# CHRISTMAS ANGEL TREE

Friday, December 19th

We are still accepting gifts for Families that have registered to be part of our Angel Tree Distribution. These gifts will go to Families who registered to receive a gift from Santa for their children, ages 0 to 13 years old.

To take part please select an angel from the Camp Walker Chapel Angel Tree display, or just bring in a gift and we will ensure it makes it to a child. All gifts are to be turned into the USAG-Daegu Deputy Garrison Chaplains office no later than 15 December 2025.

All gifts must be new and wrapped upon delivery! The Angel you selected must be tapped to the package, allowing us to deliver it to the proper child. If bring in a general gift please have it wrapped and place the gender and age range on the package

For any questions please contact the USAG-DAEGU RSO

**WHAT is ASACS?**

ASACS stands for Adolescent Support and Counseling Services. We are a value added school and community based therapy program providing clinical counseling and mental health services ON SITE in DoDEA schools. We provide not only educational prevention, but also clinical based services that are HIPPA confidential for students in grades 6-12. Enrollment for clinical services required for clinical mental health counseling.

**Counseling Services**

ASACS clinicians help students and families gain personal insights, develop strategies, come up with real-life solutions to problems and challenges they face in **every** area of life. Comprehensive psycho-social assessments provided for individual, family, group therapy. Therapy services also provided for alcohol and drug use and address other mental health concerns.

**Other ASACS Services**

As trained credentialed professionals, ASACS provide students mental health therapy by building safe, positive relationships, suggesting tools and techniques they clinically deem benefit clients. Classroom education also provide improvement in overall teen functioning, whereas, parent workshops increase parent-child cohesion, family unity, and trauma recovery. Group counseling further supports students by addressing specific populations and mental health topics within school settings. ASACS coordinate with youth-focused agencies to collaborate support for teens.
