2. Purpose: Establish policy and procedures to ensure effective real property management. Ensure uniformity and synchronization of procedures governing the following areas within the jurisdiction of USAG Daegu: completed project management, tree management, space allocation, work order requests, conversion, diversion, utilization, acquisition, release, accountability, and disposal of real property.

AMIM-DAP (100)

SUBJECT: United States Army Garrison (USAG) Daegu Command Policy Letter #26-24, Real Property Asset Management

3. Applicability: This policy applies to all units, organizations, and activities utilizing facilities in the USAG Daegu area of responsibility.

4. General:

a. With the consent of the Garrison Commander, the Directorate of Public Works (DPW) Real Property Accountable Office (RPAO) will allocate all real property assets to units (including agencies and organizations) operating within USAG Daegu.

b. Units residing within USAG Daegu are not authorized to reallocate space or convert (permanently change utilization), divert (temporarily change utilization), or dispose or real property assets (including demolition) under any circumstances without soliciting approval from the RPAO.

5. Responsibilities & Key Guidance:

a. Facility Managers (FMs)

(1) The FM is an unit's responsible authority who signs and accepts responsibility for the unit's real property. The FM is accountable for all real property under his custody and must ensure the real property is maintained in good working order and condition until properly relieved of that responsibility by the RPAO.

(2) Primary FMs must be the unit commander, director of the using agency, or a site chief (if in a remote area where no commander or director is available).

(3) Primary FMs may designate up to two alternate FMs. Primary or alternate FMs must notify Real Property (RP) Branch in writing of the appointment of a temporary FM in the event both primary and alternate FMs are absent.

(4) When a facility is shared by multiple units, the senior (in rank or grade) FM will act as the primary FM for the entire building. The senior FM will coordinate space issues and work requests with the RPAO on behalf of all building occupants.

(5) Key responsibilities of the FM include:

(a) Attend the USAG Daegu Facility Managers Training Course

(b) Periodically inspect all assigned facilities; officially inspect facilities IAW Installation Status Report – Infrastructure (ISR-I) guidelines when directed by the ISR-I Program Manager.

AMIM-DAP (100)

SUBJECT: United States Army Garrison (USAG) Daegu Command Policy Letter #26-24, Real Property Asset Management

(c) Secure assigned facilities & maintain effective key control.

(d) Return excess property/space to DPW, Master Planning Division, Real Property Branch; do not laterally transfer space to other units.

(e) Request DPW approval (through the work order process) before modifying or demolishing assigned facilities.

(f) Notify DPW's RPAO before you PCS; designate a replacement.

b. Space Allocation/Space Management

(1) The Garrison Commander is the approval authority for all space requests. Space requests are administered by the RPAO (or his/her/their designee) IAW the USAG-D Space Planning Process (MPD_002).

(2) The RPAO (or his/her/their designee) formally issues space to units using a Real Property Allocation Hand Receipt (RPAHR) after receiving approval from the Garrison Commander.

(3) Occupation of any space without a RPAHR is considered "unauthorized use" and the occupier must return the space or facility to the DPW, immediately.

(4) The direct transfer of any space between using agencies is not allowed. All space requests must be administered IAW MPD_002.

c. Space Utilization Surveys

(1) IAW referenced regulations, USAG Daegu is required to conduct periodic space utilization surveys to validate proper utilization and calculate utilization rates. USAG Daegu's RPAO will schedule and coordinate routine space utilization surveys.

(2) Tenants should provide full cooperation during space utilization inspections, ensuring the space surveyor has immediate access to all areas and unit information (including ranks/grades of all occupants) as requested.

(3) The space surveyor will bear a memorandum signed by the Garrison Commander authorizing him/her access to the space to conduct the survey.

d. Submitting Work Requests

AMIM-DAP (100)

SUBJECT: United States Army Garrison (USAG) Daegu Command Policy Letter #26-24, Real Property Asset Management

(1) Units must submit a work request (DA Form 4283) for all DPW related support actions, including self-help, "permission-only" approval, or reimbursable projects.

(2) Work requests may be delivered in person to the Business Operations and Integration Division (BOID) Work Reception Section in Building S-1639 or by email to the Service Work Order Reception desk email.

(3) Minor work requests or service orders may be requested by email (usarmy.daegu.id-pacific.list.work-order@army.mil), phone (763-4824), or by visiting DPW's Service Order Desk at Camp Henry, Bldg. S-1639.

(4) Work requests must be submitted by the primary facility manager (FM) or alternate FM. Requests submitted by other personnel will be denied unless an emergency. Emergency service orders (related to life, health, and safety) may be submitted by anyone who observes the emergency.

