# MOWGLI

LEGEND OF THE JUNGLE

Human child Mowgli is raised by a wolf pack in the jungles of India. As he learns the often harsh rules of the jungle under the tutelage of a bear named Baloo and a panther named Bagheera, Mowgli becomes accepted by the animals of the jungle as one of their own, but the fearsome tiger Shere Khan doesn't take a liking for him. But there may be greater dangers lurking in the jungle, as Mowgli comes face to face with his human origins.

## Vehicle Towing / Abandoned Vehicles

The DES continues to work with the contracting office and other agencies in order to develop a long term solution to the abandoned vehicle problem across our installations. This is an issue that affects not only USAG-HI, but the City and County of Honolulu. We appreciate your continued patience as we work diligently with our partners to resolve this matter.

## Personal Protective Equipment

The safety of the community is a priority of the DES. Army Regulation requires the use of Personal Protective Equipment (PPE) while operating a motorcycle and motorcycle type vehicles however USARHAW Policy Letter 1 also mandates the use of PPE while operating bicycles, skateboard etc.

*Bicycle helmets approved by the Consumer Safety Commission will be worn by all personnel, including Family members, who ride bicycles on USAG-HI installations. Wearing approved protective headgear is mandatory while using powered and non-powered scooters, skateboard, roller skates, and roller blades.*

## Speed Enforcement

DES values the feedback that has been received in recent months regarding speeding in the community. Based on this feedback, targeted speed enforcement has led to over 374 citations written for speed related offenses in recent months.

The Assimilated Crime Act (18 USC 13) authorizes military police to enforce State traffic laws for all persons operating a vehicle on a military installation.

Army Regulation 190-5, allows installation commanders to implement installation specific policies regarding the operation of a motor vehicle.

## SCHOFIELD COMMISSARY UPCOMING EVENTS

- The commissary continues to increase the number of private label items, Freedoms Choice, Home Base, and Top Care. These are quality products at fabulous prices.
- We are beginning a reusable bag campaign on March 15. We will have an area as you are headed toward the queuing line just past the deli/bakery that will feature all reusable bags. Although federal installations are not required to follow state law, we think that using reusable bags is the right thing to do.
- Just want to let everyone know that baggers work for tips only. They are not commissary employees.
- Our spouse preference hiring program is alive and well. If you have less than two years on station we can bypass the normal hiring process. Just need your marriage certificate, spouses orders, and your resume. Come to our admin office and ask for Freda.
