MEMORANDUM FOR RECORD

SUBJECT: Rescission of Stage 2 Fire Restrictions on Fort Huachuca

1. Effective immediately, Stage Two Fire Restrictions on Fort Huachuca have been rescinded.
2. In accordance with Fort Huachuca Regulation 420-13, open fires are prohibited outdoors except in specifically designed and approved outdoor equipment with proper protective screens. Fire pits shall be located at least ten (10) feet away from combustible materials and/or all buildings when in use. Fire pit shall be quenched with water or covered with a noncombustible cover to prevent sparks or hot coals from being scattered by the wind after use.
3. All personnel must obtain camping and picnic permit for Lower Garden Canyon and Lakeside Pavilion from MWR Rents. Fire Prevention and Law Enforcement Operations are required to sign off on the permit to provide safety briefing and tracking.
4. Fires are permitted in APPROVED pits and grills only in Lower Garden Canyon and Lakeside Pavilion. Fires will not be left unattended. All fires will be extinguished after each use. Use of grills, propane or charcoal, and campfires must be coordinated with the Fort Huachuca Dispatch. Persons making a reservation for a camping and picnic permit is responsible to notify fire dispatch at 533-5059 when fires have been started and extinguished.
5. Point of Contact is the Fire Prevention Office at (520) 945-3586 or (520) 945-3013.
