

Pre-GT Instructions

Before you take the Armed Forces Classification Test (AFCT) you will need to take two Pre-GT tests. One is online, and the other is a paper test.

Take the paper-based Pre-GT. The test will take approximately 1 ½ hours. To schedule an appointment, call 315-772-1251 or 315-772-9993.

Take the online Pre-GT (follow the steps below).

1. Go to nelnetsolutions.com/dantes
2. Register for account and select Fort Drum as your installation. Use your military email for registration purposes.
3. Once you are logged in, click on the blue button, **ENTER OASC**.
4. Click **CONTINUE**.
5. Near the bottom of the page, on the right side, click **START NOW** under the heading **NEW! ASVAB Diagnostic Test**.
6. Click Continue, and complete the Diagnostic Tutorial.
7. Under Diagnostic 1, complete the Arithmetic Reasoning 1, Word Knowledge 1, and Paragraph Comprehension 1 sections. View Results and click PRINT RESULTS (in top left corner).

_____ Arithmetic Reasoning 1

_____ Word Knowledge 1

_____ Paragraph Comprehension 1

IMPORTANT TIPS for online test:

- Avoid using the “how sure are you”, “come back to this”, and the ability to return to a previous question as these options will NOT be available on the actual AFCT.
- CALCULATORS ARE NOT permitted on the real exam, so avoid using them on this test!
- Once you’ve finished the 3 required sections, you are welcome to complete the other 7 sections at your own leisure. The three required sections are those that make up your GT score, so those are what we review.
