

Guest and Visitor Access

Fort Carson, Colorado Directorate of Emergency Services

Automated Installation Entry System (since March 2023)

1. New equipment
2. New Software
3. New Processing
4. MUCH FASTER! MUCH MORE CONVENIENT!

BE PREPARED TO HAVE YOUR ID SCANNED, HELP KEEP TRAFFIC FLOWING

- **Trusted Traveler Privilege is not in effect at Fort Carson!**
- ****PREREGISTRATION SPEEDS PROCESSING THROUGH THE GATE! (w/in 30 days of planned visit) DL is the pass.**
- Pre-register for an Installation Access Pass at <https://pass.aie.army.mil>.
- **After an applicant receives a positive text;** “your pre-registration has been approved.”, the applicant may then present their ID at any gate for installation access. Only one application or pass per visitor is allowed in the system.
- If an applicant is denied or receives an “aborted,” please contact the Visitor Control Center (immediately following the negative message for best results) at (719) 526-2332 to discuss your situation.
- ****Recommended everyone register you DL with the system.**
- For more information about Fort Carson please visit <https://home.army.mil/carson/index.php/about/visitor-information>
