

Solid Waste Program

- Separate the wastes by the category: i.e. paper, plastic, aluminum, glass.
- Empty and rinse out cans, bottles and containers prior to putting them into the recycling containers.
- If no recycling dumpster, bagged items may also be placed in the trash dumpsters to help USAG Daegu's reportable diversion rate, but the base doesn't earn revenue when recyclables are trashed.

On-Post Residents Only

1. Left over household cleaning supplies and fluorescent bulbs can be donated to the **Self Help Store** located at
Camp Walker Building T-466 @ 763-5525
Camp Carroll Building S-325 @ 763-2177
2. Personal furniture/electronics can be disposed of by contacting the **DPW Engineering Division** located at Camp Henry
@ 763-4862 or 763-4867
POC: Mr. Pak, Se Tok.
3. Disposal of hazardous wastes/cell batteries/laptop batteries/used fluorescent bulbs/household batteries should be coordinated with the **DPW Environmental Division** located at Camp Carroll
@ 763-2195 / 010-9360-0647,
POC: Mr. Kim, Hak Kyun,
E-mail: hakkyun.kim2.ln@mail.mil
