Opening Remarks

Is the Water Safe to Drink?

Drinking water meets State and USEPA Drinking Water Standards.

The 2024 Consumer Confidence Report (CCR) with water quality results are located on the DPW ENV website at: [Safe Drinking Water Act Program :: U.S. Army Garrison Hawaii](#)

What is Lead Service Line Inventory (LSLI)?

Verified, that there are no known lead service lines within its water systems.

The LSLI is an inventory identifying water line pipe material throughout each public water system required by the Lead and Copper Rule Revisions (LCRR).

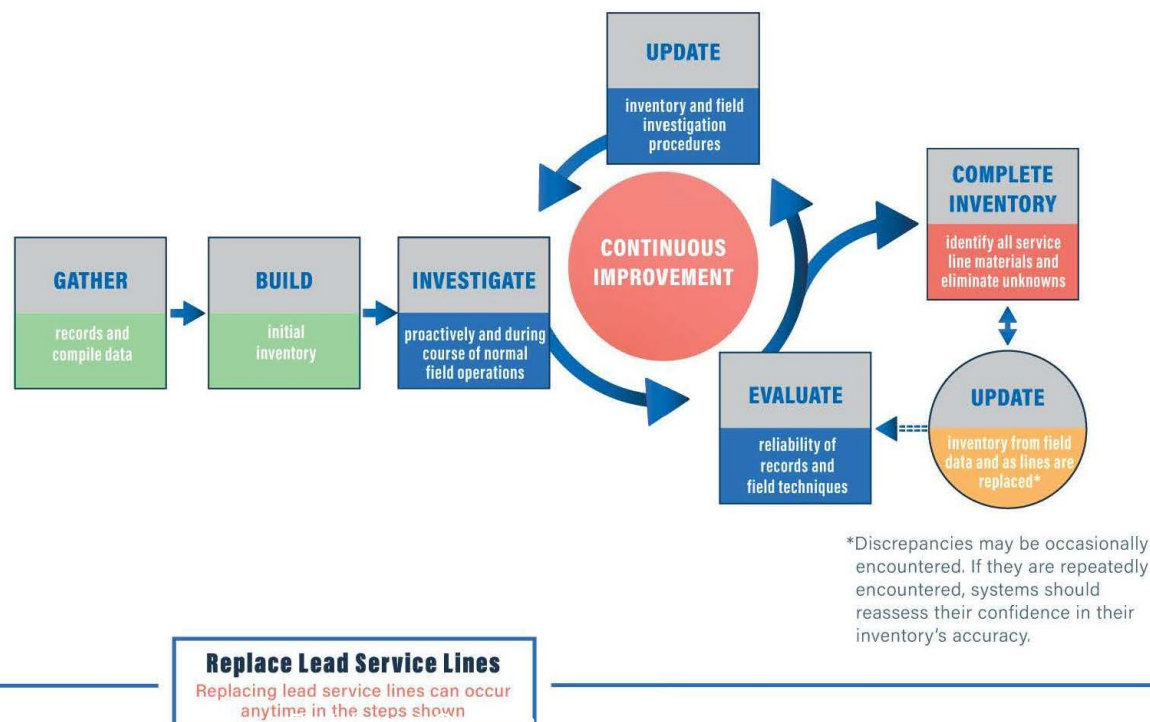

Lead Service Line Inventory

Why are residents in IPC housing getting letters?

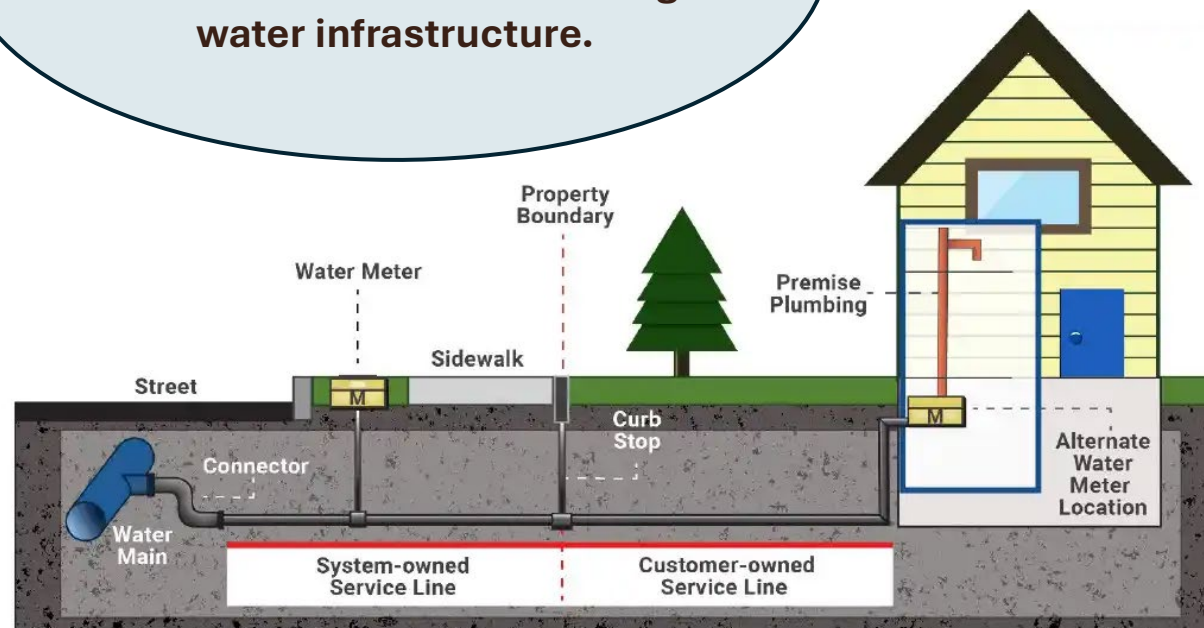

Only residents and tenants who have unknown (i.e. non-lead) or galvanized service lines on base received notification letters 30 days after the LSLI was completed per regulation.

