MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Installation Policy Memorandum 21-02, Army Substance Abuse Program (ASAP)

1. References:

- a. Army Regulation (AR) 600-63, Army Health Promotion, 14 April 2015.
- b. AR 600-85, The Army Substance Abuse Program, 28 November 2016.

2. Supersession: This policy supersedes and replaces Installation Policy Memorandum 19-02, Army Substance Abuse Program, 17 September 2019.

3. Purpose: Provide guidance and establish policy to define the Army Substance Abuse Program (ASAP) as a command program with emphasis on readiness, resiliency and personal responsibility.

4. Concept: Commanders will synchronize, integrate and deliver its services in support of the Army Ready and Resilient Campaign. Through the Community Health Model, engaged leaders who actively contribute to their Soldier's wellness, the ASAP will apply prevention methods, including Unit Risk Reduction data trends as primary drivers for focusing intervention efforts.

5. Applicability: This memorandum applies to all Soldiers assigned to Fort Drum, and Civilian employees. Family members may participate in ASAP training classes on a space available basis.

6. General:

a. Fort Drum military leaders and Civilian supervisors have a responsibility to ensure the consumption of alcohol is safe and voluntary as well as within safe and appropriate levels at organized social events, such as hails and farewells, dining-ins, or unit dinners. Leaders and supervisors must pursue ways to prevent underage drinking, and excessive alcohol intake. At all levels, leaders and supervisors must set the example through their personal behavior and directly encourage responsible use of alcohol.

b. In order to deter the use of illicit drugs, enable military commanders to assess the security, combat readiness, good order and discipline of their units, and maintain a
