COMMUNITY INFORMATION EXCHANGE

the Community Information Exchanges are held virtually only. No in-person attendance is allowed.

Community Information Exchange, or CIE, is held every month, and is open to anyone who wishes to attend, including Soldiers and family members. The meetings are from 9-10 a.m., the last Wednesday of each month, at the Wheeler Army Airfield Barracks. Meetings are not held in December. They are also streamed live on the garrison's YouTube channel.

Community Information Exchange meetings inform Soldiers and families on installation and community matters. The responsibility for conducting Community Information Exchange meetings rests with the garrison commander and staff to develop the agenda of installation-wide and community-wide topics of interest and concern.

The garrison commander and/or the U.S. Army Hawaii senior commander attends and supports the meetings, along with garrison subject-matter experts and directors.

Slides from the meetings are available to download below. Past meetings can be viewed on Facebook .

COVID-19 Vaccine Frequently Asked Questions

- **How do I schedule my second dose?**
We recommend scheduling your COVID-19 vaccines at www.operationCOVIDshot.com.
- **Why aren't there any open appointments on www.operationCOVIDshot.com?**
There are currently no open appointments for COVID-19 vaccines at Tripler Army Medical Center, Desmond Doss Health Clinic, or Naval Health Clinic Hawaii due to a reduced vaccine supply. We will open appointments as we receive a resupply of the vaccine.
- **How will I know when you receive more vaccines so I can schedule my appointment?**
Please continue to check the individual MTF social media sites or www.operationCOVIDshot.com for the most up to date information, including available appointments.
- **Do I need to contact Tripler Army Medical Center, Desmond Doss Health Clinic, or Naval Health Clinic Hawaii to book my second appointment?**
No, you do not need to contact an MTF to book an appointment for your vaccine. We recommend you book your appointments on www.operationCOVIDshot.com. Please continue to check our individual MTF social media sites or www.operationCOVIDshot.com for the most up to date information, including available appointments.
- **What about the vaccine timeline? Will I get my second dose in time?**
The CDC recommends 21-42 days between doses, which provides a wide window for scheduling your second appointment with no reduction in efficacy. Individuals who received a cancellation notice will be prioritized for a vaccine once we receive a resupply.
- **Do I have to get my second dose at the same place I received my first dose?**
We highly recommend booking your second vaccine at the same facility where you received your initial dose. This allows us to better predict demand at each location and appropriately allocate vaccine supply across the platforms.
- **When will children under the age of 16 be able to receive the vaccine?**
Research regarding the safety and efficacy of the vaccine for patients under 16 years of age is ongoing. Therefore, we are not currently vaccinating children under 16 years old. Please continue to check our Facebook pages and www.operationCOVIDshot.com for changes to this policy.

Do you have Questions or Concerns about COVID-19 or the Vaccine, please reach out to our **COVID-19 Hotline** as we have a great team standing by to assist.

(808) 433-8102

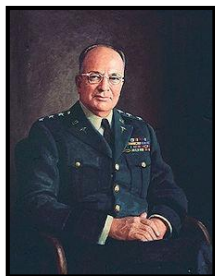

Tripler Army Medical Center also allows vaccine appointment booking through TRICARE Online.

Unauthorized Child Care Ten Hour Rule – You Can Still Be Neighborly

It's okay to be neighborly and the “ten hour rule” does not eliminate “good neighbor” favors!

Examples of occasional care that does not occur on a regular basis.

Regular basis means routinely for an extended period of time.

- You can host a sleepover in your home with your children's friends.
- You can care for your neighbors children in your home overnight as a favor while they enjoy a weekend get-away.
- You can care your friend's children while they attend an appointment.
- You can be on a Family Care Plan for a friend or family member and provide care for their children when they are called away for weekend training or temporary duty.

Unauthorized child care settings do not apply to care being provided to your children in your own home.

PLEASE ALWAYS EXERCISE DUE DILIGENCE

DHR - Family Travel Office

Due to the COVID travel restrictions, the process to request orders for all Government Funded Travel now requires additional steps. (Early Return of Dependent, Dependent Travel, Space A Travel and Student Travel.)

All Government Funded Travel requests are processed as follows:

1. Service Member submits the packet to their Chain of Command (packet checklists provided on the Garrison Webpage)
2. Chain of Command submits the packet to Schofield Family Travel Section Military-Personnel Division (SFTS-MPD)
3. After tentatively approving the request for travel, the SFTS-MPD provides the S-1 a Memorandum to be used as a justification to request a Travel Exception to Policy (ETP) signed by the first General Officer in the Chain of Command.
4. Chain of Command submits the signed ETP to SFTS-MPD
5. SFTS-MPD then provides the final order to S-1 and Service Member

Soulful Sundays (Spiritual but not Religious) Service

CH (CPT) Sarah Caine explains the collaborative 3rd Sundays model for service- Attendees are invited to share a reading, music, or practice that connects with the theme of the month.

Left: Preparing to honor the lives of the victims of the Atlanta area shootings and naming a dedication to living to make a world without hate crimes possible.

The goal of Soulful Sundays is to provide spiritual support for those who are unaffiliated with organized religion or those seeking spiritual community beyond their regular community.

We welcome all people who want to grow spiritually within our pluralistic community.

Buddha Quote

Do not dwell in the past, do not

No one saves us but ourselves.

We ourselves must walk the path.
