The screenshot shows the website header with a 'MENU' button, a 'U.S. ARMY' logo, and a 'SEARCH' field. The main heading is 'U.S. ARMY GARRISON HAWAII' with the tagline 'The Army's Home in Hawaii'. Below this are social media icons for Facebook, Instagram, Twitter, and YouTube. A breadcrumb trail reads: 'Home / Directorates & Staff Offices / Public Affairs Office / Community Information Exchange'. The main section is titled 'COMMUNITY INFORMATION EXCHANGE'. The text describes the Community Information Exchange (CIE) as a monthly meeting open to all, held on the fourth Thursday of each month from 9-10 a.m. It mentions a 'COMMUNITY CALENDAR' and a 'Facebook' page. A section titled 'ABOUT U.S. ARMY GARRISON HAWAII' describes the quality of services and facilities provided to 100,000 Soldiers, civilians, and family members on Oahu and Hawaii. It also notes the garrison is headquartered at Wheeler Army Airfield, 20 miles from Honolulu, and that Hawaii's mild climate allows for year-round training and deployment operations. At the bottom, there is a navigation bar for years: 2022, 2021, 2020, 2019, 2018. A large grey arrow points from the text box on the left to the '2022' button.

Ash Wednesday marks the beginning of the season of Lent: a time of penitence, fasting, and prayer, in preparation for the great feast of the Resurrection. The season of Lent began in the early days of the Church as a time of preparation for those seeking to be baptized at the Easter Vigil. There are forty days of fasting throughout Lent. Since Sundays are always considered feast days, those do not count as fast days.

25th INFANTRY DIVISION &
UNITED STATES ARMY HAWAII PRESENTS

DENIM Day
27 · APRIL · 2022

What is Denim Day USA?

The campaign was originally triggered by a ruling by the Italian Supreme Court where a rape conviction was overturned because the justices felt that since the victim was wearing tight jeans she must have helped her rapist remove her jeans, thereby implying consent.

Since then, wearing jeans on Denim Day has become a symbol of disapproval against erroneous and destructive attitudes about sexual assault.

JOIN US: Wear jeans with a purpose, support survivors, and educate yourself and others about sexual assault.

In-Home Child Care Fee Assistance Pilot Program

The Department of Defense is committed to ensuring service members and their families have access to the child care they need to be mission ready. To help with expanding child care needs, the DOD is starting a small pilot program to explore providing fee assistance for full-time, in-home child care services.

The fee assistance pilot program will cover full-time care for a minimum of 30 hours to a maximum of 60 hours of child care weekly. Care is not limited to Monday through Friday or time of day.

In its first year, the pilot program will be open in five regions that have high demand and the longest waitlists for child care. These locations are the National Capital Region; Hawaii; San Diego, CA; Norfolk, VA; and San Antonio, TX. Military Families currently on the MilitaryChildCare.com waitlist or requesting child care via MilitaryChildCare.com in the five selected regions are eligible to participate in the pilot program.

Eligibility requirements include:

- Single or dual Active Duty members
- Single or dual Guard or Reserve members on active duty
- Active Duty members with a full-time working spouse
- Guard or Reserve members on active duty with a full-time working spouse
- Active Duty members with a spouse enrolled in a postsecondary institution on a full-time basis
- Guard or Reserve members on active duty with a spouse enrolled in a postsecondary institution on a full-time basis

Families will be responsible for finding their own in-home child care providers. Providers must be U.S. citizens and:

- Be at least 18 years of age
- Hold a high school diploma or equivalent
- Read, speak and write English

In-home providers must successfully complete requirements for background checks and complete 32 hours of training covering topics including CPR and first aid, child abuse prevention, safe sleep and care for children with special needs, if needed. Space in the pilot program is limited. To learn more, please visit:

<https://www.militaryonesource.mil/family-relationships/parenting-and-children/childcare/in-home-child-care-fee-assistance-program/>

Families may use the expanded child care service available through Military OneSource to search for in-home providers.

Lava Makes Moves in Halema`uma`u!

Since December 20, 2020, Madame Pele has been erupting in Halemaumau. Hawaii Volcanoes National Park, along with KMC, which sits on the edge of the volcano, have both seen an increase in visitors. The Camp felt full of cheer during the holidays as visitors enjoyed watching the lava, hiking around the National Park, and just enjoying our onsite amenities.

Visit [NPS.gov](https://www.nps.gov) to see the live video feed of the crater!

Kilauea Military Camp (KMC)

KMC is rich in History!

Kilauea Military Camp opened in November of 1916. Former President Dwight D. Eisenhower stayed here in May of 1946 and his plantation era cottage is now referred to as the “Eisenhower House” in his honor. In 1999 it was renovated into VIP quarters and in 2009 it was retrofitted with 1940s décor. This two bedroom cottage will sleep up to four people comfortably and has two bathrooms.

Ash Wednesday marks the beginning of the season of Lent: a time of penitence, fasting, and prayer, in preparation for the great feast of the Resurrection. The season of Lent began in the early days of the Church as a time of preparation for those seeking to be baptized at the Easter Vigil. There are forty days of fasting throughout Lent. Since Sundays are always considered feast days, those do not count as fast days.

Sexual Assault Awareness and Prevention Month

Teal Tuesdays

Even before the 2001 declaration of April as SAAPM, the National Sexual Violence Resource Center and the Resource Sharing Project polled sexual violence coalitions about the preferred color, symbol and month for sexual assault awareness activities. Results showed that those in the movement preferred a teal ribbon as a symbol for sexual assault prevention and awareness. It has since become nationally recognized.

Every Tuesday in April, you are encouraged to wear the color teal. Civilians may wear teal apparel and Soldiers may wear a teal ribbon, provided by the SARC, on the left pocket of the uniform.

The following day, the women in the Italian Parliament came to work wearing jeans to show their support for the victim.*
