**MEMORANDUM FOR ALL CONCERNED**

**SUBJECT: Memorandum of Agreement for Accountability of Lensatic Compasses**

1. Lensatic compasses are available for short term loan through the Training Support Center (TSC) for Land Navigation training only.
2. These items are no longer available for the TSC to purchase. Therefore, if a unit loses one, or damages one to where it is no longer serviceable, the normal process of completing a FLIPL or Statement of Charges will not result in the replacement of the compass.
3. This Memorandum of Understanding is between the unit commander and the TSC on agreement that if a compass is lost or damaged beyond repair, the unit signing for the compass will purchase replacement(s) for each lost/damaged compass. Without this memorandum, the TSC cannot loan compasses.
4. POC this memorandum is the undersigned at [william.l.january.civ@mail.mil](mailto:william.l.january.civ@mail.mil) or 719-526-2950.
