Pro Soldier Values: P.R.E.P

Success starts before the first bite.
Plan your meals like you plan your missions.

Food is fuel, not filler. Choose what powers your performance, not what slows you down.

Stick to the plan. Measure, portion, eat with purpose.

Whether it's PT, the range, or recovery – your body performs based on how you fuel it.

ACS – Army Volunteer Corps (AVC)

The Army Volunteer Corps (AVC) program provides opportunities for service members, Civilians, Family members, and retirees to volunteer with official military organizations, nonprofit organizations, and support their local communities.

Volunteer Management Information System (VMIS) is the online platform that helps manage volunteerism in military communities. Within VMIS, volunteers can apply for volunteer opportunities, record and track volunteer hours, and manage their volunteer service record.

Every year during National Volunteer Week, ACS hosts the Installation Volunteer Recognition Ceremony to recognize exemplary achievement in Volunteer Service to US Army Hawaii

Volunteer training is held at ACS on the **first Tuesday of each month from 1330-1500 hrs.**

VMIS Orientation: The orientation discusses the expectations of Army volunteers and includes a hands-on demonstration on how to use and much more.

OPOC Training: This training covers the basics of volunteer Recruitment, Retention and Recognition and the VMIS system

For more information, contact Krissy Kalili at Kristina.m.Kalili.civ@army.mil or (808)787-4227

About the Pediatric, Adolescent & Young Adult Medical Home

Our Medical Home provides evidence-based, patient-centered health care to patients from birth to age 26.

What's different about a medical home?

Each patient partners with a primary care provider and nurses to coordinate care with an extended team of behavioral health professionals, pharmacists, subspecialists and others.

Your core health care team works with you over time to take care of new health concerns as they arise, ensure delivery of preventive screening and services, manage chronic health problems, and promote a spirit of health and wellness.

The relationship between each patient and their health care team is the heart of the Medical Home.

Walk-In Immunization Clinic

Immunizations are provided at the Pediatric, Adolescent & Young Adult Medical Home on a walk-in basis.
Immunization hours follow clinic hours.

School and Sports Physicals

Let the scheduler know that you are scheduling a school and/or sports physical. Required forms are posted on our website (see below). Bring printed, completed forms to your appointment. FORT LEE, Va. – Extra savings on a variety of select products await stateside commissary patrons at the Defense Commissary Agency's (DeCA) 2025 September Sidewalk Sale event.

All 176 stateside commissary locations, including Alaska and Hawaii, will participate, with most stores hosting three- or four-day events, weather permitting. To see scheduled sale dates for each store, visit the [sidewalk sales webpage](#). Event dates and products are subject to change. Overseas customers should contact their local stores to see what specific promotions are occurring in their community.

“Our September Sidewalk Sales event offers our patrons the chance to stock up and save even more on top of our normal savings,” said Navy Command Master Chief Mario Rivers, senior enlisted advisor to the DeCA director.

“With children going back to school and sports fans gearing up for their football watch parties, this is the perfect time to use your commissary benefit to lighten the load on your grocery budget,” he said.

Types of products available during the sale include:

- Snacks such as nuts, beef jerky, chips, candy and peanut butter
- Luncheon meat
- Cold cereals
- Beverages (including flavored water), juices, teas, energy drinks and coffee
- International foods such as noodle bowls
- Baking and canned goods (vegetables, beans, fruit)
- Pet food and supplies such as kitty litter
- Non-food items, such as paper towels, toilet paper, wipes, body soap, laundry, cleaning products, kitchen and trash bags, and charcoal
- Baby products
- Health and beauty products.

Patrons should also check their store’s [webpage](#) or talk with their store manager for any late changes, including weather-related postponements.

“September’s sidewalk sales offer a special opportunity for our patrons to save even more on a broad selection of quality products,” Rivers said. “You don’t need to go anywhere else to take advantage of the excellent shopping experience commissaries deliver every day.”

