

## Message to Residents

Fort Detrick Army leadership and Fort Detrick Family Homes thank you for taking the time out of your schedules to attend the Housing town halls. The feedback received from the Fort Detrick Community during these sessions helped develop the enclosed action plan to improve our housing.

One of the messages heard loud and clear by BBC and Fort Detrick Army leadership was the lack of communication with our residents. This message is the beginning of greater transparency and communication for the Detrick Housing Community.

Attached you will find the minutes from the town halls conducted at Glen Haven and Fort Detrick and the action plan we developed to address your concerns. You will receive periodic updates via the resident portal, the Fort Detrick weeklies, and Detrick Facebook page about the status of issues on the action plan.
