## ***TDY Options for Schooling in Conjunction with PCS***

- ✓ CONUS enlisted Soldiers selected to attend Airborne Training, Recruiter school, or Drill Sergeant school TDY in conjunction with PCS are not authorized to move Family members, household goods, or execute any portion of their PCS entitlements prior to graduating from training.

## *Married Army Couples Program*

### References:

- AR 612-201 (Initial Military/Prior Service Trainee Support)
- AR 614-100 (Officer Assignment Policies, Details, and Transfers)
- AR 614-200 (Enlisted Assignments and Utilization Management)

- ✓ Married Army couples desiring joint assignment to establish a common household or joint domicile (JD) must request such assignment by enrolling in the Married Army Couples Program (MACP).
- ✓ Soldiers who marry during or after advanced individual training (AIT) and have not proceeded to their first unit of assignment and who desire a JD with their spouse, must enroll in the MACP. When enrolled, the Soldiers will be automatically provided JD assignment consideration.
- ✓ When a Soldier enrolled in the MACP is considered for reassignment, the other Soldier is automatically considered for assignment to the same location or area, except when one Soldier is assigned to a dependent restricted location.
- ✓ Enrollment in the MACP only guarantees Joint Domicile (JD) assignment consideration; it does not guarantee that the couple will be assigned together.
- ✓ Favorable consideration for JD assignment will depend on a valid requisition in the same area for both Soldiers and is subject to the needs of the Army. JD assignments will not be considered when one Soldier is attending school in a PCS status; however, consideration will be given upon school completion.
- ✓ Assignment instructions for each Soldier will indicate whether or not a joint assignment is approved.
- ✓ Married Army couples that do not enroll in the MACP or dis-enroll from the MACP indicate that JD assignments are not desired; therefore, this cannot be used as the basis to request deletion from an assignment.

- ✓ Participation in the HAAP is optional. Soldiers must complete a HAAP Statement to accept or decline the HAAP assignment. Soldiers who decline participation in the HAAP will be reassigned according to the needs of the Army following their dependent-restricted tour.
- ✓ Home Base
  - Return to the installation where they were stationed. Soldiers cannot relocate Family members at government expense.
- ✓ Advanced Assignment
  - Return to a different installation than they were stationed. Soldiers can only relocate Family members at government expense to the location of the advanced assignment.

## ***Consecutive Overseas Tour (COT) Leave Travel Entitlement***

- ✓ Soldiers stationed OCONUS receiving orders to an in-place consecutive overseas tour (IPCOT), or on PCS reassignment to another overseas duty station, may be authorized Government-funded travel and transportation allowances in connection with authorized leave from their last duty station.
- ✓ Soldiers authorized travel allowances in conjunction with a COT or IPCOT may request to defer travel between the two tours of duty to use the allowances during the second tour of duty.
- ✓ COT leave travel can be deferred by either losing or gaining commander due to military necessity and Soldiers may request deferment of COT leave for personal reasons.
- ✓ If COT leave travel is deferred, the Soldier must travel directly from the old PDS to the new PDS. No chargeable leave may be taken. Soldiers may be authorized 4 days proceed time to drop off/pick up dependents.
- ✓ The following statement must be included in block 17 of the DA Form 31 “COT leave is authorized but deferred due to military necessity by [gaining or losing] commander”.
- ✓ **COT leave travel must be deferred before the beginning of the new tour, or the entitlement is lost.**

- AR 608-75 (Exceptional Family member Program)

## *Exceptional Family Member Program*

- ✓ AR 608-75 (Exceptional Family Member Program) requires that Soldiers enroll all DEERS authorized dependents who have special medical or educational needs into the Exceptional Family Member Program (EFMP). The EFMP is intended to assist the military in ensuring services are available for Family members when a Soldier is transferred to a new duty station.
- ✓ The Army wants to ensure Soldiers are assigned to locations where Family members with special needs can receive necessary care. In many locations overseas, the Army also considers the availability of host nation health care in the decision. Family member travel may be denied when a Soldier has a Family member with special needs and the services to meet those needs are unavailable at the overseas location.
- ✓ Soldiers enrolled in the program are responsible for updating EFMP enrollment information every 3 years, or upon changes in their dependent's needed services, whichever occurs first.
- ✓ EFMP does not expire; failure to update enrollment every 3 years results in a delinquent status notification to the command, which will interfere with release of PCS orders.

