TRANSITION AND EMPLOYMENT

The Transition and Employment team directly assists transitioning service members, veterans of all eras, and their family members in gaining employment. The team emphasizes support for spouses.

HEALTH AND WELLNESS

Health and Wellness services include individual, group, relationship counseling, no-cost therapeutic retreats, alternative therapies, and suicide prevention. Services are confidential and open to all, regardless of discharge status.

MILITARY, VETERAN, AND FAMILY SERVICES

The Military, Veteran, and Family Services team offers a hand-up to veterans, the military community, and their families experiencing challenges such as food insecurity, housing, and financial wellness.

GREET AND CONNECT

Not sure who to call? The Greet & Connect team is ready to connect you with services and resources. Let us know how we can help, and we'll make sure to match your needs with the right support.

VETERANS BUSINESS OUTREACH CENTER

If you are an aspiring entrepreneur or small business owner seeking to start, grow, expand, or recover your business, our Veterans Business Outreach Center (VBOC) is your one-stop shop for training, counseling, resource partner referrals, and more.
