*NOTE: Soldiers being separated administratively may receive one of three characterizations of service: Honorable, General, or Other Than Honorable (OTH). Anything less than an Honorable discharge may result in the loss of certain benefits and negatively affect employment and educational opportunities. References to "Chapter 14-12c" are to specific provisions within Army Regulation 635-200, Active Duty Enlisted Administrative Separations, related to separation for commission of a serious offense.*

*NOTE: Cases involving Soldiers accused of committing sexual assault or sexual contact offenses may be disposed of through the administrative separation process for a number of reasons. For example, survivors sometimes prefer the administrative separation process over participating in a court-martial.*

*NOTE: Officer eliminations are approved at Human Resources Command, whereas enlisted separations are approved at the local installation.*

*NOTE: A Chapter 10 is an administrative separation in lieu of trial by court martial.*