## ***Exceptional Family Member Program***

### ✓ Process of Exceptional Family Member Screening

- Soldiers who are already enrolled in the EFMP when considered for reassignment have their assignments pre-screened for EFMP support as part of the initial HRC assignment process.
- All Soldiers, whether enrolled in EFMP or not, on assignment to OCONUS, to include Alaska and Hawaii, who elect an accompanied tour (with dependents) are required to have every authorized dependent who is going overseas complete Family Member Travel Screening (FMTS), and return documents to the Reassignments Processing Center within 30 days of the reassignment brief.
- As soon as possible, schedule an appointment for FMTS for all Family members traveling with the sponsor. Children 72 months and under must be present for the overseas appointment.
- Items to bring to the appointment include:
  - ☐ DA Form 5888 (Family Member Deployment Screening Sheet) with section 1-8 completed and signed by the reassignments processing center
  - ☐ DA Form 7246 (EFMP Screening Questionnaire)
  - ☐ Military Dependent ID Card
  - ☐ Shot Records

## ***Exceptional Family Member Program***

- ✓ Additional documents needed for appointment, if applicable
- If a Family member has a medical/mental health condition that warrants them being seen by a specialist or by their primary care provider more than once a year, a DD Form 2792 (Family Member Medical Summary) completed by their provider to address their medical conditions.
- If a Family member has an Individualized Education Plan (IEP) or 504 Plan in school, a DD Form 2792-1 (Special Education/Early Intervention Summary), completed by the school with a copy of the most recent IEP or 504 plan.
- If an infant receives services through an Early Childhood Intervention (ECI) program, a DD Form 2792-1, completed by ECI, along with a copy of their evaluation/IFSP (individualized Family service plan).
- ✓ The losing Reassignment Processing Center submits all FMTS documents to the gaining installation to determine if Family members can be supported. Determination at the gaining installation can take more than 30 days. PCS orders will be published upon receipt of Family travel decision.
- ✓ Families in Remote Areas (Not Near MTF) in U.S.
  - Families in remote areas should refer to the AMEDD EFMP website at <https://efmp.amedd.army.mil/tools/contacts.html> for instructions on who to contact for assistance with FMTS.

## Tour Election

- ✓ Tour Election for Overseas (OCONUS) Assignments
  - If you are on assignment to an overseas duty station, you must elect either an “all others (unaccompanied)” tour or a “with dependents (accompanied)” tour\*.
    - Complete DA Form 5121, Overseas Tour Election Statement.
    - Read each statement on the form carefully and make your decision.

If I elect to serve the "all others" tour, I understand that Government transportation of my family members to or from my overseas duty station will not be authorized during the tour. I also understand that if my family members travel at their own expense to reside at or near the area of my assignment (*except for a visit for a period not exceeding 3 continuous months*), I will no longer be entitled to Family Separation Allowance. I also understand that under this tour election, I am authorized movement of my family members to a designated location at Government expense. However, after my family members make a move to a designated location at Government expense, I cannot request to change my tour to the "with dependents" tour in order to request movement of my family members to my overseas area unless extreme personal problems arise which are fully documented.

AND

If I elect to serve the "with dependents" tour, I understand I am not authorized to move my family members and/or household goods to a designated location in CONUS. I understand that I must apply promptly for concurrent travel of my family members in order to receive Family Separation Allowance in the event concurrent travel is not approved. I understand that, if concurrent/deferred travel is not approved, I may apply for nonconcurrent travel for my family members after I arrive in my overseas area, if I am able to obtain suitable quarters, or I may elect to have my family members remain in CONUS. I understand I must have sufficient remaining service to complete the "with dependents" tour length requirements upon my arrival in the overseas area. If not, I will be required to serve an "all others" tour and will not be entitled to Government transportation of my family members to my overseas duty station.

\*Officers and career enlisted with no dependents who are not married to another Service-member and are assigned to long-tour areas overseas will serve the accompanied tour. First-term Soldiers with no dependents who are not married to another service-member on assignment to 36-month accompanied tour locations in Germany, Italy, Belgium, or Japan will serve the 36-month accompanied tour.