-DeCA-

About DeCA: *The Defense Commissary Agency operates a worldwide chain of commissaries providing groceries to military personnel, retirees, disabled veterans and other authorized patrons and their families in a safe and secure shopping environment. Commissaries provide a military benefit, saving authorized patrons thousands of dollars annually on their purchases compared to similar products at commercial retailers. The discounted prices include a 5-percent surcharge, which supports the costs of building, modernizing and sustaining commissary facilities. A core military family support element and valued part of military pay and benefits, commissaries contribute to family readiness, enhance the quality of life for America’s military services and their families, and help recruit and retain the best and brightest men and women to serve their country.*

GARRISON SAFETY BULLETIN

BIKE SAFETY 101

More people are using bicycles to commute to work, school, exercise, or just for fun. Bicycle safety encourages safer choices for the bicyclists and helps reduce injuries and deaths.

Every bike ride begins with putting on a helmet. It is equally important that you ensure a proper fit so your helmet can protect you. Bicycle helmets approved by the Consumer Product Safety Commission must be worn by all who ride bicycles, scooters, powered bikes, powered scooters, skateboards, roller skates, and roller blades on Army installations. (DA Pam 385-10, 14-3/14-4)

SAFE RIDING TIPS:

1. Be prepared before heading out
 - Ride a bike that fits you
 - Ride a bike that works properly
 - Be visible. When riding during the hours of darkness or reduced visibility, be sure to wear high visibility clothing and equip your bike with headlights and taillights.
 - Plan your route before leaving for your destination
2. Ride defensively – Stay focused and alert
 - Ride with the flow, in the same direction as traffic.
 - Obey street signs, signals, and road markings
 - Look ahead for hazards or situations that may cause you to fall
 - NO texting, listening to music or using anything distracting that causes you to take your eyes, ears or mind off the road and traffic
3. Ride predictably
 - Watch for pedestrians
 - Pass pedestrians with care by first announcing "on your left" or "passing on your left" or use a bell
 - Slow down, stop and dismount your bicycle when crossing a main or busy street. Use a crosswalk and follow the pedestrian signals
 - Slow down and look for cars backing out of driveways or turning
 - Use hand signals while turning
4. Improve your riding skills
 - Practice riding your bicycle in an open area until you are confident in your riding skills
 - Sign-up with a bicycle club

U.S. Army Garrison Hawaii
The Army's Home in Hawaii

Always wear a helmet when you ride your bike. It's the best way to protect your head in case of a crash.

Here are some tips for choosing the right helmet:

- Make sure the helmet fits snugly but not too tightly.
- Helmet should sit level on your head, with the straps adjusted so that they're snug but not too tight.
- The helmet should cover your forehead and the top and back of your head.

Are you determined? Do you desire to immerse yourself in the Polynesian culture of Hawaii? Well then come and join the 25thID's Hui Ha'a Ohana. All are welcome. The Ha'a is a tradition of displaying the warrior spirit through mana (energy) by loud chanting, slapping of the chest and stomping of the feet. We look forward to having you join our team in efforts to show our appreciation for Hawaii and its culture. Practices are on Tuesdays and Thursdays from 0630-0730 at Weyand Field by the bleachers. For more in formation contact SGT Landford (413)297-4883.

Just like your gym routine-

You can train your mind by incorporating short 10-20 minute sessions throughout your day, week, or month.

So, why train your mind?

Just like our bodies lose strength when we don't exercise, we lose mental stamina when we don't challenge our minds. With the right training, your mind can reach unfathomable limits, and the benefits you'll experience? *Seemingly unbelievable.*

MindGym Benefits

- ✓ Optimize mental performance
- ✓ Enhance focus and concentration
- ✓ Regulate the nervous system
- ✓ Orient to the present moment
- ✓ Gain a high-performance mindset
- ✓ Develop mental muscle memory
- ✓ Measure & improve performance
- ✓ Reduce Stress

Why MindGym?

MindGym offers a superior approach to mental skills training. By utilizing mirrors, light, and real-life experiences, MindGym provides a non-addictive and healthier alternative.

