

Detroit Arsenal Teammates -

We had great weekend weather and I hope everyone was able to get outside and enjoy it. I was able to get out to Selfridge ANGB on Saturday and saw many people safely taking advantage of the fact that the golf course and marina have opened. Please take advantage of these opportunities if you can. Shameless plug for our FMWR team. So grateful for their can-do attitudes and all they are doing to support the installation!

GOLF COURSE OPEN:

The Selfridge Golf Course is following the governor's stay home and stay safe order as closely as possible and is now open for non-cart golf (disabled customers can call the course to make arrangements). All tee times must be made in advance via phone and payments by debit or credit card.

While the course is open, the building, pro shop, driving range and restaurant are not. Please bring any nonalcoholic beverages you will need (please do not bring your own alcohol). There are portable toilets for use on the course with sanitizer products for user's convenience.

Club repair and re-gripping will be scheduled by appointment only. Please call to arrange drop off and pick up in advance (no golf bags/clubs only).

Beginning on the May 8, Selfridge will extend all expired DBIDS cards that have been vetted until normal operations resume. All DBIDS card holders that wish to extend must contact the golf course to pay the annual administration fee and be submitted for vetting prior to coming on the installation. A driver's license will also be required for access. NO NEW DBIDS cards will be issued until further notice.

For more information, call the course staff at 586-239-4653.

PUBLIC SERVICE RECOGNITION WEEK:

This week (May 3-9) is Public Service Recognition Week. Thanks for all the ways you support our military members and their families. What you do is important and this is a great time to pause and reflect on the things we do - we save lives, provide support and contribute to our national security.

I'm talking to my team about taking care of themselves - and I encourage you to do the same. Consider taking some of that leave time you have earned, spend some time with family doing something you all enjoy, carve out a little time to make sure you mindfully relax. I am a Covey aficionado, he'd call that sharpening your saw. Do this it this week in honor of yourself, it's public service week after all.

Please see the message below officially proclaiming this week.

<https://www.whitehouse.gov/presidential-actions/proclamation-public-service-recognition-week-2020/>

Proclamation on Public Service Recognition Week, 2020

During Public Service Recognition Week, we pay tribute to our Federal, State, and local government employees for their unwavering dedication to civil service. On the front lines in times of prosperity and adversity alike, our world-class workforce remains ready and willing to serve their fellow Americans. At all levels of government, our civilian personnel have made our Nation stronger and more prosperous.

In recent weeks and months, our Nation's civilian officials have united with unprecedented urgency and resolve to respond to the coronavirus pandemic. Their tireless efforts are ensuring Federal, State, local, and tribal governments continue to provide necessary services to their constituents, are helping forge productive government-private sector partnerships, and are bolstering our ongoing recovery efforts. Our public health experts, who always play an integral role in protecting the health and wellbeing of our people, have provided critical and timely guidance to Americans on how to stay healthy and prevent the spread of the coronavirus. Emergency managers, first responders, and law enforcement are continuing to provide life-saving care, comfort, and support to those affected. Postal workers are delivering essential supplies and communications. Sanitation workers are keeping our communities clean. School teachers and educators are continuing to provide virtual education and support to students. And countless other public servants are diligently and humbly supporting our American way of life during this crisis. Through their dedicated efforts, the American people are protected and supported despite the unprecedented challenges we face.

As we start to see a promising forecast and eventual recovery — thanks in large part to the extraordinary sacrifices the American people have made on behalf of their fellow citizens — we can begin the critical work of reopening our country. We know that our public service employees will play a crucial role in restarting our economy and getting our society fully revitalized, while also protecting American lives. My Administration remains committed to supporting these men and women at all levels of government during this process, ensuring they have the resources and information they need to continue serving the American people while also safeguarding their own wellbeing. Together, we will complete the work of rebuilding and restoring our Nation.

This Public Service Recognition Week, we are especially grateful to our devoted public servants. Their experience, expertise, and commitment to service will lift our Nation up during these difficult times and help ensure a swift recovery. We will forever be indebted to them for their hard work, dedication, and courage, always remembering their irreplaceable contributions to our people and our country.

NOW, THEREFORE, I, DONALD J. TRUMP, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim May 3 through May 9, 2020, as Public Service Recognition Week. I call upon Americans and all Federal, State, tribal, and local government agencies to recognize the dedication of our Nation's public servants and to observe this week through appropriate programs and activities.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of May, in the year of our Lord two thousand twenty, and of the Independence of the United States of America the two hundred and forty-fourth.

DONALD J. TRUMP

Thanks so much for all you do - proud to serve on the Army team with you.

Continue to stay safe and Army Strong!

Sincerely,

Carrie
