- **Vacation Bible School (VBS) 2025**

The Fort Detrick Chapel will offer VBS for grades K (completed) through 5 on July 14-18 from 5:30-8:30 p.m. at the Fort Detrick Chapel, 1776 Ditto Ave. Children must have completed Kindergarten. Daily sign-in will begin at 5:15 p.m. and a light meal will be provided for the children between 5:30-6:00 p.m. VBS activities kick-off at 6:00 p.m. An ice cream social will be held on the last day of VBS for the children and parents, grandparents, and friends to celebrate VBS.

The theme for this year's VBS is *Stellar: Shine Jesus' Light*. At Stellar, children explore how Jesus shined hope, love, forgiveness, and joy to the world-and how we can do the same with His power. You can expect a week full of faith discoveries, memorable music, and epic adventures that help children grow in friendship with Jesus.

Registration is free and forms are available at the Chapel office. **You are encouraged to register early, as space is limited.** For more information, please contact the Chapel at 301-619-7371.

Summer Safety Tips

Keep these tips in mind as you and your family enjoy summer vacations, camping, family reunions, picnics and the Fourth of July.

Fire safety

Build campfires at least 25 feet away from tents, shrubs and anything that can burn.

If you want to see fireworks, go to a public show put on by experts. Sparklers can reach 1,200 F and cause third-degree burns.

Use propane, charcoal and wood pellet barbecue grills outdoors only. Indoor use can cause a fire or carbon monoxide poisoning.

Place your grill well away from siding and deck railings and out from under eaves and overhanging branches. Do not store or use a grill on a porch or balcony.

Use chimineas, outdoor fireplaces, and fire pits outdoors only and at least 10 feet away from your home or anything that can burn.

Safe & Secure Gun Storage Prevents Injuries

Did you know...?

If you have guns or even if you've never seen one, you can still help stop kids and others from getting hurt by firearms. You hold a pivotal role in preventing unauthorized access and potential harm, especially to children, from firearms.

Over half of guns in homes with children are not stored safely.

82%

Around 82% of adolescent firearm suicides involve a gun belonging to a family member.

48,830

In 2021, 48,830 people died from firearms. That's more than 130 people each day.

1 in 3 children in the US live in a home with a gun.

Firearms are now the leading cause of death in children and youth under the age of 25.

2x

Non-fatal firearm-related injuries occur twice as often as firearm-related deaths.

Most firearm deaths in young people are homicides but over one-third of firearm deaths are suicides.*

When looking at all ages, more than half of all suicide deaths are by firearm

WHAT do I need to do to safely store my firearm?

Firearm Owners

- All firearms should be kept unloaded, locked in a gun safe and/or with an external lock (like a cable lock) any time they are not in use.
- There are still safe storage options that will allow guns to be accessed quickly.

Everyone

- Have a conversation about safe storage. It may feel awkward at first but it's just as important as other safety topics, like allergies and bike helmets.

WHY should I do this?

There are many reasons that people own guns but many people choose to own firearms to protect their families. Safe and secure firearm storage prevents suicide, homicide, unintentional injuries, and theft. That's why it is everyone's responsibility to do their part to ensure firearms are securely stored.

HOW can I learn more?

Additional information can be found by scanning the QR code or going to the URL listed below:

<https://publichealth.jhu.edu/center-for-gun-violence-solutions/solutions/safe-and-secure-gun-storage>

*This is different from adults, for whom most firearm deaths are suicides.
