

Road Conditions

Green	Road Conditions Area Normal
Amber	Military vehicles, other than those required for essential business, will not be driven on roads. O-3/GS-10 or above may authorize usage for essential business on and off post. POV Owners need to use extreme caution and are encouraged to observe the rules established for military vehicles.
Red	Military vehicles, other than emergency/essential business, will not be driven. O-5 / GS-13 or above may authorize usage for business that can not be postponed without jeopardizing military requirements. Snow chains or similar devices will be used.
Black	All U.S. Government vehicles are prohibited from movement. Commanders O6 and above must personally authorize the use of emergency vehicles after the appropriate risk assessment and mitigation actions are considered. Snow chains or similar devices are required. No waivers are authorized.
