COMMUNITY INFORMATION EXCHANGE

Community Information Exchanges are held virtually only. No in-person attendance is allowed.

Community Information Exchange, or CIE, is held every month, and is open to anyone who wishes to attend, including Soldiers and family members. The meetings are from 9-10 a.m., the last Wednesday of each month, at Wheeler Army Barracks. Meetings are not held in December. They are also streamed live on the garrison's YouTube channel.

Community Information Exchange meetings inform Soldiers and families on installation and community matters. The responsibility for conducting Community Information Exchange meetings rests with the garrison commander and staff to develop the agenda of installation-wide and community-wide topics of interest and concern.

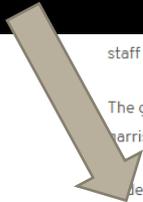

The garrison commander and/or the U.S. Army Hawaii senior commander attends and supports the meetings, along with garrison subject-matter experts and directors.

Meeting slides from the meetings are available to download below. Past meetings can be viewed on Facebook .

Travel

This may seem like a no-brainer, but you need to fly to get to Hawaii. Check your orders are available and all Dependants are Command Sponsored every page 23, you can book flights through family Travel to fly to Hawaii's. Expect to be a long flight. Estimated flight times from the West Coast are over 3 hours. So if you're coming from anywhere East of LA, your flight will be longer.

The airport is not on a military base, so arrange for transportation from the airport to lodging.

Army Sponsorship Program

A sponsor is a person from your garrison installation who can answer questions about Hawaii and help you before, during and, after your move.

If you haven't been assigned a sponsor, you can request a sponsor through your unit's unit. Soldiers try to match sponsors and service members by rank and family status. We also recognize that the service member isn't the only one affected by a move so kids can request sponsors, too.

To obtain a sponsor contact the Garrison Sponsorship Coordinator at 808-611-8270; DSN 312-455-8270 prior to your arrival.

All personnel assigned to Tripler Army Medical Center call 808-433-9160 to obtain a sponsor.

Your sponsor should meet you at the airport when you arrive. He or she will escort you to the US Army Hawaii Liaison Desk to sign in.

If you are not met by your sponsor, you should report to sign in at the US Army Hawaii Liaison Desk at the Honolulu International Airport located near baggage claim 19. You must sign in at the desk in order to sign T.I.A. and in processing. The 24-hour CQ contact number is 808-282-0089.

Some ideas to keep kids busy on the long flight:

1. Snacks, Snacks, & Snacks
2. Movies & Tablets
3. Coloring Books
4. Books
5. Playing I-Spy
6. Pillow & Blanket

Ten Hour Rule – You Can Still Be Neighborly

It's okay to be neighborly and the “ten hour rule” does not eliminate “good neighbor” favors!

Examples of occasional care that does not occur on a regular basis.

Regular basis means routinely for an extended period of time.

- You can host a sleepover in your home with your children’s friends.
- You can care for your neighbors children in your home overnight as a favor while they enjoy a weekend get-away.
- You can care your friend’s children while they attend an appointment.
- You can be on a Family Care Plan for a friend or family member and provide care for their children when they are called away for weekend training or temporary duty.

Unauthorized child care settings do not apply to care being provided to your children in your own home.

PLEASE ALWAYS EXERCISE DUE DILIGENCE

In-Home Child Care Fee Assistance Pilot Program

The Department of Defense is committed to ensuring service members and their families have access to the child care they need to be mission ready. To help with expanding child care needs, the DOD is starting a small pilot program to explore providing fee assistance for full-time, in-home child care services.

In-home providers must successfully complete requirements for background checks and complete 32-hours of training covering topics including CPR and first aid, child abuse prevention, safe sleep and care for children with special needs, if needed. Space in the pilot program is limited. Visit <https://www.militaryonesource.mil/family-relationships/parenting-and-children/childcare/in-home-child-care-fee-assistance-program/> to learn more.

Families may use the expanded child care service available through Military OneSource to search for in-home providers.

Reach out to Military OneSource tax consultants if you have questions about tax implications for parents who employ care providers in their home.

The fee assistance pilot program will cover full-time care for a minimum of 30 hours to a maximum of 60 hours of child care weekly. Care is not limited to Monday through Friday or time of day.

In its first year, the pilot will be open in five regions that have high demand and the longest waitlists for child care. These locations are the National Capital Region; Hawaii; San Diego, CA; Norfolk, VA; and San Antonio, TX. Military families currently on the MilitaryChildCare.com waitlist or requesting child care via MilitaryChildCare.com in the five selected regions are eligible to participate in the pilot.

Eligible military families in these regions include:

- Single or dual active-duty members
- Single or dual Guard or reserve members on active duty
- Active-duty members with a full-time working spouse
- Guard or reserve members on active duty with a full-time working spouse
- Active-duty members with a spouse enrolled in a postsecondary institution on a full-time basis
- Guard or reserve members on active duty with a spouse enrolled in a postsecondary institution on a full-time basis

Families will be responsible for finding their own in-home care providers. Providers must be U.S. citizens and:

- Be at least 18 years of age
- Hold a high school diploma or equivalent
- Read, speak and write English

Due to the COVID travel restrictions, the process to request orders for all Government Funded Travel now requires additional steps. (Early Return of Dependent, Dependent Travel, Space A Travel and Student Travel.)

All Government Funded Travel requests are processed as follows:

1. Service Member submits the packet to their Chain of Command (packet checklists provided on the Garrison Webpage)
2. Chain of Command submits the packet to Schofield Family Travel Section Military-Personnel Division (SFTS-MPD)
3. After tentatively approving the request for travel, the SFTS-MPD provides the S-1 a Memorandum to be used as a justification to request a Travel Exception to Policy (ETP) signed by the first General Officer in the Chain of Command.
