

GARRISON SAFETY OFFICE SAFETY RECALL MESSAGE 23 February 2026

SOOWERY 6-Drawer Dressers Recalled Due to Risk of Serious Injury or Death from Tip-Over and Entrapment Hazards (Recall Alert)

Company Recall Date: 19 February 2026

Recall Number: 26-273

Name of Product: Joly's 80% Vinegar (32 oz, pack of two)

Hazard: The recalled vinegar product violates the precautionary labeling requirements under the Federal Hazardous Substances Act (FHSA) because the hazardous substance lacks required warning labels and first-aid treatment instructions. This poses a deadly risk of poisoning if the contents are swallowed and a serious injury from chemical burns to the skin and eyes if improperly handled.

Consumer Contact: Joly's at [240-412-8720](tel:240-412-8720) from 9 a.m. to 5 p.m. ET Monday through Friday or email at jolysllc@gmail.com.

Description: This recall involves Joly's 80% Vinegar (32-ounce, pack of two). The vinegar comes in a white capped transparent bottle with an orange and red label with white lettering that has "Joly's" brand, "80% Vinegar" and "Dilutes to 5 Gallons". There are no other markings on the container.

Remedy: Consumers should move the vinegar products out of sight and reach of children immediately and contact Joly's to receive a full refund and disposal instructions. Consumers will be asked to send an email to jolysllc@gmail.com with a photo of the recalled product in its original packaging and "RECALLED" printed on the container.

Incidents/Injuries: None reported

Sold At: Amazon.com from **May 2025 through November 2025** for about \$23.

GARRISON SAFETY OFFICE SAFETY RECALL MESSAGE 23 February 2026

Vive Health Recalls Adult Portable Bed Rails Due to Risk of Serious Injury or Death from Entrapment and Asphyxiation (Recall Alert)

Company Recall Date: 19 February 2026

Recall Number: 26-271

Name of Product: Vive Health Bed Rails

Hazard: The recalled bed rails violate the mandatory standard for adult portable bed rails because when the bed rails are attached to a bed, users can become entrapped within the bed rail or between the bed rail and the side of the mattress, posing a serious entrapment hazard and risk of death by asphyxiation. In addition, the bed rails do not bear the required hazard warning labels.

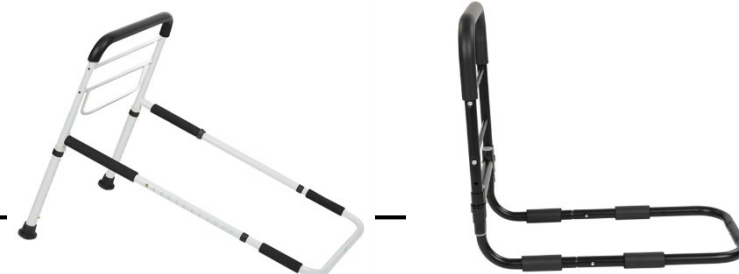

Consumer Contact: Vive Health toll-free at [800-487-3808](tel:800-487-3808) from 9 a.m. to 9 p.m. ET Monday through Friday, email at recalls@vivehealth.com, online at vivehealth.com/pages/recalls, or vivehealth.com and click “Recall” at the top of the page for more information.

Description: This recall involves Vive Health Bed Rails, model LVA1024 and LVA3031BLK. The model LVA1024 bed rail comes in a white frame with a black handle and measures 20 inches wide by 32 inches tall. The model LVA3031BLK bed rail comes in a black frame with a black handle and measures 13 inches wide by 18 inches tall.

Remedy: Consumers should stop using Vive Health Bed Rails immediately and contact Vive Health for a full refund. Consumers should write “RECALLED” on the upper and lower bedrails with a permanent marker and take a photo of the marked bed rail with the buyer’s name on a piece of paper, and email to recalls@vivehealth.com. Consumers should then dispose of the recalled product in accordance with the state and local waste disposal procedure. Only bed rails purchased after August 21, 2023, are included in this recall.

