MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Installation Food Service Policy Memorandum No.19 – Personnel
Authorized to Subsist in Appropriated Fund Warrior Restaurants (WR)

1. Reference: AR 30-22, Army Food Program, 17 July 2019.
2. This policy replaces Installation Food Service Policy Memorandum No. 19 – Personnel Authorized to Subsist in Appropriate Fund Dining Facilities dated 22 July 2022. While AR 30-22 calls them dining facilities (DFACs), we now refer to them as Warrior Restaurants (WR).
3. This memorandum provides guidance assistance, and responsibilities for personnel authorized to subsist in appropriated fund WR.
4. Installation appropriated fund WRs are established to provide no-cost subsistence-in-kind (SIK) to authorized military personnel (i.e., meal cardholders).
5. The installation Commander may further authorize officers, enlisted personnel, and Civilians to subsist in WRs on a reimbursement basis.
6. All active officers and enlisted personnel receiving Basic Allowance for Subsistence (BAS) and/or the subsistence portion of per diem are authorized to subsist in their assigned WR.
7. The WRs provide meals to members of the US Army Reserve and National Guard, members of other military services (i.e., Navy, Marine, and Air Force), foreign military personnel, and ROTC student cadets of military academies while in a training status as juniors or seniors.
8. The following guidelines govern subsistence in WRs by Civilians other than on-duty employees of the installation's current food service contractor.
 - a. The only Civilians authorized to subsist in the WRs on a continual basis are those possessing a current Common Access Card (CAC). The CAC will further act as a method of identification at the headcount station. They may subsist in all other WRs during normal meal hours for breakfast, lunch, and dinner. At all times, uniformed

personnel will receive priority for service in the WR. Civilians are authorized one take-out meal per individual. The authorization for continual subsistence of DoD Civilians in the WR is a permitted exception to normal policy and practice, and it will be continued only to the extent that it does not impact service to uniformed diners. This exception to policy will be reviewed annually.

b. Civilians not possessing a current CAC (e.g., nonprofit youth groups, junior ROTC units, entertainment groups, civilian dignitaries, and veterans' reunion groups) may temporarily subsist in a WR only as authorized by the Installation Food Program Manager (IFPM). To seek such authorization, the group must submit a written request through the Director of Plans, Training, Mobilization and Security, who will review the request and forward it to the IFPM. The IFPM will decide whether the request will be approved and which WR will be utilized, and the IFPM will inform the group's point of contact and the manager of the appropriate WR.

c. Retired Service Members and Family Members of active duty Soldiers may purchase meals in a WR during the observation of Thanksgiving, Christmas, and the Army Birthday. Family members of Initial Entry Training students are authorized to subsist with their sponsor during Family visits and on the day of the sponsor's graduation ceremony.

9. The proponent for this policy is the Installation Food Program Manager, Logistics Readiness Center, (706) 791-2636/5680.
