How to Submit Application

Contractors / Business Vendors / FMWR Patrons:

The Fort Gordon Directorate of Emergency Services (DES), Physical Security Office will accept access request forms from the following method.

Safe Access File Exchange (SAFE) – This is the most secure means of delivering your request form to the Directorate of Emergency Services.

*Below are step-by-step instructions on how to use the SAFE method.*
You will start by downloading the Access Request Form.

You can save the form to your computer and fill it out digitally, or print the form and complete it. To send the form digitally via SAFE, use the following steps.

Visitors applying for a **Short Term Pass/Background Check** should visit the Visitor Control Center at McKenna Gate 1.

SAFE:

1. Navigate to SAFE site: https://safe.amrdec.army.mil/safe/Welcome.aspx

2. After you click 'OK' this page will display.

If you do not have a Common Access Card (CAC), use the NON-CAC Users 'Click Here'

3. The following page will display

1. Enter your name

2. Enter your Email

3. Confirm your Email

4. Browse to where you saved your access request form and select it.

5. Add Description. Eg. (Your Name-Installation Access Visitors Request)