### ✓ Designated Place Moves

- Soldiers on assignment to dependent-restricted tours are authorized to move Family members to a designated place, unless participating in the HAAP.
- Soldiers who elect to serve an unaccompanied tour are authorized to move Family members to a designated place.
- Family members cannot be moved again at Government expense until subsequent PCS, or if the Soldier serves a consecutive overseas tour.
- Soldiers authorized deferred travel for Family members are not authorized to move Family members to a designated place, unless travel is expected to be delayed by 20 weeks or more (nonconcurrent travel). Family members will then be authorized to travel from the designated place to the new PDS at government expense provided the Family members are command sponsored and the Soldier has at least 12 months remaining in the OCONUS command.
- The designated place may be:
  - any location in CONUS
  - Alaska, Hawaii, Puerto Rico, or US territory/possession (losing installation commander approval)
  - The follow-on PDS (dependent-restricted and unaccompanied tours only)
  - Any OCONUS location approved by the Secretary of the Army (dependent-restricted tours only)

## ***Family Travel Application Requirements for Overseas Tour***

### ✓ Family Travel/Command Sponsorship

- Soldiers who desire their Family members accompany them to the new overseas duty station (not a dependent-restricted tour) must initiate Family Member Travel Screening (see EFMP slides) and apply for Command Sponsorship for their dependents as soon as possible. The gaining command is the only Command Sponsorship approving authority.
  - The Family travel authorization must be included on Soldiers' PCS orders, with Family members listed by name.
  - The overseas commander will approve concurrent travel when the Family members can be accommodated within 60 days after the sponsor's arrival in the overseas command. Deferred travel normally will be approved when the Family members can be accommodated within 61–140 days after the sponsor's arrival in the overseas command (for U.S. Army Europe only, deferred travel is between 31 and 140 days).
- ✓ Some Host Nations do not recognize a same-sex spouse as an authorized Family member. Command Sponsorship that violates an applicable Status of Forces Agreement (SOFA) will not be approved.
- ✓ Command sponsorship will not be granted to a Family member who is a registered sex offender.

## ***Passport/Visa/Travel Document Requirements***

### ✓ Soldiers

- Not all countries require passports; some only require orders and military ID card to enter the country. Check the DOD Foreign Clearance Guide website to verify passport requirement: <https://www.fcg.pentagon.mil>.

### ✓ Family members

- All command-sponsored, U.S. citizen Family members require a government no-fee passport, and possibly a visa, to PCS to a foreign country. Family members arriving overseas without a no-fee passport/visa when required will be denied entry and returned to CONUS at personal expense.
- Family members who are not U.S. citizens will travel on their personal passport issued by their country of citizenship.
- For information and instructions on how to apply for a no-fee passport for official government travel, visit <https://travel.state.gov/content/travel/en/passports/need-passport.html>.
- Family member travel is delayed frequently because of passport processing time. Family member applications for passports should be completed immediately after Family travel has been approved.
- Soldiers traveling with Family through Canada enroute to or from Alaska are recommended to apply for no-fee passports.

- ✓ Soldiers moving from OCONUS to CONUS for the first time with a foreign spouse must obtain an Immigration Visa. Information is available at the United States Citizenship and Immigration Services website at <https://www.uscis.gov/>.

### ✓ Pets

- For Soldiers on a PCS move, there is no entitlement or reimbursement for pet transportation fees, like airplane tickets, pet-friendly hotels, or kennels. Pets or animals may travel with Soldiers at personal expense.
- Moving companies cannot ship any live animals.
- Soldiers must review the new PDS website to learn about any vaccines and special quarantines pets may have to undergo. These requirements may take months to satisfy; therefore, Soldiers should act quickly.
- For OCONUS: Some host countries/international bases may limit the animal species and dog breeds allowed and may have specific quarantine requirements for some animals. In some cases, quarantine fees may be reimbursable, up to \$550 per move. This is for dogs and cats only. Soldiers must contact the new PDS before making plans to travel with pets.
- Airlines may deny pet shipments during the summer/winter months due to the heat and cold.

