MEMORANDUM FOR RECORD

SUBJECT: 25th Infantry Division (25th ID) Policy Letter #3 – Green Streamer & Safety Day Off Program

1. References:

- a. AR 385-10, The Safety Program, 24 February 2017.
- b. DA PAM 385-40, Army Accident Investigations and Reporting, 18 March 2015.

2. Purpose: To describe the procedures and standards of the 25th Infantry Division Green Streamer & Safety Day Off Program. This program promotes safety awareness and recognizes exceptional unit safety programs that practice total risk management. This program supplements and supports 25th Infantry Division, I Corps, and USARPAC safety campaigns.

3. Applicability: This program applies to all 25th Infantry Division units.

4. General:

Green Streamer Program

a. All company, battery, and troop units assigned or attached to 25th Infantry Division are eligible for participation in the Green Streamer program. Green Streamer awards may be presented to award recipients in conjunction with regularly scheduled award formations.

b. Units must request a safety evaluation of their safety programs by their brigade safety personnel and receive a score of 90% or higher (90-100 points). Evaluations are based on the 25ID Green Streamer Program checklist in Enclosure 1.

c. The streamer award is reevaluated at the end of each 12 month period based on the Green Streamer award date. If a unit fails to revalidate its Green Streamer, it must surrender the streamer to the Division Safety Office within 72 hours. To remain eligible, the unit must meet the initial prerequisites of the evaluation checklist.

Safety Day Off Program

d. A training holiday will be awarded to the entire 25th Infantry Division for every 100 consecutive days (The Four Quarters Program) with no DUI/OVUII incidents. A 4-day long weekend will be awarded for 365 consecutive days with no accidental fatalities or loss of limb or eyesight.

e. For the purposes of this program, “accidental fatalities” include all training, motor vehicle, pedestrian, and drowning fatalities, as well as fatalities stemming from high-risk incidents. “High-Risk” incidents include but are not limited to; the willful disregard of fire safety and weapons safety rules, abuse of alcohol, prescription, and illegal drugs, or other substances not intended for human consumption, e.g., “huffing” compressed gas dusters.

4. Responsibilities:

a. Division Safety Office.

(1) Exercise staff responsibility for the conduct of Green Streamer & Safety Day Off Program.

(2) Maintain unit eligibility records for revalidation.

(3) Coordinate with DIVSURG or brigade safety personnel to track accidents or incidents that may not be reported thru SIRs.

b. Units.

(1) Receive requests and inspect Company and Battalion formations for nomination.

(2) Submit initial Green Streamer award request to the Division Safety Office.

(3) Confirm unit's eligibility for the Green Streamer Program.

(4) Monitor and track all SIRs for program data collection.

(5) Request Division Safety Office annual safety program evaluation.

(6) Units will track and coordinate thru Division Safety Office and the Chief of Staff for awarding of the training holiday or long weekend.

c. Staff Sections:

SUBJECT: 25th Infantry Division (25th ID) Policy Letter #3 – Green Streamer & Safety Day Off Program

(1) Division PMO will compile and provide to the Division Safety Office, incident data from blotter reports on all motor vehicle citations applicable to assigned personnel to 25th ID.

(2) The G3 will coordinate and schedule a training holiday or long weekend when the Safety Day Off goals are met by units. The training holiday or long weekend should be scheduled within 20 days of the 100th day mark.

5. This memorandum supersedes previous versions and remains in effect until superseded or rescinded in writing.

6. Point of Contact for this memorandum is the 25th Infantry Division Safety Director at 808-655-8753.