Incidents/Injuries: None reported

Sold At: Amazon.com and ViveHealth.com from **August 2023 through December 2025 for between \$45 and \$80.**

GARRISON SAFETY OFFICE SAFETY RECALL MESSAGE 23 February 2026

Prismatic 3D Prints Recalls Book Nooks Due to Risk of Serious Injury or Death from Battery Ingestion (Recall Alert)

Company Recall Date: 19 February 2026

Recall Number: 26-276

Name of Product: Prismatic 3D Prints Book Nooks with Lights

Hazard: The recalled book nooks violate the mandatory standard for consumer products containing button cell or coin batteries because the nooks include a spare lithium coin battery that can be easily accessed by children. In addition, the spare coin battery is not in child resistant packaging, and the packaging does not have the warnings as required by Reese's Law. When button cell or coin batteries are swallowed, the ingested batteries can cause serious injuries, internal chemical burns and death.

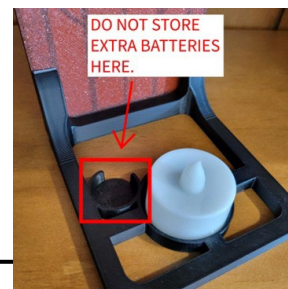

Consumer Contact: Prismatic 3D Prints email at prismatic3dprints1@gmail.com with "recall" in the subject, or online at <https://prismatic3dprints1.etsy.com> or [Book Nook Recall Info](#) for more information.

Description: This recall involves Prismatic 3D Prints Book Nooks with Lights. The book nooks are bookshelf decorations meant to be placed in between books. The book nooks come in three designs: Fantasy Window, Gothic Cathedral Window, and Gothic Cathedral Window that are a set of three. The book nooks were sold in a variety of different colors for the frame and window. Frame colors include antique gold, pewter, black granite, white marble, and black. Window colors include purple, red, yellow, green, and blue. The base of the book nooks has a circular recess behind the window for holding spare CR2032 coin cell batteries. The words "extra battery" is embedded in the plastic in the recess.

Remedy: Consumers should stop using the book nooks immediately, remove the batteries and place them in an area that children cannot access. Consumers should contact Prismatic 3D Prints for instructions on receiving a free repair kit. The repair kit will include a part to permanently cover the spare battery holder and installation instructions.

Incidents/Injuries: None reported

Sold At: Etsy.com from **March 2025 through October 2025** for **between \$25 and \$72.**

GARRISON SAFETY OFFICE SAFETY RECALL MESSAGE 23 February 2026

Huaker Magnetic Balls and Rods Sets Recalled Due to Risk of Serious Injury or Death from Choking (Recall Alert)

Company Recall Date: 19 February 2026

Recall Number: 26-272

Name of Product: Huaker Magnetic Balls and Rods Sets

Hazard: The recalled magnet toy building sets violate the mandatory standard for toys because they contain small balls and are intended for children under three years of age, posing a deadly choking hazard.

Consumer Contact: Huaker at Huaker-magnetic-balls@outlook.com.

Description: This recall involves Huaker Magnetic Balls and Rods sets. The sets include 88 pieces and come in a plastic box with a handle. "Magnetic Sticks" and "Model:20A-13" are printed on the box. There are no identifying marks on the magnetic toys.

Remedy: Consumers should stop using the recalled magnetic balls and rods sets immediately, take them away from children and contact Huaker to receive a full refund. Consumers will be asked to throw the magnetic toy sets away and email a photo of the disposed product to Huaker-magnetic-balls@outlook.com.

Incidents/Injuries: None reported

Sold At: Amazon.com from **September 2025 through November 2025** for about \$23.

GARRISON SAFETY OFFICE SAFETY RECALL MESSAGE 23 February 2026

JJGoo LED Balloon Lights Recalled Due to Risk of Serious Injury or Death from Battery Ingestion (Recall Alert)

Company Recall Date: 19 February 2026

Recall Number: 26-274

Name of Product: JJGoo LED Balloon Lights

Hazard: The recalled lights violate the mandatory standard for consumer products containing button cell or coin batteries because they contain button cell batteries that can be accessed easily by children, posing an ingestion hazard. Additionally, the LED lights do not have the warnings required by Reese's Law. When button cell batteries are swallowed, the ingested batteries can cause serious injuries, internal chemical burns and death.