## ***Service Remaining Requirement (SRR)***

- ✓ Soldiers may not depart their current permanent duty station (PDS) unless they have the required SRR, unless PCS orders indicate the SRR has been waived.
  - CONUS to CONUS moves require 24 months' SRR.
  - OCONUS to CONUS moves require 12 months' SRR when returning from accompanied areas, and 6 months' SRR when returning from dependent-restricted areas. At 6 months prior to Date Eligible to Return from Overseas (DEROS), OCONUS Soldiers who do not meet the SRR to return to CONUS will have their DEROS adjusted to 2 days prior to their ETS.
  - CONUS to OCONUS or OCONUS to OCONUS moves require the Soldier to meet the prescribed tour, whether it is accompanied or unaccompanied.
  - Assignments to certain locations/duties may have a different SRR. For example, assignment to recruiting duty require 36 months' SRR from CONUS and 42 months' SRR from OCONUS.

## ***Service Remaining Requirement (SRR)***

- ✓ Soldiers with sufficient service remaining to complete the prescribed tour or serve the unaccompanied tour will comply with the assignment.
- ✓ Soldiers who must acquire additional time in service in order to comply with assignment instructions must either extend or reenlist, or decline to extend or reenlist, within 30 calendar days of the assignment transmittal date.
- ✓ Career Soldiers (not in NCO Career Status Program or "Indef") who decline to extend or reenlist in order to meet the SRR must coordinate with their Career Counselor to execute a DA Form 4991 (Declination of Continued Service Statement). Signing this form has many implications, including the Soldier's departure from service at the current ETS date.
- ✓ Initial term Soldiers who decline to extend or reenlist in order to meet the SRR will not execute a DA Form 4991; however, they must sign a statement indicating they will not extend or reenlist to meet the SRR. This statement does not prevent further reenlistment.
- ✓ Soldiers who have at least 19 years and 6 months of active Federal service upon assignment notification may elect to acquire additional service to complete the prescribed tour, retire in lieu of PCS, or execute DA Form 4991.
- ✓ Soldiers who decline to meet the SRR for assignment may still be eligible for other assignments (CONUS and OCONUS) provided they have sufficient SRR for the new assignment. For example, a Soldier who declines to extend/reenlist to meet the SRR for a 36-month assignment may be placed on assignment to a location requiring only 12 months' SRR.

- Soldiers who have less than 3 years to ETS are still eligible for the assignment; this is not a service remaining requirement.
- Before issuing assignment orders, the Soldier must initial the airborne option statement, indicating acceptance or declination of the airborne assignment.
- If the Soldier declines the assignment, withdrawal of SQI (P) and deletion of assignment will be submitted IAW AR 614-200.

## *Housing Flexibility Options*

### ✓Housing Flexibility:

- Soldiers may request flexibility options for government owned/leased Family housing while undergoing a PCS within the United States (including Alaska and Hawaii).
- Soldiers are eligible if they:
  - Have a dependent enrolled in the Exceptional Family Member Program, or
  - at the beginning of the covered relocation period: have a spouse who is gainfully employed or enrolled in a degree, certificate, or license-granting program; have a dependent attending an elementary or secondary school; or are caring for an immediate Family member with a chronic or long-term illness.
- The covered relocation period begins 180 days before the date of the PCS, which is the date the Soldier leaves the current PDS, and ends 180 days after the date of PCS.
- Housing Flexibility Options include:
  - Continuation in Family housing at the losing PDS during the covered relocation period. Approval cannot adversely affect other Soldiers who arrive at the losing PDS during the relocation period.
  - Early Family housing eligibility and housing assignment at the gaining PDS for the Family, even if the Soldier has not arrived at the new PDS.
  - Occupancy of unaccompanied housing by a Soldier with dependents, at either the losing or gaining PDS, when the Family relocates at a different time than the Soldier. Occupancy is provided on a “space-available” basis and will not displace an eligible Soldier with no dependents.
  - Equitable BAH, when the Family relocates at a different time than the Soldier. BAH may be based on the rate of the gaining PDS, the losing PDS, or the actual location of the Family at the time the Soldier departs.