Call 911 or go to an Emergency Room for:

- Severe chest pain or difficulty breathing
- Signs of heart attack (chest pain longer than 2 minutes, profuse sweating, jaw numbness, left or right arm pain)
- Eye injury, or sudden loss of vision
- Suicidal or homicidal ideation
- Fractures (bone protruding from skin)
- Seizures
- Loss of consciousness
- Fever in newborn less than 3 months old
- Uncontrollable bleeding or pregnancy concerns
- Deep knife or gunshot wounds
- Severe burns
- Severe head, neck or back injury

Desmond T. Doss Health Clinic

Armed Services YMCA Hawai'i - WAAF Branch

Enhancing the lives of military members and their families in spirit, mind and body, through programs relevant to the unique challenges of military life

Early Childhood Education Programs: Operation Little Learners (OLL) and Parent Participation Preschool (PPP) guides children through the first few years of their lives and sets them up for success in kindergarten and beyond. OLL focuses on adapting to new environments and playing with new friends, and PPP encourages a love for exploration and learning in a fun and nurturing academic setting.

Operation Hero: Operation Hero is an after-school semester program in partnership with local schools designed to address the unique challenges of being a child in a military family. The program is designed for children in grades 2 to 6.

Spring Break, Summer Break, Fall Break Enrichment Camps: Enrichment camps are week-long, theme-based experiences designed for children ages 7-12. Prices and times vary.

Parents Night Out: ASYMCA hosts Parents Night Out once a month on a Friday evening at the JBPHH and MCBH Branches. Drop your kids off with us for a few hours and enjoy a night to yourself.

ASYMCA Marketplace: Free groceries! ASYMCA Marketplace (formerly known as the Food Pantry) ensures military families have everything they need to keep bellies full and homes running smoothly. From groceries to laundry detergent, diapers to personal care items, the Marketplace has everything your family needs at no cost.

'Ohana Open Market: 'Ohana Open Market is a monthly community food distribution program. Once a month, in partnership with the Hawaii Foodbank, Armed Services YMCA Hawai'i provides free food, including fresh produce, for military families who live in and around WAAF and Schofield Barracks.

Children's Waiting Room: Children's Waiting Room (CWR) at the Tripler Army Medical Center. Staff at these locations provide a safe, healthy, and nurturing environment for healthy children, 6 weeks to 12 years, to wait while their parent or sibling is at a doctor's appointment. CWR is open to all branches of the military.

Operation Holiday Joy: A donation-based program for Thanksgiving and Christmas. Based on need, referral from command, and/or Branch Director discretion.

Operation Ride Home: A program for servicemembers E5 and below. Applicants tell us why they want to go home for the holidays. Selected participants receive roundtrip airfare to be with family during the holidays.

Emergency Financial Assistance: Based on need, referral from command, or Executive Director discretion.

Early Childhood Education Programs

Operation Little Learners (Ages 0-3)

Playrooming is for military parents and children to socialize in a relaxed, self-led environment. Children engage in activities that promote social skills, creativity, literacy, and fine and large motor skills. Great way to meet new people and learn about the community. Playing and Fun for all. Meets on Fridays.

\$25/month

Early Learning Readiness is for children and their caregiver. This research-based program provides a structured learning environment that prepares your child for preschool, builds their confidence and social skills while providing you, your child's first teacher, the tools and support needed to ensure your child's success.

\$95/month

Parent Participation Preschool (Ages 3-5)

Phase 1 (Pueo): This program is designed for children who may not be socially and emotionally ready to leave their parent's side. We work with your child to build executive functioning skills so they will be able to absorb the academic rigor of a classroom. Parents are expected to participate daily with their child working towards gradual independence.

\$195/month, 2 days a week

Phase 2 (Honu): This program is designed for children who are able to be without their parents. The focus of this program is letter recognition, counting to 10, writing skills, shapes, and colors. Parent participation is assigned on a rotation. Usually once a month during class time.

2 days: \$205/month ; 3 days: \$285/month

Phase 3 (Naia): This program is designed for children who have graduated to sight words, counting to 20, writing words, 3D shapes, colors and beginning math. Parent participation is assigned on a rotation. Usually once a month during class time.