What is the way ahead?

USAG-HI will continue to investigate and verify water pipe materials throughout installations. Continue to update the inventory and notify water system users as required. See USEPA diagrams below.

Based on historical records, no known lead service lines exist in USAG Hawaii drinking water infrastructure.

Thanksgiving Safety

-   Clean your oven and test your alarms.
-   Stay alert in the kitchen.
-   If deep frying your turkey, do it outside.
-   Keep children away from stoves, fires and cooking areas.
-   Have fire extinguishers nearby to put out fires.
-   Never leave candles or fires unattended.
-   Cook the Thanksgiving turkey thoroughly.
-   Avoid giving pets leftovers or bones.

TURKEY FRYING SAFETY

-  Fry your turkey outdoors and more than 10 feet away from your home. Have a fire extinguisher ready at all times.
-  Use a thawed and dry turkey. Extra water will cause oil to bubble and spill over.
-  Pay attention to the oil's temperature as many fryers don't have thermostats.
-  Use caution when touching the turkey fryer. The sides of the cooking pot, lid and handles can get dangerously hot.
-  Keep children and pets away from the fryer.

Holiday Cooking Safety

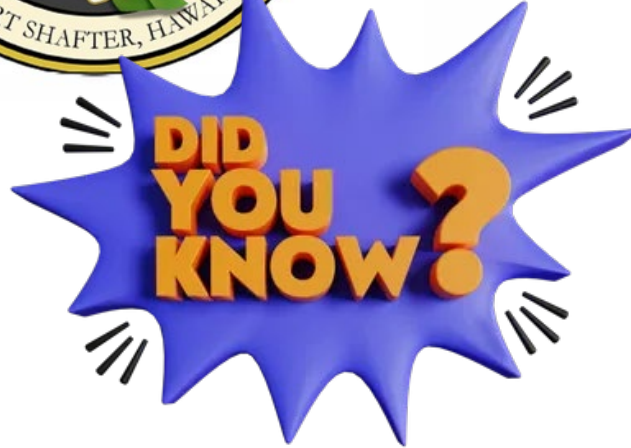

Thanksgiving Kitchen & Fire Safety Tips

As we gather for Thanksgiving, keeping safety in mind ensures a joyful, accident-free holiday.

- **Stay Focused:** Unattended cooking is the top cause of kitchen fires. Stay in the kitchen while cooking and set timers to remind you of items on the stove or in the oven.
- **Clear the Cooking Area:** Keep flammable items like towels and paper products away from heat sources, and turn pot handles inward to avoid spills.
- **Child-Free Zone:** Designate a “kid-free zone” around the stove to protect little ones from burns.

Military Child Care In Your Neighborhood (MCCYN)

How It Works

MCCYN is a fee assistance program that keeps affordable child care in reach for eligible families. It's intended for families who cannot access installation-based care due to distance or waitlists. With fee assistance, a portion of the child care is paid to reduce the cost of what families would pay for care in their communities. This makes it easier for families to afford quality care from local community providers.

Families access MCCYN through MilitaryChildCare.com, a secure DoD gateway to military-operated and military-sponsored child care options. It provides a single online location for families to determine their MCCYN eligibility, explore qualifying providers, and request assistance

Who is Eligible?

Army, Air Force, Marine, and Navy Families

MCCYN is available to active-duty members, Reservists on active duty, civilians, and Army and Air Force Gold Star spouses who:

1. Are stationed at an installation that has been pre-identified as fee assistance eligible or,
 2. Do not live near a DoD installation with a Child and Youth program.
- If the sponsor is married, his or her spouse must be employed, actively seeking employment, or a full-time student.

Department of Defense Civilian Families

DoD has expanded MCCYN to assist employees of other DoD agencies and field activities such as employees of the Defense Logistics Agency (DLA), National Reconnaissance Office (NRO), and the Office of Net Assessment (ONA). If the employee is married, his or her spouse must be employed, actively seeking employment, or a full-time student.

U.S. Coast Guard Families

USCG MCCYN is available to active-duty members and Reservists on Active Duty Orders for at least 180 days. If the USCG member is married, his or her spouse must be employed a minimum of 20 hours a week, actively seeking employment, or enrolled in higher-education coursework.

How to Get Started?

1. **Create an Account** If you don't already have an account, go to MilitaryChildCare.com to create one. Once you create an account, set up a Household Profile so you search for care at any time from any location.
2. **Search for and Request Care** MilitaryChildCare.com allows you to search the full range of military child care options. Search for care, and if available, submit a request for MCCYN for each of your children.
3. **Wait for an Offer** MilitaryChildCare.com will send you an offer for care if space becomes available. Keep your email address up-to-date in your Household Profile so you do not miss these important messages.
4. **Upload Required Documents** If you receive an offer for MCCYN, you will receive a notification from MilitaryChildCare.com with instructions on how to accept the offer and upload eligibility documents.

More Information Visit www.MilitaryChildCare.com/MCCYN for more information about eligibility, including any income restrictions that may apply for a specific program as well as the full list of DoD agencies and field activities.
