

HEATHEN AMERICAN VETERANS ASSOCIATION

HAVA

Do you follow the path of Heathenry, also known as Norse Paganism? If so, we invite you to join HAVA, a DoD recognized Heathen kindred. Based out of Camp Humphreys, South Korea, we are proud to count over 250 members in our global, vibrant community. We now have a growing community at Fort Carson, Colorado!

We gather to honor the Old Gods, celebrate our ancestors, and carry forward the rich traditions of our forebears. Together, we create a space for shared learning, communal rituals, and a fellowship rooted in mutual respect and understanding.

Our kindred is not just a group, but a family that celebrates the ancient traditions and divine wisdom. Together, we honor the gods, pay tribute to our ancestors, and uphold our proud Heathen heritage. Hail the Gods, hail the Ancestors, and hail the Vaettir!

Come, join us on this journey of exploration and fellowship, as we delve into the mystic wisdom of Northern tradition, and bring the old ways into our modern lives. In unity, in honor, in faith, we stand strong. We look forward to welcoming you to our kindred.

We cordially invite you to reach out to us through Facebook (icon on the right). For immediate response, please feel free to give us a call or text at 904-651-0565. We pride ourselves on fostering a dynamic, warm, and inclusive community here at Fort Carson!
