- Buildings 7493 and 7494 Asphalt Parking Lot and Sidewalk Repair
- Building 1140 Asphalt Parking Lot and Sidewalk Repair
- Building 2132 Asphalt Parking Lot Repair

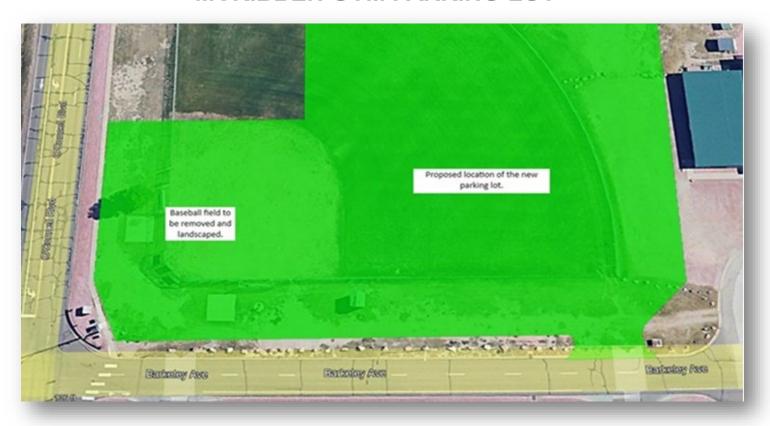

As of September 19, 2025

#### MCKIBBEN GYM PARKING LOT

- DPW contractors are constructing a new parking lot southeast of the baseball field and in front of McKibben Gym. The baseball field will be removed and landscaped.
- Under construction with an estimated completion in October 2025. (Dates are subject to change.)

#### AIRFIELD ROAD PAVING

- DPW contractors will pave existing aggregate portion of Airfield Road that intersects into the west side of Butts Road.
- The project is scheduled to begin construction in October of 2025 and be completed in late fall 2025. (Dates are subject to change.)

#### WILDERNESS ROAD PAVING

- DPW contractors are repairing the asphalt pavement on Wilderness Road from the traffic circle at Butts Road to Tank Trail Bravo.
- The project is underway and is scheduled for completion in late fall 2025. (Dates are subject to change.)

#### SOUTH BARKELEY AVENUE ASPHALT REPAIR

- DPW contractors are repairing the asphalt pavement on Barkeley Avenue between Prussman and Titus boulevards.
- The project is underway and will be completed November 2025. (Dates are subject to change.)

# O'CONNELL INTERSECTION INCLUDING NORTH MAGRATH AND NORTH BARKELEY ASPHALT REPAIR

- DPW contractors will repair the asphalt pavement on North Magrath and Barkeley avenues as well as the intersection at O'Connell Boulevard. This will also include upgrading the traffic lights at O'Connell Boulevard.
- The project is scheduled to begin in fall 2025 and be completed in spring 2026. (Dates are subject to change.)

# O'CONNELL BOULEVARD ASPHALT REPAIR FROM SPECKER TO NELSON BOULEVARDS

- DPW contractors will repair the asphalt pavement on O'Connell Boulevard from Specker Avenue to Nelson Boulevard. O'Connell Boulevard will have one traffic lane open during the project.
- The project is scheduled to begin construction in late September 2025 and be completed in late fall 2025. (Dates are subject to change.)

#### NELSON BOULEVARD AND HARR AVENUE ASPHALT REPAIR

- DPW contractors will repair the asphalt pavement on Nelson Boulevard from Gate 1 to Chiles Avenue, as well as on Harr Avenue from Nelson to Titus boulevards. This will also include the parking lots at the Visitor Center and building 1500.
- The project is scheduled to begin in September 2025 and be completed in spring 2026. (Dates are subject to changes)

## GARRISON HEADQUARTERS PARKING LOT REPAIR AND IMPROVEMENT

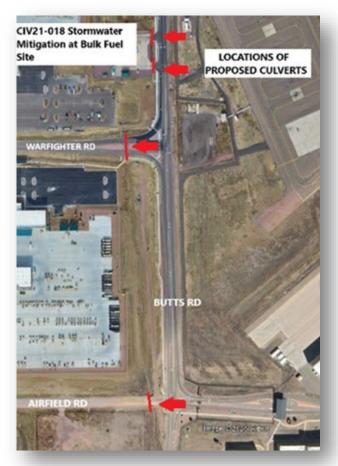

- DPW contractors are repairing and connecting the asphalt parking lots at Garrison Headquarters (buildings 1118 and 1117) to include access/egress improvements with two phases to minimize impact to accessing buildings.
- The project is underway is scheduled for completion in late fall 2025. (*Project dates are subject to change.*)

### STORMWATER MITIGATION AT BULK FUEL SITE

- DPW contractors are installing new culverts at the Bulk Fuel site, Warfighter Road and Airfield Road to mitigate stormwater drainage issues. Traffic closures will be announced and publicized in advance.
- The project is underway with an estimated completion in fall 2025. (Project dates are subject to change.)

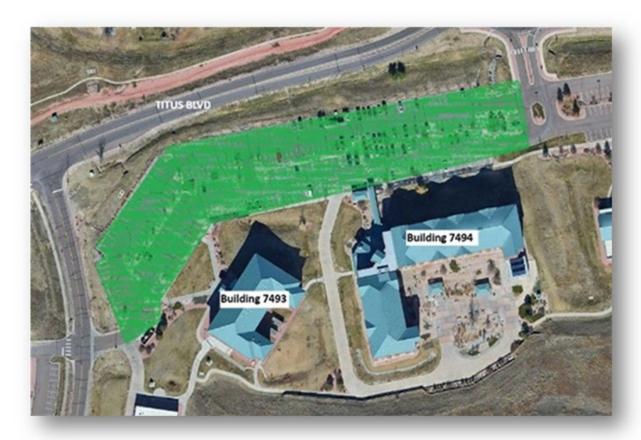

### **BUILDINGS 2355, 2357 AND 2359 ASPHALT PARKING LOT REPAIR**

- DPW contractors will repair the asphalt parking lots at buildings 2355, 2357, 2359 and Smith Road between Titus Boulevard and Quinn Street to include curb and gutter work. Traffic closures will be announced and publicized in advance.
- The project is scheduled to begin construction in fall 2025. Completion dates TBD. (Dates are subject to change.)

#### BUILDINGS 7493 AND 7494 PARKING LOT AND SIDEWALK REPAIR

- DPW contractors will repair the asphalt parking lots at buildings 7493 and 7494, to include curb and gutter work, in two phases to minimize impact to accessing buildings.
- The project is scheduled to begin in late fall 2025 and be completed in spring 2026. (Dates are subject to change.)

#### BUILDING 1140 ASPHALT PARKING LOT AND SIDEWALK REPAIR

- DPW contractors are repairing the asphalt parking lots at building 1140, to include curb and gutter work and parking lot access geometry.
- The project is under construction and will be completed in late fall 2025. (Dates are subject to change.)

#### **BUILDING 2132 ASPHALT PARKING LOT REPAIR**

- DPW contractors are repairing the asphalt parking lot at building 2132, to include curb and gutter work.
- The project is under construction and will be completed in late fall 2025. (Dates are subject to change.)
