### COMMUNITY INFORMATION EXCHANGE

**Community Information Exchanges are held virtually only. No in-person attendance is allowed.**

Community Information Exchange, or CIE, is held every month, and is open to anyone who wishes to attend, including Soldiers and family members. The meetings are from 9-10 a.m., the last Wednesday of each month, at Wheeler Army Barracks. Meetings are not held in December. They are also streamed live on the garrison's YouTube channel.

Community Information Exchange meetings inform Soldiers and families on installation and community matters. The responsibility for conducting Community Information Exchange meetings rests with the garrison commander and staff to develop the agenda of installation-wide and community-wide topics of interest and concern.

The garrison commander and/or the U.S. Army Hawaii senior commander attends and supports the meetings, along with garrison subject-matter experts and directors.

Meeting slides from the meetings are available to download below. Past meetings can be viewed on Facebook .

## COVID-19 Testing

### Getting Tested

Our COVID-19 testing garage requires a provider order. There are several ways to obtain an order:

- Call the COVID-19 Hotline at 808-433-8102. The hotline is open M-F from 7:30 a.m. – 4 p.m.
- Send a test request to your provider via secure messaging on the MHS Genesis Patient Portal.
- Complete an eVisit within the MHS Genesis Patient Portal.
  - Login to MHS Genesis
  - Select the “Appointments and e-Visits” tab on the left side of the page
  - Click On “View Available e-Visits”.
  - Once you complete and submit the questionnaire, your provider will review it and determine if you need a COVID-19 test. If they order a test for you, you will receive a notification through the MHS Genesis Patient Portal that a test has been ordered.
- After a provider places the order, proceed directly to the COVID-19 testing garage. The garage is open M-F from 9 a.m. – 11:50 a.m. & 12:50 p.m. – 5 p.m. We are experiencing increased wait times as demand for testing increases. Please self-isolate while awaiting the results of your COVID-19 test.
- For information on getting a COVID-19 test at a non-Military Treatment Facility, visit [www.oneoahu.org](http://www.oneoahu.org)

### Test Results

- Results are typically available within 24-48 hours, but patients may experience a slight delay as demand for COVID-19 testing increases. The fastest way to receive your results is through the MHS Genesis Patient Portal. If you do not have access to the Patient Portal, register for a DS login at <https://dmdc.osd.mil/milconnect>
- We **CANNOT** provide test results or medical guidance through Facebook or Google Messenger

### At Home Test Kits

- At home tests are available through [www.covidtests.gov](http://www.covidtests.gov)
- Limit one order per residential address. One order includes 4 rapid antigen COVID-19 tests

In its first year, the pilot program will be open in five regions that have high demand and the longest waitlists for child care. These locations are the National Capital Region; Hawaii; San Diego, CA; Norfolk, VA; and San Antonio, TX. Military Families currently on the MilitaryChildCare.com waitlist or requesting child care via MilitaryChildCare.com in the five selected regions are eligible to participate in the pilot program.

Eligibility requirements include:

- Guard or Reserve members on active duty with a full-time working spouse
- Active Duty members with a spouse enrolled in a postsecondary institution on a full-time basis

# DHR - Family Travel Office

Due to the COVID travel restrictions, the process to request orders for all Government Funded Travel now requires additional steps. (Early Return of Dependent, Dependent Travel, Space A Travel and Student Travel.)

All Government Funded Travel requests are processed as follows:

1. Service Member submits the packet to their Chain of Command (packet checklists provided on the Garrison Webpage)
2. Chain of Command submits the packet to Schofield Family Travel Section Military-Personnel Division (SFTS-MPD)
3. After tentatively approving the request for travel, the SFTS-MPD provides the S-1 a Memorandum to be used as a justification to request a Travel Exception to Policy (ETP) signed by the first General Officer in the Chain of Command.
4. Chain of Command submits the signed ETP to SFTS-MPD
5. SFTS-MPD then provides the final order to S-1 and Service Member

\*Transportation and Carlson Wagon-lit (SATO) will require a copy of the final orders and signed Travel ETP to book HHG shipments and flights\*
