Huffy Children's Ride-On Tonka Dump Trucks Due to Fire and Burn Hazards (Recall Alert)

Company Recall Date: 24 April 2025

Recall Number: 25-235

Name of Product: Huffy 12-volt Children's Ride-On Tonka Dump Trucks, Models 17362 and 17323

Hazard: The controller on the recalled ride-on dump trucks can overheat, posing fire and burn hazards.

Consumer Contact: Huffy at 800-872-2453 from 8 a.m. to 5 p.m. ET Monday through Friday, by email at service@huffy.com, or online at <https://www.huffy.com/tonka-ride-on-toy-recall> or at www.huffy.com and click on "Recall Notices" at the top of the page for more information.

Description: This recall involves Huffy 12-volt children's ride-on Tonka Dump Trucks, models 17362 and 17323. The ride-on trucks are yellow and black with "Tonka" labels on the front and side of the truck. The ride-on truck measures 45 inches long, 32 inches wide and 24 inches tall. It has four wheels, two seats, a steering wheel, working LED headlights and a powered dump bed. The recalled trucks have date codes from 15623 to 18724 printed on a label under the body of the truck. The date code's last two numbers are for the year and the first three numbers are for the day of the year; so, for example, the date code 15623 represents June 5, 2023, and date code 18724 represents July 5, 2024.

Remedy: Consumers should immediately stop using the recalled children's dump trucks and contact Huffy for a free replacement controller. Huffy is contacting all known purchasers directly.

Incidents/Injuries: Huffy has received three reports of the controller overheating, and one report of a fire that consumed the ride-on truck. No injuries have been reported.

Sold At: Target and Sam's Club stores nationwide and online at www.target.com and www.samsclub.com from **June 2023 through March 2025 for about \$300.**

AliExpress LED Strip Lights (Recall Alert)

Company Recall Date: 24 April 2025

Recall Number: 23-232

Name of Product: LED Strip Lights

Hazard: Recalled lights violate the mandatory federal regulations for consumer products designed to use button cell or coin batteries because the strip lights allow easy access by children to the lithium coin batteries, posing an ingestion hazard. In addition, the recalled products do not have the required warnings. When button cell or coin batteries are swallowed, the ingested batteries can cause serious injuries, internal chemical burns and death.

Consumer Contact: AliExpress online service
