

Our Services:

Pursuant to Army Regulation 27-20, the mission of the Carlisle Barracks Claims Division is to process, investigate, adjudicate and negotiate the settlement of non-contractual claims on behalf of and against the Army filed at Carlisle. As shown below, these types of claims include personnel claims, tort claims, and affirmative claims.

If you are unsure whether your claim can be processed by this office, feel free to contact us at 717-245-3242. Please remember that we cannot assist anyone in filing a claim against the government, but we can give you the necessary forms to fill out.

Personnel Claims: These are administrative claims by military personnel and Department of the Army civilians for losses incident to service. Personnel claims include claims for damage to household goods during a PCS move, POV transportation damage, on-post POV theft, vandalism, on-post quarters damage, and other unusual occurrences. **** Personal Claims must be filed with the branch of service you are in.**

Effective 5 JULY 2017, Personal Claims, including Household Good losses/damages during shipment go directly to the Center for Personnel Claims Support (CPCS), Fort Knox, Kentucky.

Tort Claims: These are administrative claims made by anyone against the United States Government for loss or damage caused by a government employee acting in the scope of their employment. These claims can be filed under either the Federal Tort Claims Act or the Military Claims Act. Please **click here for more information about tort claims** or **here for the SF 91 (Motor vehicle accident report)** or **here for the SF 95 (Claim for damage, injury or death).**

Affirmative Claims: Pursuant to the Federal Medical Care Recovery Act, these are claims brought against third parties who have injured military personnel and/or their dependents due to their negligence. The purpose of these claims is to help the Government recover the cost of the medical treatments provided to Soldiers or their dependents at either a medical treatment facility or a civilian hospital using TRICARE. For more information about affirmative claims, **please click here.**
