Ash Wednesday marks the beginning of the season of Lent: a time of penitence, fasting, and prayer, in preparation for the great feast of the Resurrection. The season of Lent began in the early days of the Church as a time of preparation for those seeking to be baptized at the Easter Vigil. There are forty days of fasting throughout Lent. Since Sundays are always considered feast days, those do not count as fast days.

## COVID-19 Testing

### Getting Tested

Our COVID-19 testing garage requires a provider order. There are several ways to obtain an order:

- Call the COVID-19 Hotline at 808-433-8102. The hotline is open M-F from 7:30 a.m. – 4 p.m.
- Send a test request to your provider via secure messaging on the MHS Genesis Patient Portal.
- Complete an eVisit within the MHS Genesis Patient Portal.
  - Login to MHS Genesis
  - Select the “Appointments and e-Visits” tab on the left side of the page
  - Click On “View Available e-Visits”.
  - Once you complete and submit the questionnaire, your provider will review it and determine if you need a COVID-19 test. If they order a test for you, you will receive a notification through the MHS Genesis Patient Portal that a test has been ordered.
- After a provider places the order, proceed directly to the COVID-19 testing garage. The garage is open M-F from 9 a.m. – 11:50 a.m. & 12:50 p.m. – 5 p.m. We are experiencing increased wait times as demand for testing increases. Please self-isolate while awaiting the results of your COVID-19 test.
- For information on getting a COVID-19 test at a non-Military Treatment Facility, visit [www.oneoahu.org](http://www.oneoahu.org)

### Test Results

- Results are typically available within 24-48 hours, but patients may experience a slight delay as demand for COVID-19 testing increases. The fastest way to receive your results is through the MHS Genesis Patient Portal. If you do not have access to the Patient Portal, register for a DS login at <https://dmdc.osd.mil/milconnect>
- We **CANNOT** provide test results or medical guidance through Facebook or Google Messenger

