3. This policy applies to USAG Daegu Soldiers/KATUSAs, DAC Employees, Contractors, Local National Employees, and Family Members.
4. OPSEC protects sensitive and/or critical information from adversary observation and collection in ways that traditional security programs cannot. While these programs, such as Information Assurance (IA), protects classified information, they cannot prevent all indicators. It also determines when that information may cease to be critical in the lifespan or an organization's specific operation.
5. OPSEC awareness and execution is crucial to USAG Daegu success. OPSEC is applicable to all personnel, missions and supporting activities on a daily basis. OPSEC denies adversaries information about friendly capabilities, activities, limitations, and intentions that adversaries need to make competent operational decisions. It applies to all USAG Daegu activities and is required during training, sustaining, mobilizing, preparing for, and conducting operations, exercises, tests or daily activities.

6. Securing classified information is well understood and enforced. However, everyone must understand that sensitive unclassified information needs protecting and denied to our adversaries. Small bits of information are fused together to reveal a larger picture. USAG-Daegu Critical Information List (CIL) is unclassified information that needs protecting from unauthorized disclosure. See your local OPSEC officer or the DPTMS to obtain a copy of the CIL.

7. USAG Daegu Soldiers/KATUSAs, DAC Employees, Contractors, Local National Employees, and Family Members, must protect both classified and sensitive unclassified information that potentially be exploited by our adversaries. We must make OPSEC a priority and integrate OPSEC practices into our daily activities.

8. The successful enforcement of OPSEC procedures will prevent serious injury and possibly death of USAG Daegu members; damage to our key infrastructures; or loss of critical technological capabilities.

9. Punishment can occur when military personnel who fail to comply with these orders, directives, or policies as violations of a lawful order under Article 92 of the Uniform Code of Military Justice (UCMJ) or under other disciplinary, administrative, or other actions as applicable.

10. Personnel not subject to the UCMJ who fail to protect critical and sensitive information from unauthorized disclosure may be subject to administrative, disciplinary, contractual, or criminal action.

11. Any questions regarding this policy notify, USAG Daegu, DPTMS OPSEC Officer, at 763-6684.
