Media Opportunity **Abrams Elementary School holds beam signing ceremony**

FORT CARSON, Colo. — Fountain-Fort Carson School District 8 (FFC8) will host a beam signing ceremony for the district's newest elementary school, Abrams Elementary, Sept. 11 at 8 a.m. on Fort Carson.

The beam signing event signifies the completion of the new school's steel frame and will afford current FFC8 students and faculty the opportunity to leave their mark on the new school structure.

The signed beam will be permanently placed within the new school, symbolizing the strong foundation of community, partnership, and education.

The school, which will replace the current Abrams Elementary building, is expected to open during the 2025-2026 school year and will provide state-of-the-art facilities designed to enhance learning for military-connected students.

Media interested in covering the event should RSVP no later than 4 p.m. Tuesday by responding directly to this email or by contacting the Fort Carson Garrison Public Affairs Office at (719) 526-4143.
