FOR IMMEDIATE RELEASE

Public Service Announcement

4ID to conduct noise-generating training

FORT CARSON, Colo. – Soldiers from the 2nd Stryker Brigade Combat Team, 4th Infantry Division, will conduct Howitzer low and high-angle fire training intermittently on Fort Carson Feb. 23 through March 13.

An increase in noise and dust can be expected during the day and throughout the night south of main post.

The training is required to validate field artillery crews and is a regular part of the 2SBCT's training cycle.

Fort Carson is dedicated to being good neighbors and will continue to inform the public about training events that may affect surrounding communities. We will continue to listen to our community and work through any noise issues that may arise. We strive to balance our training requirements with respecting our neighboring communities.

Noise complaints should be directed to the Fort Carson Public Affairs Office at 719-526-9849.

For more information contact the Fort Carson Public Affairs Office at 719-526-7525. After hours, please contact the 24-hour Fort Carson Operations Center at 719-526-5500 and ask for the On-Call Public Affairs Officer.
