Community Information Exchange, or CIE, is held every month, and is open to anyone who wishes to attend, including Hawaii Soldiers and family members. The meetings are from 9-10 a.m., the last Wednesday of each month, at Schofield Barracks. Meetings are not held in December. They are also streamed live on the garrison's page.

Community Information Exchange meetings inform Soldiers and families on installation and community matters. The responsibility for conducting Community Information Exchange meetings rests with the garrison commander and the agenda of installation-wide and community-wide topics of interest and concern.

The garrison commander and/or the U.S. Army Hawaii senior commander attends and supports the meetings, along with garrison subject-matter experts and directors.

Slides from the meetings are available to download below. Past meetings can be viewed on [FACEBOOK](#).

OLD AGE, SURVIVORS, AND DISABILITY INSURANCE (OASDI)

SOCIAL SECURITY Payroll Tax Withholding Deferral

Effective September 2020, DoD will temporarily defer your **6.2% OASDI tax withholding** if your wages, subject to OASDI*, are less than \$4,000 in any given pay period.

CIVILIAN EMPLOYEE

DEFERRAL TIMEFRAME

- SEP 2020
- OCT 2020
- NOV 2020
- DEC 2020

COLLECTION TIMEFRAME

- JAN 2021
- FEB 2021
- MAR 2021
- APR 2021

BACKGROUND

In order to provide relief during the COVID-19 pandemic, a Presidential Memorandum was issued on August 8, 2020 and guidance followed by Internal Revenue Service on August 28, 2020, to temporarily defer employees' 6.2% Social Security (Old Age, Survivors, and Disability Insurance) or "OASDI" tax withholdings.

KEY FACTS

- This change is effective September through the end of the 2020 calendar year and only applies to your OASDI tax withholding.
- You are **not eligible to opt-out** of the deferral if your OASDI wages fall within the stated limits. The deferral will happen automatically.
- Per current IRS guidance, collection of the deferred taxes will be taken from your wages between January 1 and April 30, 2021.
- The OASDI deduction is found on your LES under the deductions tab/section.
- If you separate in 2020 before the Social Security tax can be collected in 2021, you are still responsible for the Social Security tax repayment.

ADDITIONAL RESOURCES

If you have questions on the temporary deferral of the 6.2% OASDI withholding:

- Visit the IRS page: <https://www.irs.gov/newsroom/guidance-issued-to-implement-presidential-memorandum-deferring-certain-employee-social-security-tax-withholding>
- As more information becomes available, it will be posted on: <https://www.dfas.mil/taxes/Social-Security-Deferral>
- For more information on financial readiness:
 - Consult with an Employee Assistance Program financial counselor or seek assistance from a private financial advisor.

* Wages subject to OASDI: Gross wages less Federal Employees Health Benefits (FEHB), Dental, Vision, and Health-Flexible Spending Accounts (HSA/FSA).

Additional information on the collection process will be provided in the future.

Army Family Housing - Fire Safety

On 23 Sep 20, there was a major fire in a six-plex townhome at Helemano Military Reservation, affecting seven Soldiers and Families. No one was hurt. Cause of fire is currently unknown.

Last year there were 28 residential fires on-post. Average cost of repairs for 24 of 28 fires was \$5K. Cost of repairs for the other fires was \$16K, \$36K, \$61K and \$3 Million (for the six-plex townhome).

Fire Safety (from RedCross.org):

1. 7 people die every day from a home fire. Children and the elderly are mostly affected.
2. 36 people suffer injuries every day from a home fire.
3. Over \$7 Billion in property damage occurs every year from home fires.
 - Keep items that can catch on fire at least three feet away from anything that gets hot.
 - Smoking materials are the leading cause of residential fire deaths in the U.S. If you smoke, take precautions: smoke outside, choose fire-safe cigarettes, never smoke in bed when drowsy or medicated or if anyone in the home is using oxygen.
 - Use deep, sturdy ashtrays and douse cigarette and cigar butts with water before disposal.
 - Talk to children regularly about the dangers of fire, matches and lighters. Keep them out of reach.
 - Never leave a stove or burning candle unattended.