2 days: \$205/month ; 3 days: \$285/month

PARENT PARTICIPATION PRESCHOOL & OPERATION LITTLE LEARNERS

Preparing your little one for success in kindergarten and beyond!

OPERATION LITTLE LEARNERS

Children 6 weeks to 3 years old

Operation Little Learners is an interactive education program for parents and their children to enhance child development. Parents learn to be the primary educator of their child with tools to enhance child development and early learning, as well as parent-child bonding.

- ★ Early Learning Readiness (ELR): A precursor to preschool to equip children with academic tools, and caregivers the confidence to be their child's first teacher. Meets twice a week.

PARENT PARTICIPATION PRESCHOOL

Children 3 to 5 years old

Parent Participation Preschool is an academic and theme-based, multi-sensory preschool, designed to introduce children to a structured learning environment covering math, science, phonics, and writing. Parents volunteer once a month to observe their child and assist teachers.

- ★ Part-Time: 3 hours classes, 2 (Tu, Th) or 3 (MWF) days a week. Morning classes 8-11am.
- ★ Three Phases: Phase 1 (Pueo), Phase 2 (Honu), and Phase 3 (Naia) designed to introduce children to a structured learning environment.

- The American Red Cross does not authorize emergency leave for members of the United States military. Their role is to independently verify the emergency, enabling the service member's commander to make an educated decision regarding emergency leave and then to provide transportation assistance and/or financial assistance if needed.
- The American Red Cross facilitates emergency financial assistance on behalf of Military Aid Societies. These Aid Societies determine the financial assistance package that will be offered – a grant or a loan. The Red Cross is the mechanism to expedite access to these financial resources 24/7.

MilitaryChildCare.com (MCC)

All requests for childcare (full-day, before/after, summer camps) go through MCC. Requests are NOT required for hourly care, MST, VSF, or SKIES.

Childcare is offered by family priority, space availability in the center and age group, date care needed, and date that the request was made. These factors fluctuate resulting in an average of 60-120 days waiting period to receive childcare.

Verification of family priority status is required at the time of a childcare offer and at registration. Incorrect priorities may result in rescinded or cancelled offers.

Childcare Fees

The DOD Fee Policy prescribes uniform fee regulations for military child development programs based on Total Family Income (TFI). The Fee Policy and Charts are available on the MWR Parent Central Website.

Childcare Family Priorities

Family priorities are based on employment status. Spouses or sponsors working full-time are given a higher priority over part-time. For Dual Active Duty Members, sponsor is considered the senior ranking member.

Priority 1C.1 and below

Children of these priorities are subject to supplanting if a higher priority is on the waiting list. A minimum of 45 days notice is provided if a child must be supplanted.

Definition of Priority 2 Families

Single/Dual Department of Defense Civilians with a full-time Working Spouse. Mission Essential Status of Civilian employees does not affect your priority.

Verification of Spouses Seeking Employment

Children of this priority have a maximum of 90 days in care to allow spouse to gain employment (Temp Job Offers are not accepted). Verification of seeking employment is due every 30 days. Children will be removed from care and must go back on the MCC waitlist if employment is not gained by 90 days. ETPs to request an extension of care beyond 90 days may be submitted at the 60 day mark for review and consideration by the CYS Coordinator or higher.

Verification of Full-Time Student Spouse

Families of this priority are required to provide verification of enrollment every 90 days. If the spouse is no longer enrolled in school or cannot provide proof of enrollment and does not update their status to a different priority, the child will be removed from care.

Guidance for Part-Time Student Spouses

Part-time students who are not working are considered "Non-Working". Part-time students who are seeking employment must claim that priority as applicable. Verification will be required.

Definition of Full-Time Working Spouse

Working 30 hours per week or 100 hours per month OR working less than 30 hours per week or 100 hours per month and enrolled in a post-secondary educational institution.

Definition of Part-Time Working Spouse

Working less than 30 hours per week or 100 hours per month and is not enrolled in a post-secondary institution.