### At Home Test Kits

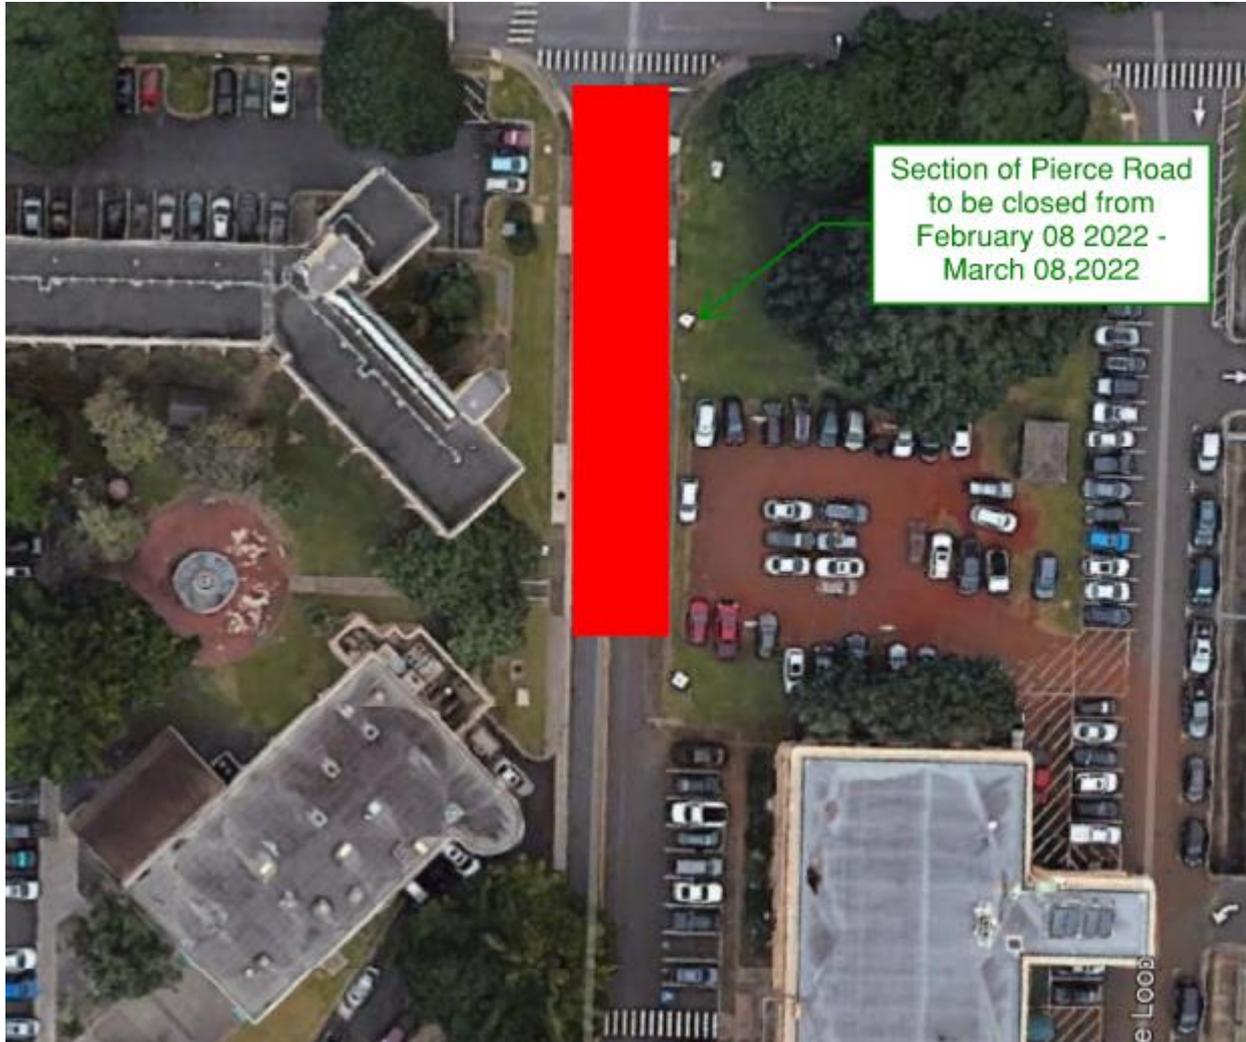

- At home tests are available through [www.covidtests.gov](http://www.covidtests.gov)
- Limit one order per residential address. One order includes 4 rapid antigen COVID-19 tests
- Please note, over-the-counter tests are not reimbursable by TRICARE

### In-Home Child Care Fee Assistance Pilot Program

The Department of Defense is committed to ensuring service members and their families have access to the child care they need to be mission ready. To help with expanding child care needs, the DOD is starting a small pilot program to explore providing fee assistance for full-time, in-home child care services.

In-home providers must successfully complete requirements for background checks and complete 32 hours of training covering topics including CPR and first aid, child abuse prevention, safe sleep and care for children with special needs, if needed. Space in the pilot program is limited. To learn more, please visit:

<https://www.militaryonesource.mil/family-relationships/parenting-and-children/childcare/in-home-child-care-fee-assistance-program/>

Families may use the expanded child care service available through Military OneSource to search for in-home providers.

# DHR - Family Travel Office

Due to the COVID travel restrictions, the process to request orders for all Government Funded Travel now requires additional steps. (Early Return of Dependent, Dependent Travel, Space A Travel and Student Travel.)

All Government Funded Travel requests are processed as follows:

1. Service Member submits the packet to their Chain of Command (packet checklists provided on the Garrison Webpage)
2. Chain of Command submits the packet to Schofield Family Travel Section Military-Personnel Division (SFTS-MPD)
3. After tentatively approving the request for travel, the SFTS-MPD provides the S-1 a Memorandum to be used as a justification to request a Travel Exception to Policy (ETP) signed by the first General Officer in the Chain of Command.
4. Chain of Command submits the signed ETP to SFTS-MPD
5. SFTS-MPD then provides the final order to S-1 and Service Member

\*Transportation and Carlson Wagon-lit (SATO) will require a copy of the final orders and signed Travel ETP to book HHG shipments and flights\*

Ash Wednesday marks the beginning of the season of Lent: a time of penitence, fasting, and prayer, in preparation for the great feast of the Resurrection. The season of Lent began in the early days of the Church as a time of preparation for those seeking to be baptized at the Easter Vigil. There are forty days of fasting throughout Lent. Since Sundays are always considered feast days, those do not count as fast days.
