How do I get my PCS Orders?

Home / Directorates & Staff Offices / Directorate of Human Resources / Military Personnel Division / Reassignment Work Center

REASSIGNMENT WORK CENTER

The goal of the personnel assignment system is to place the right Soldier in the right job at the right time. AR 634-100 and AR 634-200 provide overviews of the personnel assignment system. Department of the Army (DA) directed enlisted reassignments are in accordance with guidance contained in AR 634-200 and AR 634-30. DA directed officer reassignments are in accordance with guidance contained in AR 634-100. The personnel reassignment process ensures that the eligibility of Soldiers who receive AI is verified, that travel assistance is provided, that Soldiers are prepared for movement, and that their departure is verified. Reassignment processing begins upon receipt of AI, and ends with the issuance of PCS orders in accordance with AR 600-8-105.

Note: Depending on your device, you may not be able to open or edit the PDFs unless you download it to your device and then open in software vs. opening it in the browser.

Bulk Trash Pickup

- **Dumpsters (Facility Solid Waste Disposal)**

- DPW has a contract for providing and emptying dumpsters. It is the unit responsibility for keeping the area around the dumpsters free of debris and rubbish, in order for the contractor to access the dumpsters. Bulk items may NOT be left in the vicinity of the dumpster.
- DPW does not provide dumpsters for special events, except on a reimbursable basis. If you need a dumpster for a special event or tasking, your unit shall provide funding and contact DPW Service Contracts Branch at 656-4131 for assistance.

- **Bulk Pick up (Non-Housing Area)**

- For bulk waste in non-family housing areas, you must contact DPW to arrange for a dumpster, at your unit expense. Bulk waste consists of but is not limited to: shipping cartons, scrap lumber, discarded furniture, appliances, and wood pallets. Automotive parts, to include batteries and tires, are not included in the items the refuse contractor will pick up and dispose.
- If bulk items are left outside a facility's designated waste dumpster, the dumpster will not be emptied until your bulk items are removed. The unit is responsible for keeping the area around their dumpster clear.
- There is a refuse facility run by the City & County of Honolulu just past the McNair Gate at Schofield Barracks. They will accept your bulk items, if you do not take them in a military vehicle (only for personal items, government purchased items are not accepted).
- Bulk waste coming from the family housing areas on post MUST be disposed of via the IPC refuse collection contract.

- **Bulk Pick up (Housing Area)**

- Residents of Island Palm Communities have access to curbside bulk pick-up service for items that are too large for assigned refuse containers; acceptable bulk items consist of but is not limited to: furniture, appliances, grills, mattresses, disassembled bed frames, carpets, work-out equipment, and playground equipment.
- Bulk items should be placed curbside, not earlier than 5 p.m., the evening prior to scheduled trash pick-up day.

- **Army Recycling Center** (Schofield Barracks, 1087B McMahon Rd., Mon-Fri, 0730-1600)

- Bulky Items that can brought to the Army Recycling Center (ARC) include: cardboard (flattened), untreated wooden pallets/scrap wood, and scrap metal.
