COMMUNITY INFORMATION EXCHANGE

Community Information Exchanges are held virtually only. No in-person attendance is allowed.

Community Information Exchange, or CIE, is held every month, and is open to anyone who wishes to attend, including Soldiers and family members. The meetings are from 9-10 a.m., the last Wednesday of each month, at Wheeler Army Barracks. Meetings are not held in December. They are also streamed live on the garrison's YouTube channel.

Community Information Exchange meetings inform Soldiers and families on installation and community matters. The responsibility for conducting Community Information Exchange meetings rests with the garrison commander and staff to develop the agenda of installation-wide and community-wide topics of interest and concern.

The garrison commander and/or the U.S. Army Hawaii senior commander attends and supports the meetings, along with garrison subject-matter experts and directors.

Meeting slides from the meetings are available to download below. Past meetings can be viewed on Facebook .

In-Home Child Care Fee Assistance Pilot Program

The Department of Defense is committed to ensuring service members and their families have access to the child care they need to be mission ready. To help with expanding child care needs, the DOD is starting a small pilot program to explore providing fee assistance for full-time, in-home child care services.

In-home providers must successfully complete requirements for background checks and complete 32-hours of training covering topics including CPR and first aid, child abuse prevention, safe sleep and care for children with special needs, if needed. Space in the pilot program is limited. Visit <https://www.militaryonesource.mil/family-relationships/parenting-and-children/childcare/in-home-child-care-fee-assistance-program/> to learn more.

Families may use the expanded child care service available through Military OneSource to search for in-home providers.

Reach out to Military OneSource tax consultants if you have questions about tax implications for parents who employ care providers in their home.

The fee assistance pilot program will cover full-time care for a minimum of 30 hours to a maximum of 60 hours of child care weekly. Care is not limited to Monday through Friday or time of day.

In its first year, the pilot will be open in five regions that have high demand and the longest waitlists for child care. These locations are the National Capital Region; Hawaii; San Diego, CA; Norfolk, VA; and San Antonio, TX. Military families currently on the MilitaryChildCare.com waitlist or requesting child care via MilitaryChildCare.com in the five selected regions are eligible to participate in the pilot.

Eligible military families in these regions include:

- Single or dual active-duty members
- Single or dual Guard or reserve members on active duty
- Active-duty members with a full-time working spouse
- Guard or reserve members on active duty with a full-time working spouse
- Active-duty members with a spouse enrolled in a postsecondary institution on a full-time basis
- Guard or reserve members on active duty with a spouse enrolled in a postsecondary institution on a full-time basis

Families will be responsible for finding their own in-home care providers. Providers must be U.S. citizens and:

- Be at least 18 years of age
- Hold a high school diploma or equivalent
- Read, speak and write English

Police Crime Prevention Messaging and Tips

TAKE A BITE OUT OF
CRIME®

- Incidents of petty theft have increased recently in popular tourist spots with the resurgence of travel; lock and hide valuables and leave a trusted person to watch personal items if on the beach
- Thefts and crime of opportunity continue to take place on our installations; lock cars, storage sheds, and doors, try not to advertise recent high value purchases
- Expect higher rates of OVUIIs on and off post as COVID restrictions continue to lift; report possible drunk drivers by calling 911
- Beware of synthetic cannabinoids; installation law enforcement have encountered multiple people in the past month suffering from severe side effects (hallucinations, high heart rates, etc.) caused by consuming “unregulated” substances
- As the new school year begins look out for children walking on installation streets before and after school; parents—talk to them about safety and “stranger danger”

Ten Hour Rule – You Can Still Be Neighborly

It's okay to be neighborly and the “ten hour rule” does not eliminate “good neighbor” favors!

Examples of occasional care that does not occur on a regular basis.

Regular basis means routinely for an extended period of time.

- You can host a sleepover in your home with your children’s friends.
- You can care for your neighbors children in your home overnight as a favor while they enjoy a weekend get-away.
- You can care your friend’s children while they attend an appointment.
- You can be on a Family Care Plan for a friend or family member and provide care for their children when they are called away for weekend training or temporary duty.

Unauthorized child care settings do not apply to care being provided to your children in your own home.

PLEASE ALWAYS EXERCISE DUE DILIGENCE
