

U.S. Army Garrison Hawaii – Environmental Compliance Guide

GREEN WASTE (Yard Waste)

GENERAL INFORMATION

Green waste includes tree branches, plants, grass clippings, leaves and palm fronds. Green waste from base cleanup activities can be brought to the Army Recycling Center (ARC). The green waste is sent to a local recycling facility where it is turned into compost, a nutrient rich soil conditioner that is beneficial for healthy plant growth.

Dirt, gravel, rocks, etc. are NOT recyclable with green waste.

HANDLING AND DISPOSAL PROCEDURES

DO NOT place green waste into trash dumpster or leave it abandoned next to dumpsters.

Dropoff green waste at the Army Recycling Center., at 1087 McMahon Road, Schofield Barracks. Pick-up service not available for green waste.

Branches and stumps should be cut into 4 feet lengths.