### ✓ Household Goods (HHG) Entitlements:

- Soldiers are authorized HHG transportation due to a PCS. Soldiers must contact the local Transportation Office as soon as orders are received. Soldiers who move or store HHG are encouraged to download the Army PCS Move APP from Google Play Store or Apple Store.
- Soldiers on a PCS are entitled to ship the authorized weight allowance of HHG from the old permanent duty station to the new permanent duty station, or to any other place, not to exceed what it would have cost the government if the authorized weight allowance would have been shipped in one lot from the old PDS to the new PDS.
- Unaccompanied baggage (UB) is part of the Soldier's authorized HHG weight allowance. UB transportation is authorized by an expedited transportation mode (air) on OCONUS PCS when necessary to enable the Soldier to carry out assigned duties or to prevent undue hardship on the Soldier or a dependents.
- A Soldier, who is authorized shipment of HHG or UB, is also entitled to 90 days temporary storage in transit in conjunction with such shipment.
- Soldiers authorized movement of Family to a designated place are authorized HHG shipment to the designated place and non-temporary storage (NTS). If a Soldier elects to participate in the HAAP, movement of HHG to designated location is not authorized.

## *Transportation Travel Entitlements*

### ✓ HHG Entitlements (continued)

- Soldiers are authorized Professional Books, Papers, and Equipment (PBP&E) shipment when he or she certifies that the PBP&E are necessary for official duty at the next PDS. Soldier PBP&E will not exceed 2,000 lbs. Spouse PBP&E will not exceed 500 lbs. PBP&E must be weighed separately from the HHG shipment and does not count against the Soldier's maximum weight allowance.
- Weight allowances can be administratively restricted at a PDS OCONUS based on factors at that location. When the new PDS is an administrative-weight-limited location, the Soldier is authorized HHG transportation to a designated place or to NTS for the remainder of the HHG weight allowance that could not be shipped to the new PDS.

### ✓ Excess Charges

- Transportation-related costs incurred by the Government due to the negligence of the Soldier, such as attempted pickup or delivery charges when the Soldier missed the appointment as scheduled, are considered excess charges and are the Soldier's responsibility.
- The Government may pay the total transportation cost and other applicable charges for any weight that exceeds the weight allowance. Soldiers must repay the Service for the cost of transporting HHG in excess of the specified weight allowance or authorized distance.
- The Joint Travel Regulations allows for a weight allowance increase due to hardship. When the Soldier receives notification of exceeding the maximum weight allowance, they should contact the local Transportation Office to submit an exception to policy (ETP) to the Army G-4. The ETP contains all actual HHG shipment weights, PCS orders, and Soldier statement requesting a higher weight allowance (not to exceed 18,000 lbs.) and financial hardship impact. Army G-4 adjudicates the ETP with a decision to the local Transportation Office for notification of the Soldier and U.S. Financial Management Command.

### ✓ HHG Claims:

- If HHG or UB is lost, damaged, or destroyed while being transported by the Government, full replacement/repair value of the lost/damaged items may be claimed with the moving company.
- Claims are generally payable if the damage occurred during the transportation or storage and is not the result of a preexisting defect, is not due to normal usage, and is not the result of normal deterioration during storage.
- Soldiers with damaged or missing HHG or UB must file a Notice of Loss or Damage AT Delivery or a Notice of Loss or Damage AFTER Delivery with the Transportation Service Provider (TSP) within 180 days of delivery, and a claim in DPS within 9 months of delivery. The Notice of Loss or Damage is provided by the TSP at delivery.

### ✓ Inconvenience Claims

- Are separate from loss or damage claims. Inconvenience claims are a payment to the Soldier by the moving company to offset expenses because the Soldier cannot use necessary items from their HHG shipment due to the inability of the moving company to meet required pickup and delivery dates.
- The Soldier notifies the moving company of the intent to file a claim, and the moving company provides the Soldier an inconvenience claim form. The moving company acknowledges the Soldier's intent to file an inconvenience claim within 5 business days.
- The maximum amount payable without receipts is limited to the equivalent of 7 days of meals & incidental expense per diem rates. When receipts are provided, the amount payable is equal to the amount supported by the receipts.
- Soldiers must contact their moving company prior to making purchases for necessary items to ensure they are both in agreement on reimbursable expenses. Necessary household items include, but are not limited to, laundry service, furniture and/or appliance rental (to include rental of a television), air mattresses, towels, linens, pillows, and necessary kitchen items (such as pots, pans, dishes, paper plates, plastic ware, etc). Groceries and alcohol are not eligible for reimbursement. The list allows the moving company and Soldier the ability to determine those items which are deemed necessary.
- The moving company should reimburse within 30 days of receipt of the claim.
- Soldiers should contact their local Transportation Office if assistance is needed.

