FOR IMMEDIATE RELEASE

July training advisory for Army ranges on Oahu

SCHOFIELD BARRACKS, Hawaii (July 1, 2019) — Local military units are scheduled to conduct various training activities here in July that may be heard by surrounding communities.

Training can occur during daytime and nighttime hours and is subject to change based on weather and other environmental factors. Weather, such as overcast conditions can increase noise and vibrations. Should individuals hear noise, there is no immediate danger.

For the community's awareness, the training is as follows:

•	July 1-31	Army Lightning Academy training with blank ammunition and explosive simulators, Schofield Barracks East Range.
•	July 8-12	Army artillery training, Schofield Barracks
•	July 11-12	Army mortar training, Schofield Barracks
•	July 20-21	Army artillery training, Schofield Barracks
•	July 22-28	Army mortar, artillery and helicopter aerial gunnery, Schofield Barracks.
•	July 29-31	Army artillery training, Schofield Barracks

The military appreciates the understanding and continued support of the local community. While sometimes loud, this training is critical to ensure military units and service members are ready to accomplish their mission and return home safely.

To report concerns related to noise or training, community members can call the U.S. Army Garrison Hawaii (USAG HI) Noise Concern Line at (808) 656-3487 or email usarmy.hawaii.comrel@mail.mil. The USAG HI Public Affairs Office responds to all reported concerns during regular business hours, Monday through Friday, 8 a.m.-4 p.m.

The Army produces this monthly schedule to alert neighbors of upcoming training activities that are louder in nature and may be heard outside the military installation. This schedule is subject to change and is not inclusive of all Army aviation/unmanned aircraft system (UAS) activities, or East Range training activities (between Wahiawa and Mililani Mauka). To receive Army training advisories directly, email usarmy.hawaii.comrel@mail.mil with "Subscribe Training" in the subject line.
