COMMUNITY INFORMATION EXCHANGE

the Community Information Exchanges are held virtually only. No in-person attendance is allowed.

ommunity Information Exchange, or CIE, is held every month, and is open to anyone who wishes to attend, including Soldiers and family members. The meetings are from 9-10 a.m., the last Wednesday of each month, at the Wheeler Army Barracks. Meetings are not held in December. They are also streamed live on the garrison's YouTube channel.

ommunity Information Exchange meetings inform Soldiers and families on installation and community matters. The responsibility for conducting Community Information Exchange meetings rests with the garrison commander and staff to develop the agenda of installation-wide and community-wide topics of interest and concern.

The garrison commander and/or the U.S. Army Hawaii senior commander attends and supports the meetings, along with garrison subject-matter experts and directors.

Slides from the meetings are available to download below. Past meetings can be viewed on Facebook .

Unauthorized Child Care Ten Hour Rule – You Can Still Be Neighborly

It's okay to be neighborly and the "ten hour rule" does not eliminate "good neighbor" favors!

Examples of occasional care that does not occur on a regular basis.

Regular basis means routinely for an extended period of time.

- You can host a sleepover in your home with your children's friends.
- You can care for your neighbors children in your home overnight as a favor while they enjoy a weekend get-away.
- You can care your friend's children while they attend an appointment.
- You can be on a Family Care Plan for a friend or family member and provide care for their children when they are called away for weekend training or temporary duty.

Unauthorized child care settings do not apply to care being provided to your children in your own home.

PLEASE ALWAYS EXERCISE DUE DILIGENCE

In-Home Child Care Fee Assistance Pilot Program

The Department of Defense is committed to ensuring service members and their families have access to the child care they need to be mission ready. To help with expanding child care needs, the DOD is starting a small pilot program to explore providing fee assistance for full-time, in-home child care services.

In-home providers must successfully complete requirements for background checks and complete 32 hours of training covering topics including CPR and first aid, child abuse prevention, safe sleep and care for children with special needs, if needed. Space in the pilot program is limited. To learn more, please visit:

<https://www.militaryonesource.mil/family-relationships/parenting-and-children/childcare/in-home-child-care-fee-assistance-program/>

Families may use the expanded child care service available through Military OneSource to search for in-home providers.

Reach out to Military OneSource tax consultants if you have questions about tax implications for parents who employ care providers in their home.

The fee assistance pilot program will cover full-time care for a minimum of 30 hours to a maximum of 60 hours of child care weekly. Care is not limited to Monday through Friday or time of day.

In its first year, the pilot program will be open in five regions that have high demand and the longest waitlists for child care. These locations are the National Capital Region; Hawaii; San Diego, CA; Norfolk, VA; and San Antonio, TX. Military Families currently on the MilitaryChildCare.com waitlist or requesting child care via MilitaryChildCare.com in the five selected regions are eligible to participate in the pilot program.

Eligibility requirements include:

- Single or dual Active Duty members
- Single or dual Guard or Reserve members on active duty
- Active Duty members with a full-time working spouse
- Guard or Reserve members on active duty with a full-time working spouse
- Active Duty members with a spouse enrolled in a postsecondary institution on a full-time basis
- Guard or Reserve members on active duty with a spouse enrolled in a postsecondary institution on a full-time basis

Families will be responsible for finding their own in-home child care providers. Providers must be U.S. citizens and:

- Be at least 18 years of age
- Hold a high school diploma or equivalent
- Read, speak and write English

DHR - Family Travel Office

Due to the COVID travel restrictions, the process to request orders for all Government Funded Travel now requires additional steps. (Early Return of Dependent, Dependent Travel, Space A Travel and Student Travel.)

All Government Funded Travel requests are processed as follows:

1. Service Member submits the packet to their Chain of Command (packet checklists provided on the Garrison Webpage)
2. Chain of Command submits the packet to Schofield Family Travel Section Military-Personnel Division (SFTS-MPD)
3. After tentatively approving the request for travel, the SFTS-MPD provides the S-1 a Memorandum to be used as a justification to request a Travel Exception to Policy (ETP) signed by the first General Officer in the Chain of Command.
4. Chain of Command submits the signed ETP to SFTS-MPD
5. SFTS-MPD then provides the final order to S-1 and Service Member

Transportation and Carlson Wagon-lit (SATO) will require a copy of the final orders and signed Travel ETP to book HHG shipments and flights
