## NATIONAL CHILD ABUSE PREVENTION MONTH

April is National Child Abuse Prevention Month (CAPM) as well as the Month of the Military Child. This year's theme is: "Strong Communities Strengthen Families", with key messages:

- ▶ **BE INFORMED** - Stay a step ahead, build your parenting skills
- ▶ **BE ATTENTIVE** - Consistent care and supervision help kids thrive
- ▶ **BE SUPPORTIVE** - Caring words and small actions make a big difference

Raising awareness in the Army community helps to lower risk, reduce stigma, increase prevention, and improve health and safety for all in the Army community as these areas relate to child abuse and neglect. Throughout the month, blue pinwheels will be displayed in various locations or planted in "pinwheel gardens" at all Army installations and communities island-wide. The pinwheel is the nationwide symbol for Child Abuse Prevention Month and serves as a reminder of the wonderful liveliness and spirit found in children.

Please join the Army Community Service, Family Advocacy Program, along with other on and off post agencies throughout Oahu as we stand together on behalf of our children to raise awareness and encourage the prevention of child abuse. All members of the Army Community are invited to participate in the following events:
