GREETINGS FROM THE GARRISON CHAPLAIN

Welcome to the U.S. Army War College Memorial Chapel! Whether you are here at Carlisle Barracks for the year of War College or as permanent party, we hope you and your family find ways to "put down roots" so that you leave here richer, stronger, and ready for the next chapter in life. We encourage you to find ways to connect and engage, making the most of your time here.

The chapel community is here to be a part of your experience at Carlisle Barracks. The beauty of the chapel is that we all share the common aim of living out our faith within the military. We understand what it means to come in quickly, make connections, build relationships, engage in community and then find your family on the move again. Our focus is on relationship...*intentional relationship* with God and intentional relationships with one another. Making the most of the time we have here together, desiring to build a community where we can grow in our faith, encourage one another, and "do life" together.

We invite you to join us as we seek to connect and build community Sunday mornings in worship, along with events throughout the week. Take a moment to explore the many programs and fellowship opportunities offered through the chapel. Engage as much as you are able. There's lots of room for your family to learn, grow, and share. There is a place to find the support and encouragement you need. There are chaplains, ministries, friends, and neighbors waiting to welcome you and walk alongside you in this season. We look forward to the opportunity to grow and do life together with you and your family!

Blessings to you and your families!
