are placed for repair and/or maintenance to utility lines and television satellite installation. The CRMP reviewed 3,035 Tennessee One Calls in 2016, all of which were determined to have *No Effect to Historic Properties*.

According to Stipulation 2.a. of the OPS PA, the FTC-CRO staff may inspect small areas not surveyed for archaeological materials to determine the level of disturbance and the likelihood of any significant archaeological sites are remaining. One (1) Tennessee One Calls, in Kentucky, were reviewed in accordance with Stipulation 2.a. The results of this fieldwork are located in attachment 1.

Formal Correspondence

The CRMP also developed formal correspondence packages with the KY SHPO regarding activities not covered through REC documents or Section 106 Consultations. These projects include management documents, project updates and notifications. Formal correspondence sent to the KY SHPO during the calendar year 2016 is listed below.

Table 7. Formal correspondence sent between January 2016-December 2016

Title	Result	Date of Concurrence
<i>Amendment extending Programmatic Agreement for Operation, Maintenance and Development</i>	Signed	

Parrish House: Remedial Actions

In May and August 2014, Fort Campbell consulted with your office regarding renovations to the Parrish House, a National Register of Historic Places *Eligible* property. The inadvertent discovery is detailed in the document entitled *Inadvertent Discovery: Parrish House Renovations* (sent to the KY SHPO on February 12, 2016.)

In a letter dated May 13, 2016, Fort Campbell notified the KY SHPO offices of several remedial actions regarding the renovations that were completed outside of those discussed in previous Section 106 submissions to the KY SHPO Office. In a letter dated, August 31, 2016, the KY SHPO recommended an Adverse Effect finding for the project. To mitigate the Adverse Effect, all original moldings will be repaired and electrical lines will be modified based on preserving as much historic fabric as possible. Fort Campbell is currently preparing a plan and timeline for mitigation activities. Through coordination with Fort Campbell, it was determined that a wireless fire alarm system was prohibited from use in the building. Before mitigation actions are implemented, plans and timeline will be sent to the KY SHPO once completed. The KY SHPO will be consulted accordingly during this process.

Scout RECCE Range Completion

On May 31, 2012, the *Memorandum of Agreement Between the United States Army Garrison Fort Campbell and the Kentucky State Historic Preservation Officer Regarding the Development of a Scout RECCE Range at Fort Campbell, Trigg County, Kentucky* was signed by the KY SHPO. This MOA was created in response to the construction of a training range that will have an *Adverse Effect* on historic properties. The MOA included stipulations for completion of a documentary video, a reconditioned webpage for cultural resources at Fort Campbell, and a traditional technologies class presented for military personnel. All MOA stipulations have been completed. A summary report will be provided to the KY SHPO upon completion.

The documentary, entitled “Barrens of Fort Campbell,” is currently being hosted online by Kentucky Education Television (KET) at <https://www.ket.org/episode/KBARR%20000000/>

The documentary was broadcast on KET on November 2, 2016, KETKY on November 17, 2016 and on KET 2 on December 30, 2016.

The new reconditioned webpage for cultural resources is located at <http://www.campbell.army.mil/Installation/Pages/Cultural-Resources.aspx>

Adverse Effect: 15TR257

In March 2013, the KY SHPO and ACHP were notified of an *Adverse Effect* to archaeological site 15TR257. In a letter dated April 25, 2013, the KY SHPO determined that site 15TR257 is Eligible for listing on the NRHP and that the impacts to the site constitute an *Adverse Effect*.

In response to *Adverse Effect*, Fort Campbell is currently developing management strategies, in coordination with the KY SHPO, for inclusion in the new Programmatic Agreement for monitoring *Historic Properties* and all sites with human remains. The monitoring program will include all *Historic Properties* and sites with human remains once per year. All *Potentially Eligible* or unassessed sites will be monitored on a five (5) year rotation.

