MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Policy 19-20 – Canyon Areas Off Limits After Dark

1. All canyons on Fort Huachuca are off-limits during the hours of darkness.
2. Traveling in and through the installation's canyons during hours of darkness jeopardizes the safety of installation personnel by increasing wildlife encounters and injury risk due to limited visibility. Violations of this policy pose a significant danger to both personnel and property and will not be tolerated.
3. The provisions of this policy pertain to all persons visiting, assigned to, in temporary duty status, or employed on Fort Huachuca (to include family members and guests). This policy is punitive in nature. Failure to abide by this policy is a violation of Article 92 of the Uniform Code of Military Justice (UCMJ). Others not subject to the UCMJ may be punished IAW 36 CFR 2.31 and 18 USC 1382 and may be fined under this title or imprisoned not more than six months, or both.
4. During inclement weather, extremely dangerous or rabid animals, increased fire danger, and lost or injured personnel the Directorate of Emergency Services (DES) may implement sign in requirements at the MP station before entering and exiting canyons and/or recreational areas.
5. Exceptions to this policy may be requested through the DES, the Family Morale and Welfare Recreation Directorate, or the Directorate of Public Works (Environmental Division). The DES must be notified of all approved exceptions.
6. The proponent is the DES, US Army Garrison, Fort Huachuca, AZ 85613-7012.
7. This memorandum supersedes policy memorandum USAG, IMHU-ZA, subject: POLICY 020 – Canyon Areas Off-Limits After Dark, dated 18 July 2016.
