January training advisory for Army ranges on Oahu

SCHOFIELD BARRACKS, Hawaii (Dec. 31, 2019) — Local military units are scheduled to conduct various training activities in January that may be heard by surrounding communities.

Training can occur during daytime and nighttime hours and is subject to change based on weather and other environmental factors. Weather, such as overcast conditions can increase noise and vibrations. Should individuals hear noise, there is no immediate danger.

For the community's awareness, the training is as follows:

- Jan. 1-31 Army Lightning Academy training with blank ammunition and explosive simulators, Schofield Barracks East Range
- Jan. 4-5 Army artillery training, Schofield Barracks
- Jan. 6-10 Army mortar training, Schofield Barracks
- Jan. 11-19 Army artillery and mortar training, Schofield Barracks
- Jan. 19 Army demolitions training, Schofield Barracks
- Jan. 23 Army Lightning Academy helicopter operations, Schofield Barracks East Range.
- Jan. 24-27 Army artillery and mortar training, Schofield Barracks
- Jan. 27-31 Marine Corps artillery training, Schofield Barracks
- *Unmanned Aircraft Systems (UAS) training can occur 24 hours a day, 7 days a week on Wheeler Army Airfield and in the restricted airspace that encompasses much of Schofield Barracks and a northwestern section of the Waianae mountain range.*

The military appreciates the understanding and continued support of the local community. While sometimes loud, this training is critical to ensure military units and service members are ready to accomplish their mission and return home safely.