Actions Not Reviewed by CRMP

On October 24, 2016, the Environmental Division Forestry Supervisor contacted the CRPM regarding tree clearing along Artillery Road, near the boundary of the installation, to Range 29 (Trigg County, Kentucky). The tree trimming exceeded routine maintenance of the powerline and utility right-of-way. Work was completed by the Roads and Grounds Branch of the Directorate of Public Works. Dr. Katherine Burnett, Ph.D., RPA, contract archaeologist,

investigated the cleared area to obtain a GPS boundary around the area of disturbance and to ensure no accidental disturbances to archaeological sites or cemeteries had occurred.

After identifying where tree clearing had occurred, the CRPM determined that the area had been adequately surveyed for archaeological resources, and that there were no *Historic Properties* within the cleared area. There were no archaeological sites or cemeteries impacted by the current clearing. This action was determined to have *No Effect to Historic Properties*.

The action was completed by Fort Campbell personnel that did not follow established environmental review. The project would have been reviewed internally, under the OPS PA, and approved by the CRPM as having *No Effect to Historic Properties*. Fort Campbell is continuing to develop internal controls to ensure proper environmental review is completed before projects are implemented. Additionally, stricter controls are being developed to ensure that work does not exceed previously reviewed project footprints.

Public Outreach

Between January 2016 and December 2016, the CRMP staff has organized and participated in several programs to promote the awareness and stewardship of cultural resources at Fort Campbell. CRMP staff attended Fort Campbell's annual Earth Day in April 2016. The CRMP staff displayed artifacts from the teaching collection and also had mock excavating activities for the public.

In September 2016, the Cultural Resources Program Manager attended the 2016 Cherokee Archaeological Symposium, in Cherokee, North Carolina. During the symposium, the documentary "Barrens of Fort Campbell," was shown.

Conclusion

With the pending update of the Programmatic Agreement and implementation of the ICRMP, the CRMP can foster consistent and appropriate methods for cultural resource management. The CRMP will be coordinating with the KY SHPO on Programmatic Agreement updates and ongoing archaeological investigation. The Fort Campbell Cultural Resource Management Program hopes for continued improvement and efficiency in the management of cultural properties within the installation boundaries

DEPARTMENT OF THE ARMY
HEADQUARTERS, UNITED STATES ARMY GARRISON, FORT CAMPBELL
39 NORMANDY BOULEVARD
FORT CAMPBELL, KENTUCKY 42223-5617

January 20, 2017

Office of the Garrison Commander

Mr. Craig A. Potts
Kentucky Heritage Council
State Historic Preservation Office
300 Washington Street
Frankfurt, KY 40601

Dear Mr. Potts:

In accordance with Stipulation (J.1.a.) of *Programmatic Agreement Among the United States Army, The State Historic Preservation Officer of Kentucky and the State Historic Preservation Officer of Tennessee regarding the Operation, Maintenance, and Development of The Fort Campbell Army Installation at Fort Campbell, Kentucky* (Effective January, 2009) an annual report of all Army projects and activities carried out in the Kentucky portion of Fort Campbell, and reviewed by the Fort Campbell Cultural Resource Management Program (CRMP), must be submitted to the Advisory Council on Historic Preservation, Installation Management Command-Readiness and the Kentucky State Historic Preservation Office. The following report includes a list of projects and activities that have been reviewed for possible effects to historic properties, a determination of those effects, a summary of mitigation and/or treatment measures, and a summary of consultation activities performed by the CRMP in Christian and Trigg Counties, Kentucky for calendar year 2016.

It is the determination of the US Army that this report meets the requirements of Stipulation (J.1.a) of the aforementioned agreement for calendar year 2016. Please accept the enclosed annual report as meeting compliance with Stipulation (J) of the aforementioned agreement.

If you have any further questions, regarding this matter, please contact Mr. Ronald Grayson, Cultural Resources Program Manager at ronald.i.grayson.civ@mail.mil, or telephone 270-412-8174.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Salome', written over the printed name.

James R. Salome
