Present: RSO, Tina Moody, LTC Eric Walters (USA Retired) and SSG Roy Stanly (ARNG Retired). The Retiree Council Meeting was held at the MPD BLDG 51101.

The following items were discussed by the Retiree Council:

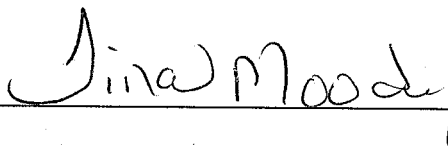

1. This year's Retiree Appreciation Day (RAD), tentatively scheduled for 24 October 2025.
2. The NLT date for retirees to receive the new ID card from DEERS. Retirees need to start preparing to renew the retired blue ID card (Form 2) with the new USID card. This must be completed by 1 January. The information is in the Retiree newsletter and will be discussed at upcoming events at the VFW to get the word out to the local community.
3. Budget cuts and personnel cuts to the various services on the installation were discussed and what impact it will have on retirees. We are still analyzing and gathering data on that.
