Boyro Baby Walkers Recalled Due to Risk of Serious Injury or Death from Fall Hazard (Recall Alert)

Company Recall Date: 26 June 2025

Recall Number: 25-361

Name of Product: Boyro Baby Walkers

Hazard: The recalled baby walkers violate the federal safety standard for infant walkers because they can fit through a standard doorway and fail to stop at the edge of a step as required, posing a risk of serious injury or death due to a fall hazard. In addition, the baby walkers' brake pads contain levels of lead that exceed the federal lead content ban that are prohibited in children's products by the Federal Hazardous Substances Act. Lead is toxic if ingested by young children and can cause adverse health effects.

Consumer Contact: Boyro Baby by email at boyrobaby@outlook.com, or online at <https://www.boyrobaby.com/round-walker-safety-recall/> or www.boyrobaby.com and click on "Round Walker Safety Recall" for more information.

Description: This recall involves Boyro Baby's baby walkers, model number US-B01. The plastic walkers were sold in black, blue and gray with five levels of height adjustments. They have a black or gray rotating seat, a matching footpad, six wheels and four removable toys (an owl, a flower, an arch with a ball and a three-button panel that plays music and lights up.) "Ready To Ride" appears on a label on one of the walker's legs and the height-adjustment buttons are on another leg. "Boyro Baby" and the model number are printed on the tracking label, located under the seat cushion.

Remedy: Consumers should stop using and disassemble the recalled baby walkers immediately and contact Boyro Baby for instructions on receiving a full refund. Consumers will be asked to destroy the disassembled baby walker and email three photos of the destroyed product to boyrobaby@outlook.com. Once the three photos have been received, Boyro Baby will issue a refund. Boyro Baby and Amazon are contacting all known purchasers directly.

Incidents/Injuries: None reported

Sold At: Amazon.com from **August 2024 through December 2024** for between \$70 and \$90.

LED Fireplace Lanterns Recalled Due to Risk of Serious Injury or Death from Ingestion Hazard (Recall Alert)

Company Recall Date: 26 June 2025

Recall Number: 25-360

Name of Product: LED Fireplace Lanterns

Hazard: The recalled lanterns violate the mandatory federal standard for consumer products containing button cell or coin batteries because the lithium coin battery in the remote control can be accessed easily by children, posing an ingestion hazard. In addition, the recalled products do not have the warning labels required under Reese's Law. When button cell or coin batteries are swallowed, the ingested batteries can cause serious injuries, internal chemical burns and death.

Consumer Contact: Green Pastures Wholesale toll-free at 855-787-7429 from 9 a.m. to 3 p.m. ET Monday through Friday, email at info@greenpastureswholesale.com, or online at <https://greenpastureswholesale.com/product-recall> or <https://greenpastureswholesale.com> and click "Product Recall" at the top of the page for more information.

Description: This recall involves LED Fireplace Lanterns with model numbers: SP-14, SP-55, SP-66 and SP-78. The battery-operated lanterns are made with a black metal frame around a LED fireplace. Some models have a metal fence, some are free standing and others have four legs. The product includes the lantern, USB power cable, a remote control and one preinstalled CR2025 lithium battery in the remote control. The model number is printed on top of the box.

Remedy: Consumers should immediately stop using and remove the battery from the lanterns' remote control and place it in an area that children cannot access. Consumers can contact Green Pastures Wholesale for information on how to receive a free UPS shipping label to return the product and to receive a full refund. Green Pastures Wholesale is contacting all known purchasers directly.

Incidents/Injuries: None reported

Sold At: AmericasMart Atlanta Green Pastures Wholesale Showroom, Atlanta, Georgia; The Columbus Warehouse, Columbus, Ohio; The Warehouse at Paxton, Paxton, Illinois; and Clarksville Wholesale Warehouse, Clarksville, Tennessee and online at <https://GreenPasturesWholesale.com> from **January 2025 through April 2025 for between \$13 and \$25, depending on the model.**

iHerb Recalls Bottles and Blister Packs of California Gold Nutrition Iron Supplements Due to Risk of Serious Injury or Death from Child Poisoning (Recall Alert)

Company Recall Date: 26 June 2025

Recall Number: 25-354

Name of Product: California Gold Nutrition Iron Supplements: Daily Prenatal Multi, Ultamins Women's Multivitamin, and Ultamins Women's 50+ Multivitamin

Hazard: The recalled dietary supplements contain iron, which must be in child-resistant packaging, as required by the Poison Prevention Packaging Act. The iron-containing dietary supplement packages violate the federal standard for child-resistant packaging because the bottles and blister packs are not child-resistant, posing a risk of deadly poisoning, if the contents are swallowed by young children.

Consumer Contact: iHerb toll-free at 888-430-4770 at any time, email at ProductRecall@iherb.com, or online at <https://www.iherb.com/help/contact> or at <https://information.iherb.com/hc/en-us/articles/37894456653972-iHerb-Recalls-California-Gold-Nutrition-Iron-Supplements-Due-to-Risk-of-Child-Poisoning> for more information.

Description: This recall involves three types of California Gold Nutrition dietary supplements: Daily Prenatal Multi, Ultamins Women's Multivitamin, and Ultamins Women's 50+ Multivitamin. The California Gold Nutrition Daily Prenatal Multivitamin bottles are white with a white lid and a gold border label. The bottle contains 60 fish gelatin softgel dietary supplements. The California Gold Nutrition Women's Multivitamin and Women's 50+ Multivitamin both have dark purple packaging with a gold border label. Both products contain 60 capsules in foil within the packaging. The following batch numbers and expiration dates for the products are printed on the back of the package near the bottom of package/sleeve.

Remedy: Consumers should immediately secure the recalled supplement bottles out of sight and reach of children and contact iHerb for a refund and information on how to safely discard the packaging and product. To receive a refund, consumers should email ProductRecall@iherb.com with the subject line: "Iron Supplement Refund" and provide the following information: Name, Product(s) name & quantity ordered, Evidence of destruction: initial and date each product package and include a photo with your initials and the date visible, Optional: Provide the order number associated with the purchase(s), which can be found by logging into consumer's account and viewing the "Order History". iHerb is contacting all known purchasers directly.

Incidents/Injuries: None reported
