This year's Suicide Prevention Month (SPM) slogan is "Connect to Protect: Support is Within Reach."

REACH means to bring more awareness to suicide prevention and available resources, change the conversation around mental health and well-being, and turn awareness into action. Collaborations and partnerships are essential to meeting the needs of Service Members, DA Civilians and their families during the evolution of their careers, especially during periods of transition.

In this spirit of collaboration the Ft Detrick/NSA Bethesda Army Substance Abuse Program (ASAP) will host a 5-Part Speaker series presented by The Human Performance Resources by CHAMP (HPRC) Team at the Uniformed Services University.

This series entitled: ***Total Force Fitness: A Roadmap to Mental Wellness*** will take place in five virtual sessions across five weeks on Army O365.

Each Wednesday in September from 1200-1300, we will gather to learn skills and strategies and hear stories about how a Total Force Fitness approach can help improve mental wellness.

Below are the topics planned for each week:

Sept 1st: The Road to Mental Wellness: Your Total Force Fitness Self-Check

Sept 8th: Foods to Boost Your Mood: Nutrition & Mental Wellness