Consumer Contact: JJGoo by email at JJGooLEDBalloonLightsrecall@outlook.com.

Description: This recall involves JJGoo- branded balloon lights. The recalled, submersible lights were sold in packs of 100 LED color-changing lights. Each multi-color, blinking light measures about 0.6 inches in diameter and has 200 preinstalled LR41 batteries. "MY1005E-Colorfu1-100" is printed on a label on the product packaging.

Remedy: Consumers should stop using the recalled LED lights immediately, place them in an area that children cannot access and properly dispose of the batteries. Contact JJGoo for a full refund. Consumers should throw the balloon lights away and send a photo of the product in the trash to JJGooLEDBalloonLightsrecall@outlook.com.

Incidents/Injuries: None reported

Sold At: Amazon.com from **October 2025 through November 2025** for about \$10.

GARRISON SAFETY OFFICE SAFETY RECALL MESSAGE 23 February 2026

Meijer Recalls Lullaby Lane and MCS Children's Sleepwear Due to Burn Hazard (Recall Alert)

Company Recall Date: 19 February 2026

Recall Number: 26-275

Name of Product: Meijer one-piece footed 12-, 18-and 24-month children's sleepwear

Hazard: The recalled sleepwear violates the mandatory flammability standard for children's sleepwear, posing a risk of burn injuries to children.

Consumer Contact: Meijer toll-free at [800-927-8699](tel:800-927-8699) or online

at <https://www.meijer.com/recalls/KB0020513> or <https://www.meijer.com/> and click on "Product Recalls" at the bottom of the page for more information.

Description: This recall involves 10 different styles in various colors and patterns of 12-, 18-and 24-month size MCS and Lullaby Lane branded one-piece footed sleepwear. The brand, size and "Made in Thailand" are printed on the neck of the garment. The sleepwear has the style number located on a sewn-in, side-seam label, check for lists [here](#).

Remedy: Consumers should immediately stop using the recalled sleepwear and return the product to a Meijer store for a full refund.

Incidents/Injuries: None reported

Sold At: Meijer stores in Michigan, Ohio, Indiana, Illinois, Wisconsin and Kentucky from **December 2024 through October 2025 for about \$5 through \$12.**

GARRISON SAFETY OFFICE SAFETY RECALL MESSAGE 23 February 2026

SAMIT Youth Multi-Purpose Helmets Recalled Due to Risk of Serious Injury or Death from Head Injury (Recall Alert)

Company Recall Date: 19 February 2026

Recall Number: 26-277

Name of Product: SAMIT Youth Multi-Purpose Helmets

Hazard: The recalled helmets violate the mandatory safety standard for bicycle helmets because the helmets do not comply with the positional stability and certification requirements. The helmets can fail to protect the user in the event of a crash, posing a serious risk of injury or death due to head injury.

Consumer Contact: Samit Outdoors by email at usjialebei@foxmail.com for more information.

Description: This recall involves SAMIT multi-purpose helmets for children. The recalled helmets were sold in one size and fit a head circumference of about 21 to 23 inches. The helmets are sold in “crack” blue, “crack” red, and “crack” black with a cracked paint design. They were also sold in pure black. The helmets have gray padding, black straps, a black and red buckle with a black chin strap, and a black plastic knob at the back of the helmet for adjusting the fitting.

Remedy: Consumers should immediately stop using the recalled helmets and contact Samit Outdoor for a full refund. Consumers should destroy the recalled helmet by cutting the straps off. Consumers can upload photos of the helmet with the straps cut off to usjialebei@foxmail.com to obtain a refund.

Incidents/Injuries: None reported

Sold At: Amazon.com from **March 2025 through November 2025** for between \$28 and \$33.