### ✓ Per Diem

- The per diem allowance is a daily rate meant to cover living expenses (lodging, meals, and incidental expenses). It provides the maximum amount a traveler may be reimbursed for lodging, meals, and incidental expenses at a specific location (official duty location or authorized stopover).
- When dependent travel is authorized, per diem is payable for travel directly from the old PDS to the new PDS. PCS allowances are not authorized for dependent travel to, from, or while at an en-route TDY location.
- When dependents travel with the Soldier, dependent per diem is paid at 75% of the Soldier rate for dependents 12 years or older, and at 50% for dependents under 12.
- When dependents travel separately from the Soldier, per diem is paid at 100% for the first dependent, with additional dependents paid at 75% if 12 years or older, and at 50% if under 12.

Mileage and per diem rates are available on the Defense Travel Management Officer website at <https://www.defensetravel.dod.mil/index.cfm> under Travel and Transportation Rules.

- DLA is not authorized for assignment to the first PDS unless dependents move with the Soldier.
- DLA is not authorized for Soldiers without dependents who move into government quarters at the new PDS.
- Dual military members without dependents may be eligible for DLA, if living in separate dwelling due to military orders, or when both are without dependents and are moving into family-type government quarters at the new PDS.

  - TLE is authorized at the old CONUS Permanent Duty Station (PDS) and/or the new CONUS Permanent Duty Station, and is limited to 10 days total (5 days if the new PDS is OCONUS).
  - The Soldier/dependent(s) temporary lodging must be in the vicinity of the old or new PDS.
  - TLE may be split between locations, for example 4 days near the losing PDS and 6 days near the gaining PDS.
  - TLE is calculated based on the locality per diem rates, the number of dependents and their ages, and the actual lodging expenses.
  - When a Soldier or dependent stays with friends or relatives, no lodging reimbursement is authorized. The TLE meal portion is payable.

- ✓ Temporary Lodging Allowance (TLA) (OCONUS only)
  - TLA is intended to partially pay a Soldier for higher than normal expenses incurred by a Soldier or dependent while occupying temporary lodging in the vicinity of the old or new OCONUS PDS.
  - The amount of the TLA payment depends on the expenses incurred at the temporary lodging. The Soldier must obtain and keep receipts for lodging expenses to support TLA payment.
  - TLA Upon Arrival. TLA authorization for a PDS assignment to OCONUS ordinarily should not exceed 60 days. Additional periods may be approved in increments of 15 or fewer days when HHG are delayed or housing is not available.
  - TLA Upon Departure. The TLA period cannot start more than 10 days before the Soldier leaves the PDS (3 days when clearing government housing), unless housing is terminated early or departure is delayed.
  - Lodging expenses are not allowed while staying with friends or relatives, but the meal and incidental expense rate (M&IE) is payable for the eligible TLA period.

## *Finance Travel Entitlements*

- ✓ Individually Billed Account (IBA) vs Centrally Billed Account (CBA)
  - All PCS orders must state that either IBA or CBA (not both) is authorized
  - IBA-Mandatory for all Soldiers with a Government Travel Charge Card (GTCC) (unless exempt) and must be included in the PCS order.
    - If travelling by air, the Soldier must contact the supporting Commercial Travel Office (CTO) or Travel Management Center (TMC) to make air travel reservation arrangements.
    - The GTCC eliminates the need for an advance of travel entitlements and reduces the traveler's dependency on personal funds.
    - If IBA is authorized in the PCS order, the Soldiers will contact their unit travel charge card Agency Program Coordinator (APC) to register into the PCS program to increase spending limits.
    - The GTCC will be used for all expenses associated with the PCS
  - CBA-If the Soldier does not possess a GTCC, or IBA is not authorized, CBA is authorized and must be included in the PCS order.
    - The Soldier is not responsible for personally purchasing airline tickets. The Soldier must contact the supporting CTO or TMC to make air travel reservation arrangements.