(5) All work requests, regardless of the funding source and including "permission-only" requests, must be coordinated and approved in advance by DPW prior to starting. Work performed without DPW approval is considered unauthorized work. Unauthorized work is subject to total removal and restoration at the unit's sole expense.

(6) All repair or replacement work for lost, damaged, or destroyed real property caused by negligence or misconduct must be reimbursed by the responsible individual(s) or the using unit. This includes lost keys, broken locks, or locks requiring total replacement due to lost or damaged keys.

e. Return of Real Property (Entire Facilities & Individual Work Space)

(1) Units must contact DPW, Master Planning Division, Real Property Branch when space is no longer required to support the mission.

(2) DPW, Master Planning Division, Real Property Branch will administer the clearance/return of real property assets IAW the USAG Daegu Real Property Clearance SOP.

(3) Direct transfer of facilities/space between tenants is prohibited.

f. Security of Vacant Buildings or Areas

(1) Units are responsible for the security of vacant buildings or workspace until the asset is officially vacated and returned to DPW.

AMIM-DAP (100)

SUBJECT: United States Army Garrison (USAG) Daegu Command Policy Letter #26-24,
Real Property Asset Management

(2) RPAO assumes responsibility for the security of vacant buildings or areas after they are formally transferred back to DPW.

(3) The Garrison Commander is responsible for installation physical security until the land is formally returned to the Ministry of National Defense, Republic of Korea through the Status of Forces Agreement (SOFA) return procedures.

g. Conversion or Diversion from Designed Use

(1) All real property is assigned a category code (CATCD) based upon the designed use of the facility. These CATCDs cannot be changed without prior approval from the appropriate authorities.

(2) Requests for conversion or diversion must be submitted by the using agency through DPW, Master Planning Division, Real Property Branch. Requests must be initiated and approved prior to initiation of any conversion or diversion work.

h. Demolition of Real Property

(1) Real property will not be demolished without approval from the appropriate responsible authority.

(2) Requests for demolition are submitted by the using unit to DPW Work Order Reception Branch using a DA Form 4283 (FEWR) with justification why the demolition is necessary. These requests are then reviewed by DPW SMEs, including the RPAO, for concurrence.

(3) If the demolition request is justified, the RPAO prepares and submits a DA Form 337 (Request for Approval of Disposal of Buildings and Improvements) to appropriate authorities to solicit demolition approval.

i. Loss of Keys or Fabrication of Additional Keys

(1) When keys are lost or willful misconduct results in a requirement to repair or replace a lock-set or door, the responsible individual(s) or using unit must reimburse DPW for the repair or replacement cost.

(2) Additional key fabrication (exceeding three keys per lockset) must be funded by the individual(s) or using unit prior to execution of work.

j. Container Management

AMIM-DAP (100)

SUBJECT: United States Army Garrison (USAG) Daegu Command Policy Letter #26-24, Real Property Asset Management

(1) Units may not place containers on any open ground within USAG Daegu without prior approval of the Garrison Commander and proper registration through DPW, Master Planning Division.

(2) USAG Daegu will administer container requests and registration IAW the USAG Daegu Container Management Program (MPD_004). Units must solicit site approval from DPW prior to moving containers to desired locations.

k. Petitions

(1) Request for release of (or reimbursement for) real estate received by a using unit directly from petitioners will be forwarded to the RPAO for appropriate action through established regulations or policies.

(2) Letters received by using units requesting permission to collect scrap and shell fragments, or to remove stones, trees, or other hidden treasures within USAG Daegu will be forwarded to the RPAO for appropriate action.

l. Project Close-Out

(1) All completed work requests, regardless of funding source, must be transferred by the construction agency to the RPAO on DD Form 1354 (Transfer and Acceptance of Military Real Property) as a means to update the real property records and GFEBs.

(2) As-built construction drawings, keys, catalogs, specifications or manuals for installed equipment must be included in the transfer document. A project will not be closed out until the DD Form 1354 is signed by RPAO.

m. Trimming, Transplanting, & Removal of Trees

(1) Routine trimming and transplanting of trees, bushes, and shrubs will be accomplished at the discretion of the Chief, Buildings and Grounds Branch, Operation and Maintenance Division, DPW. The removal of fallen tree by natural disaster, disease, or decay will be accomplished in timely manner to ensure the safety of our community and routine operations are unimpeded.

(2) Director of Public Works approves the removal of healthy trees that constitute a clear and present danger to life and property, or the removal of less than the (10) trees in an improved area.

(3) USFK Engineers Real Estate Division, through coordination with ROK MND, will approve the removal of more than ten (10) trees in improved areas (regardless of
