

Updated August 2014

Providing policy, tools and resources to further enhance the quality of life of service members and their families.

HOW TO USE THIS DIRECTORY

This directory is only for funeral directors, veterans service organizations, Reserve Officers' Training Corps units and other authorized military funeral honors organizations use. Please do not provide the phone numbers contained in this directory to family members.

Once the family of an eligible veteran has requested military funeral honors through their funeral director, this directory is used to locate a military point of contact to help arrange for the funeral honors detail.

- To use the directory, locate the state or territory in which the interment will take place.
- Under the state, you will find a local telephone number for each of the military services. Please choose the number that corresponds to the service of the decedent. In most cases, numbers for each service will apply to the state as a whole. However, in some states, there will be more than one number per service, listed by county or city.

For any issues or concerns, please contact the DoD Military Funeral Honors program manager at 571-372-0870.