Renter's Insurance:

Cost (actual quote) for 4BR Home in Mililani is \$10.71/month with \$500 deductible. Coverage includes personal belongings / liability up to \$10K / \$100K respectively.

Army Family Housing – Guidelines for Pet Owners

- Residents may not board any dog of a breed (including a mixed breed) that is deemed “aggressive or potentially aggressive” unless the dog is a certified military working dog that is being boarded by its handler/trainer. Pit bull Terriers, Staffordshire Terriers, Rottweilers, Doberman Pinschers, Chows, Wolf hybrids or dogs with any of these breeding combinations are strictly forbidden on Hawaii Army installations and in IPC.
- This prohibition also extends to other dogs that demonstrate a propensity for dominant or aggressive behavior as indicated by any of the following types of conduct:
 - Unprovoked barking, growling, or snarling at people approaching the animal
 - Aggressively running along fence lines when people are present
 - Biting or scratching people
 - Escaping confinement or restriction to chase people
 - All dogs and cats must wear pet collars; pet collars must have a current rabies immunization tag attached
 - All dogs and cats must have appropriate microchip identification as required by Hawaii State Law
 - Pet owners must have proof of immunization by a certified veterinarian that is valid for at least 12 months
- Pet owners are responsible for the behavior of their pets at all times.

USARHAW Halloween Recommendations

Under current conditions, Halloween activities are anticipated to be authorized implementing the following COVID-19 safety and prevention protocols. Guidance may change as the local situation changes.

- Groups no greater than five people, unless in the same household
- All those participating in Halloween activities, must wear masks and maintain six feet distance between other groups. Any individual over the age of two is required to wear a mask---ie parents/guardians escorting “trick-or-treaters”. A costume mask is not a substitute for a cloth mask unless it is made of two or more layers of fabric that covers your mouth and nose. “Trick-or-treaters” should highly consider using a Halloween themed cloth mask for Halloween activities.
- “One-way trick-or-treating” is highly recommend for Halloween activities in order to limit interaction. This includes having candy readily available outdoors for children to grab-and-go, either in the driveway or the edge of the yard while wearing a mask. "Trick-or-Treaters" should not come to the front door of any house for candy.
- Use of hand sanitizer/hand washing is highly recommended after visiting each house and/or passing out candy to groups.
- Families are encouraged to "Trick-or-Treat" in their own neighborhood (within their block)
- If you choose not to participate in Halloween activities, turn off your porch lights.
- Post is still closed to visitors for Halloween.
- “Trunk-or-treat” activities are at high risk for spreading the COVID 19 virus. Units are encouraged to develop creative and innovative lower risk activities for Halloween (such as a drive thru event where candy is distributed). For any Halloween event, BN Command teams will ensure that the proper COVID mitigation measures are develop and strictly enforced. At a minimum, activities will incorporate social distancing measures, group activity size restrictions, and hygiene protocols as part of their plans (not all-inclusive list of considerations)

Army Family Housing - Tenant Bill of Rights

The Military Housing Privatization Initiative ***Tenant Bill of Rights*** requires the Garrison Housing Office provide a *Plain Language Brief* to all Tenants prior to lease signing for on-post housing.

1. All PCSing inbound personnel desiring on-post housing will receive a Plain Language Brief following their Temporary Lodging and Allowance (TLA) Brief given by the Housing Service Office (HSO). The briefing is intended to cover Tenant Bill of Rights and review Tenant Responsibilities. Additionally, prospective Tenants will be asked if they require a Housing Official to attend the pre-assessment walkthrough on their behalf. The Plain Language Brief is not required should a Tenant decide to reside off-post
2. At 15 days after signing for quarters, the Tenant will receive an email from the HSO soliciting feedback regarding their satisfaction with on-post housing.
3. At 30 days after signing for quarters, the Tenant will receive and invite from the HSO to attend the second required Plain Language Brief. The HSO gives the brief every 1st & 3rd Wednesday of the month, beginning at 2 p.m., at <https://conference.apps.mil/webconf/PlainLanguageBrief> or via phone bridge at (410) 874-6300, Pin 846132141.
4. At 60 days after signing for quarters, the Tenant will receive a final email from the HSO soliciting feedback regarding their overall satisfaction with on-post housing and the services rendered by Island Palms Communities.
